purpose."

Seniors Will Meet

Taylor Names Class Leaders **As Executives**

Unusually Large Group Put On Freshman Committee

"The purpose of the Freshman Executive committe is to discuss the important functions and problems of the class in its bimonthly meetings," said Baxter Taylor, president of the class, as he announced yesterday the 35 first year men who will make up this year's group.

Taylor expressed the hope that the committee would be representative of the class as a whole, since it is composed of fraternity, dormitory, and town residents. He also stated that it was rather large, but that this was necessary to include all the leaders of the class.

Caliber

"We have taken a week to determine these men, to check them over, and find out how they stand on student government in order to be sure of their caliber," Taylor said.

In addition to the recently erson, vice-president, C. Hines, secretary, and Stuart Ficklen, treasurer, the commit-

tee will consist of the following: Duncan McColl, chairman; Emory Osgood, Charles Wood, Thomas Higgins, Joseph Webster, Herbert Bachrach, James Hambright, Bob Douty, Bob Sumner, Joseph Bonner, Julian Coghill, Billy Shaw, Bill Webb, Stuart Grigg, Ernest Vaillancourt, Jimmy Darden, Evans Lackey, James Parker, Bob Brill, John Hancock, Jack Latham, Ernest Forest, Latt Purser.

James Davis, Jack Lynch, La-Mar Gudgar, Ed Hubbard, Ed Megson, John Graff, Phil Walker, Bob Gordon, Hal Armentrout, Andrew Blackwelder, Charles Wilkerson, Courtland Dawson.

The first meeting of the group will be held this evening at 7:30 in Graham Memorial.

Parker Talks To Freshmen

Class Officers Receive **Highest Praise**

"I believe that these men are equal to the responsibility put upon them," said John Parker, president of the student body, as he introduced the new freshman officers in chapel yesterday.

These officers, Baxter Taylor, president, Foy Roberson, vice years, Parker stated.

"It is encyclopaedic in its scope, with an amazing assemblage of facts on every aspect of Southern life; yet instead of causing the reader bewilderment, the catalogues, maps, charts and data hold him with a fascination which rapidly transforms mere scholarly interest into personal enthusi-

Pertinency

According to the News and Observer, "The book contains, as far as the reviewer knows, more pertinent facts about the Southern regions of the United States than any other book in or out of print. It would be unfortunate, however, to leave the impression that this work is a catalogue of facts. It is much more than that. It is a critical and suggestive interpretation of the South's economic and social structure. It may be truly characterized as colossal, magnificent and monumental."

Tea will be served at 4:15 and the talk will begin at 4:30. The public is cordially invited to at

Ivey Planning Holiday Spree

Roast Will Be Held On-Thursday Evening

Pete Ivey anonunced yesterday the plans for "the finest weekend that anyone has ever spent in Chapel Hill," which the student union is sponsoring for students who are remaining on the campus over the Thanksgiving holidays.

The festivities will begin tomorrow evening at 6 o'clock in Battle park. A weiner roast has been planned for anyone who is interested enough to come to the director's office in Graham Memorial today and register for the Dr. Howard W. Odum, head outing. Ivey advises those who Dance

Bond Says 50 Per Cent Of Class Must Be On Hand

To Discuss Budget

Seniors are urged by their class president, Niles Bond, to assemble in Memorial hall at 10:30 this morning for a short business meeting.

The class budget, which covers expenditures for the planned class smoker and other socials during the year, will receive chief consideration.

Under a ruling of the Student council, half of the class must attend the session in order for proceedings to be valid. If there is not a majority present, another meeting during the year will be necessary for the approval of class socials.

Attendance

To stimulate attendance. President Bond yesterday prepared printed reminders, which will appear throughout the campus this morning. Class representatives will be posted on the campus to remind seniors of the meeting.

Class officers hope that a more successful response is given the appeals for attendance today than was given those of President Bud Hudson for his sophomore class recently. Three meetings of the sophomores were necessary before a legal majority assembled to approve the budget.

Jitney Group To Act Here

New England Troupe To Appear December 2

The second attraction on the student entertainment series for this quarter will take place on December 2, when the Jitney Players present "London Assurance," a Victorian comedy of manners.

The Jitney Players were organized 14 years ago by Bushnell Cheney.

In the beginning Cheney says he found himself faced by two major problems. Most of the places, which he considered really needed dramatic entertainment, had no theaters, and transportation facilities were either non-existent or too expensive.

Motor Theater

Cheney solved both these problems simultaneously. He designed and built the first motorized theater. Traveling along the highroad it appeared by day night it unfolded and became a compact and fully equipped

During the first few years of their existence the Jitney Players toured solely in New England, giving their performances only during the summer on the boards of their own theatertruck. Now they tour the year round and their equipment has become so flexible that it can be set up indoors or outdoors, and expanded or contracted to suit almost any sized stage or plat-
