UNITED AIR LINER REPORTED FOUND

Salt Lake City, Oct. 18.—A 19-passenger transport plane of the United Air Lines was reported found in the rugged southwestern portion of Wyoming today after being lost for 14 hours.

Arthur Willoughby, postal inspector, indicated that the air searchers, who found the wrecked plane, gave the impression that it would be unable to determine whether it had burned or badly cracked up, until ground searchers reached the scene.

Whether any of the 15 passengers and crew of four are alive now, also can not be determined until the searchers make the 10-mile trip on foot to the disabled craft.

The sheriff estimated from the information received, that it would require a 10-mile journey on foot up to the peak where the air giant is resting after falling only a short distance from the emergency landing field on its route.

Last reports from the "Mainliner" were received as it passed over Rock Springs at 8:19 p. m. (Mountain time) last night. Pilot E. D. Woodgerd radioed: "Slightly rough. All O. K."

SINO-JAPS REPORT

HEAVY LOSSES FOR EACH
Shanghai, Oct. 18.—According to reports received from Chinese authorities today, 1,400 Chinese and 3,000 Japanese were dead after an attack of the Japanese on the death battalion for possession of Tazang.

The engagement, in which Chinese fought to protect supply bases, was considered as the heaviest single encounter to occur near Shanghai since the war began.

The Chinese force at Tazang, under Colonel Chin Ching-Wu, fought for 30 hours against Japanese infantry supported by planes and naval guns. It was completely wiped out, however, after Colonel Chin lost his life. Japanese bombing outside of Shanghai was reported to have killed more than 200 Chinese citizens, mostly peasants.

Fraternities Fail To File Requests; Imports To Blame?

Coeds are still ineligible as far as fraternity houses are concerned even though rushing is over. The fault is not the coeds', nor Mrs. Stacy's. The fraternity men are to blame.

The dean of women issued a statement earlier in the month that fraternities which met certain requirements would be allowed to entertain women of the campus in their houses. Those desiring permission to so entertain were requested to file notice with Mrs. Stacy.

To date no notices have been filed.
