SOUTHERNERS TO FIGHT ANTI-LYNCH MEASURE

Washington, Jan. 6.—With hopes of tying up the anti-lynching bill for a while longer, southern senators banded together today to fight the measure in order to open a way for President Roosevelt's legislative program.

Senator Borah (R-Idaho) was chosen to begin debate this afternoon against the legislation, which came up during the special session.

Senator Connally (D-Texas), leader of the opponents, indicated that debate would last "at least a week or 10 days," but declined to forecast how much longer it may become necessary for the discussion on this bill.

Favoring the proposal, Republican Leader McNary said he understood the southern group hoped to continue talking until pressure for the administration's program became so strong that the anti-lynching measure would be dropped. He asserted a filibuster might prolong the congressional session considerably beyond its scheduled May adjournment.

Senator Van Nuys (D-Ind.), co-author of the bill, stated he would reject any proposal to prevent a vote at this session.

"If the gentlemen from the south—knowing that we have the votes to pass this bill any minute the roll is called—want to take the responsibility for delaying any economic or industrial program," Van Nuys said, "the responsibility is on their shoulders."

In one form or another, the anti-lynching measure has been debated in congress for 20 years. The house approved a bill last year.

HERBERT HOOVER DEFENDS CONSTITUTION

Pasadena, Calif., Jan. 6.—A capacity audience in Pasadena's civic auditorium heard former President Hoover say last night that "the constitution provides the boy, or at least one time it did, with inalienable right to liberty and the pursuit of happiness."

At another point in his address, sponsored by the foundation to aid underprivileged boys, he asserted:

"If we had just one generation of properly born, adequately educated, healthy children, developed in character we would have Utopia itself—even if we don't succeed with planned economy."

CHIANG RECRUITING NEW CHINESE ARMY

Hankow, Jan. 6.—Vested with full power over military and civil life of China, Generalissimo Chiang Kai-Shek, on a national mobilization campaign for an unrelenting war against Japan, began recruiting all of the "man-power of China's population of 400,000,000 people."

All cities and towns outside Japanese-occupied areas swarmed with troops. In some cities, recruits outnumbered the civilians. China expects to have 80 full divisions ready for war duty by spring.

Dr. H. H. Kung, Chiang's brother-in-law and China's financial head, was placed in charge of economic affairs and industries. During the past sum-

SOCIALIST LEADER WILL LECTURE TO SEVERAL CLASSES

Thomas' Expenses Must Be Raised Through Contributions

Norman Thomas, Socialist party leader in the United States, who has accepted the Carolina Political Union's invitation to speak here next Wednesday night, will arrive here in time that morning to speak to several classes, it was announced yesterday by union chairman, Alex Heard.

The only remaining drawback in the matter of bringing the socialist leader here is in regards to finances, Heard said. Since it is the union's policy not to pay speakers and since Thomas could not come unless his travelling expenses were paid, an announcement was made some time ago that the money would have to be raised by voluntary contributions.

Donations

Donations amounting to \$28.50 have been made to date, but it will be impossible for Thomas to come here next week unless the remaining \$11.50 is given by that time, Heard said.

Although Mr. Thomas will speak in Baltimore Tuesday night, he has arranged to leave for Chapel Hill soon after he finishes his speech there, and plans to arrive in Raleigh at 9:35 Wednesday morning.

FACULTY ASKED TO INVESTIGATE CAMPUS THEATER

Union Questions House About Regulations And Locations

The first definite step by any campus organization here towards providing for a student theater was taken yesterday as Graham Memorial's board of directors petitioned the faculty concerning the project.

In a letter to Administrative Dean R. B. House, the union asked if there was a building on the campus suitable for a moving picture house, if the University has any regulation which would prevent student operation of a moving picture house, and if the faculty would sanction student operation.

Revealed

Director Pete Ivey revealed that if the administration replied favorably, Graham Memorial would begin an extensive investigation into the project.

POLITICAL UNION TO INVESTIGATE NEW APPLICANTS

Committee Appointed To Study Freshman Prospects

A committee was appointed at the Carolina Political Union meeting yesterday to investigate possible freshmen candidates for the three vacancies in the union.

Already 15 first year men have written the CPU asking to be considered for the vacancies. In addition, the newly-appointed committee, which is headed by Miss Nancy Nesbitt, will select a group of five or 10 other freshmen whom they consider good prospects.

The candidates will all be interviewed and presented to the union, following which three of the group will be selected, by a general vote, to be admitted to the union.

