## **Graham Memorial Budget**

The Graham Memorial Building is supported by student fees. Every student pays an annual fee of three dollars, one dollar each quarter. In addition to this source of revenue, the game rooms, rent on the Barber Shop, and other miscellaneous rentals provide a comparatively small income. The proportion of revenue from each source is shown on the second statement below.

Graham Memrial's expenditures are authorized in a budget approved by the Board of Directors. Also the Director of the Student Union, and the President of the Student Body approve all expenditures.

The balance sheet below shows a surplus of approximately \$9,000.00. The Statement of Income and Expense shows where the money comes from and what it is spent for. The largest item in the statement is total salaries. Regular, extra, and maintenance salaries amounted to \$3,253.17. The next largest item, Welfare-Recreation-Entertainment, accounts for the programs afforded by the Student Union free of admission charge. The Graham Memorial Grill is not included in this statement.

The period covered by the statements is the first year of Pete Ivey's Managership.

(Continued from page three) acterized by clean ball-handling and careful shooting although it was unable to maintain its early game two-basket lead.

The first period saw the score evened more than once with the red-spangled visitors carrying the battle to a slow-starting Tar Baby contingent, until the latter started to hit its usual stride and garner a 10-4 margin, to lead 20-10 at halftime.

Davidson's center, Niven, was outstanding on the defense in limiting bucketman Glamack to three points during the first half.

Although a rejuvenated Kitten quintet diminished the Carolina lead in the second half, the home team managed to keep well out in front with baskets by Watson, Branson, and Glamack, and with the outstanding floorwork of Arnie Ralph.

The Kittens' only secondperiod bid for supremacy came as forwards Hogg and Turner put on a short scoring spree in the closing minutes of play.

The 11 point margin of victory marked the ninth seasonal triumph out of ten starts for the Tar Babies. .

# **HE SEES WHO BUYS WHAT TOBACCO**

Like so many other independent experts, Bill Whitley, Tobacco Auctioneer of Henderson, N.C., smokes Luckies

V/ILLIAM D. (BILL) WHITLEY sold over 15 million pounds of tobacco last year. It's easy to see that he's an expert who knows tobacco.

So it's important to you when he says ... "At 14 different markets in Georgia, North Carolina, South Carolina, Tennessee and Kentucky, I've seen Luckies buy the best tobacco. I figure it's good tobacco that makes a good smoke. So my own cigarette is Lucky Strike!

"I've noticed, too, that independent buyers, not connected with any cigarette manufacturer, smoke Luckies more than any other brand."

> Mr. Whitley is correct. For sworn records show that, among independent tobacco experts, Luckies have twice as many exclusive smokers as have all other cigarettes put together. Remember: The men who know tobacco best smoke Luckies 2 to 1.

#### HAVE YOU HEARD "THE CHANT OF THE TOBACCO AUCTIONEER" ON THE RADIO?

When you do, remember that Luckies finest tobacco. And also that the "Toasting" process removes certain harsh irritants found in all tobacco. So Luckies are kind to your throat.