The addition of the three freshmen will bring the total membership of the CPU up to 26.

Any other freshmen interested in applying should notify either Alex Heard or Dr. E. J. Woodhouse.

It was also decided at the meeting that there would be a meeting of the faculty advisory committee at some indefinite date in the near future.

Only one change has been made in the winter quarter schedule of speakers that was

The Dekes rank fifth among the fraternities and sororities here at Carolina, according to the standings reported last fall by the registrar's office.

There are 47 chapters of DKE in the United States and Canada.

IVEY PLANS FOR STUDENT UNION WINTER PROGRAM

Gordon Jazz Concert To Open Activities Tuesday

An extensive program of amateur shows, jazz concerts, student-faculty teas, and Sunday afternoon concerts is being planned by Graham Memorial Director Pete Ivey for campus entertainment during the winter quarter.

The memorial's activities will get under way on January 11, when Hal Gordon presents the first of a series of jazz concerts.

On January 16, Edgar Alden, head of the music department at Meredith college, will present a concert in the afternoon, while an amateur show is scheduled for that night.

Tea

The first student-faculty tea is being planned for January 20 at 5 o'clock in the memorial lounge.

The major event in February will be the appearance of Thor Johnson's University of Michigan Little Symphony. Also on schedule for concerts are Jack Payton, former national champion xylophonist, who is very popular on the campus; the Wake Forest college glee club; and Dr. Sherman Smith, University professor and well-known baritone.

Miss Nancy Nesbit Attends Conference

Woman's Association Leader Visits Albuquerque, N. M.

Miss Nancy Nesbit represented the University at the national student conference held at Albuquerque, N. M., during the Christmas holidays.

The general theme of the conference was "The Role of Student Government in Higher Education Today." The group of representatives was divided into 12 commissions, discussing student, national, and world problems. Miss Nesbit was on the commission discussing International Student service.

"Liberal"

"The University of North Carolina is very sensibly liberal in comparison with other universities and colleges of its size and rank," Miss Nesbit states. "So far as I can find out, the CPU is the only organization of its sort in the country. In almost all features, we have much greater freedom as students than in the average school."

Date Of Midwinters Set At Feb. 11, 12; No Leaders Yet

Bids To Sell At \$8

Will Osborne and his nationally famous dance orchestra will play for the Mid-Winter Germans here Friday and Saturday nights, February 11 and 12, German club officials disclosed yesterday.

The four dances will be held in Bynum gymnasium. A basketball game with Duke in the Tin Can at 8 o'clock on the night of February 12 necessitated the change to the smaller building.

Cost

Undergraduates will pay \$8 for the set and graduate students will be charged \$7 to dance to the music of the originator of the slide trombone effect in introducing numbers, club officers stated. Bids will be placed on sale within a few weeks. Eleven students will handle the sale.

Under the plan explained yesterday, the Junior prom will be held on Friday night, featured by the Junior figure, and the German club figure will take place during the Saturday night dance. Leaders for the figures will be selected later.

Comic Opera To Be Given Sunday Night In Hill Hall

Hal Gordon Will Present Gilbert And Sullivan Production, "Pirates Of Penzance"

Following numerous requests for additional Gilbert and Sullivan presentations, Hal Gordon will present the comic opera, "Pirates of Penzance," or the "Slave of Duty," performed by the D'Oyly Carte opera company, Sunday night in Hill hall at 8:30.

Response to the first D'Oyly Carte opera, "The Mikado," was so satisfactory that numerous other of the company's Gilbert and Sullivan presentations will be given during the winter series. The programs are given by the same organization that presented the summer and fall "Music Under the Stars" concerts.

Selection

In selecting "Pirates of Penzance," which has been especially recorded for Victor under the personal supervision of Rupert D'Oyly Carte, the committee has chosen what is considered the most popular of the Gilbert and Sullivan operas. It is especially noted for its catchy, rollicking, and familiar melodies.

The performance is complete, with few cuts in dialogue. Diction of the stars is so clear that little difficulty should be experienced in following the opera even by one unfamiliar with it.

Chairmen

Call was issued yesterday for all committee chairmen of the Freshman Friendship council to hold meetings of their groups sometime before Monday night, when weekly sessions will be resumed.

Each chairman was requested to have definite plans for activities of the council during the winter quarter. Their reports will be made at the meeting Monday night at 7:30 in Di hall, New West.
