PARTY REVOLT SEEN AFTER REORGANIZATION DEFEAT

Washington, April 9.—Party rebellion seemed imminent today after the surprising defeat yesterday in the house of the President's government reorganization bill.

A personal statement from Roosevelt indicated that house defeat of the bill offered "no occasion for personal recrimination and there should be none."

Administration leaders, reviewing the defeat, stated that it would in all probability hasten the adjournment of congress.

Preceding the house vote which killed the reorganization bill 204 to 196 administration advocates had hinted that an attack on the measure would be considered an attack on the chief executive.

To the majority of observers, the bill's defeat was the most surprising setback of the administration since the so-called "rubber-stamp" congress defeated the President's supreme court bill last year.

STOCK MARKET SOARS AS RECOVERY WAVE HITS

New York, April 9.—Months of comparative inactivity were overshadowed today in the stock market by a rush among brokers to complete large overnight buying orders.

Stocks went up \$1 to more than \$6 a share during the usually quiet short Saturday session.

Reports that the government was on the verge of another spending and lending spree to stimulate business and recovery in addition to the defeat yesterday of the administration government reorganization bill were given as reasons for the surprising activity.

Brokers, caught by surprise at the bill's defeat, bought and sold 1,414,480 shares in the short two-hours session.

STEEL CONCERN ACCUSED OF VIOLATING LABOR ACT

Washington, April 9.—Republic Steel corporation was found guilty today by the National Labor Relations board of violating the Wagner labor disputes act on eight counts.

The decision was rendered concerning the "little steel" strike last summer.

The board ordered the company to reinstate 5,000 employees, redeem back pay to a number of workers, and break up employee representation in five Ohio plants.

The board gave as reasons for the decision the following complaints against the company:

Firing of 27 employees for union

Previous Rumors Of Opening Date Discredited

In spite of all efforts to speed opening of the University's new swimming pool, athletic officials disclosed yesterday it would probably be about a week before the South's largest natatorium would be thrown open for use.

The announcement discredited previous rumors that Wednesday had been set as the opening date.

Physical Exams
Details concerning the physical examinations necessary before students may legally dive into the blue-green waters are expected to be revealed early this week. Several hundred students have already passed the test.

Passing off the examinations, training life guards and swimming pool attendants, and preparing students to operate the basket room are procedures necessary before the pool may be opened.

Mixed Swim
"Our present plan is to keep the pool open from 2:30 p. m. to 9:15 p. m.," said Oliver Cornwell, head of the physical education department. "These hours will be divided into periods, with perhaps 250 to 300 students in the pool at one time. There will be one period for women students in the afternoon. The question of having an evening period for the use of the pool by men and women students is now under consideration."

Around three thousand cotton trunks have already arrived for use in the pool. Gray trunks will be provided for men and navy blue and light blue one-piece suits for women.

Summer School
Handball and squash courts will probably be opened at the same time as the swimming pool, but most of the gymnasium will not be used until summer school.

After completing physical examinations, students will be presented a card which will enable them to use the pool. This card must be registered by the physical education department. After registration, it can be presented at the basket window and exchanged for a suit and towel. After taking his dip, the student must return the suit and towel, and will have his permit card returned.

Suits will be sterilized after each use.

SP WILL STAGE 'MASS-RALLY' AT 8:30 TONIGHT

Political Meet To Be Held In Union

A political "mass-rally" will be held in Memorial hall tonight by the Student party at 8:30. As is the stated policy of all Student party meetings everyone is invited to attend.

Although the brass band and the democratic barbecue will be absent, Student party chairmen say the rally is going to be a regular "good-time" political meeting patterned after those which have become famous in some sections of the South.

Speeches

Speeches by various Student party candidates will be in order. Doc Helms, politician extraordinary, will be present as well as the party's chairman, Mitchell Britt, and the retired head of the party, Bill Cole.

A parade may follow the "mass-rally" in Memorial hall.

Campus Political Front Calm As Honor Council Nominees Named; Amendments Listed

Controversial Issues To Be On Ballot

Not only will politics and spring increase campus temperatures Tuesday, but four additional controversial issues will be determined by student body vote.

The following questions to be answered yes or no, will appear on the ballots:

Legislature

"Do you favor a student legislature with the legislative powers of the student body, subject to such checks and according to the structure as has been proposed by the student council?"

"Are you in favor of creating the office of secretary-treasurer of the student body, such position to be included on the student council?"

Constitution

Two proposed changes in the Publications Union board constitution will also be voted on:

"To add to or take a publication from the supervision of the PU board shall require a favorable majority of those voting at an election in which more than one half the union are registered."

"Amendments to the constitution (Continued on last page)"

Magill Announces 45 Candidates For Council

President Bob Magill of the student council yesterday announced nominees for next year's upperclass honor councils, to be voted upon in the general campus elections Tuesday. A precedent will be set in having honor councilmen elected along with other officers.

Six members will be chosen for each council from the 15 nominees tomorrow and election day.

Seniors

Proposed for the senior class council were: John Moore, Johnston King, Jim Balding, Charles Wales, Paul Thompson, Charles Lynch, Jack Cheek, Walter Bunch, Ned Hamilton, Albert Maynard, Malcolm Allen, Bill Ray, Glenn Davis, Gene Turner, and Fred Rippy.

Nominees for the junior council were: DeWitt Barnett, Charles Putzel, Tom Royster, Tom Pitts, Bunk Anderson, Stuart Ficklin, Bob Summer, Watts Carr, John Bonner, Ed Megson, Bill Gordon, Bob McLemore, Bill Blalock, Tom Keys, and Frank Holeman.

Sophomores

For the sophomore council: Christian Siewers, Ed Maner, Bill Shufford, Bob Carroll, Reddy Grubb, Don Bishop, Ben Heath, Bill Hand, Chuck Jenkins, Bill Joslin, Jim McAden, Dave Mitchell, Ed Penick, David Stick, Ham Jones.

Violations of the Campus code by a member of a class fall under the jurisdiction of that class' honor council.

Absentee Ballots Will Be Void Tuesday

With elections only two days off and no petitions for absentee ballots, President Bob Magill of the student council yesterday said no voting arrangements would be made for students who will be out of town Tuesday.

Last year the baseball team asked that it be allowed to cast ballots before election day, when it would be off on a trip. The band will be out of town this Tuesday.

Aspirants

The campus political front was rather calm yesterday, considering that 63 aspirants were going about with the "it won't be long now" look.

Interest in a campaign between two established political factions did not seem as great as last year's, when the embryo Student party was battling for an equal position with the heretofore dominant University party. That election drew 1,674 students to the polls, second highest number in the University's political history.

Campaign

Politicians, however, took advantage of Saturday night freedom and patrolled the dormitories in quest for votes. They turned in late last night, preparing to rest today so as to stage extensive last-minute campaigns tomorrow and election day.

An avalanche of political literature was being prepared by the cigar men to be distributed today, tomorrow, and on the morn of election day.

BAND TO GO ON CONCERT TOUR

Six Programs Will Be Held In State

The University band under the direction of Earl Slocum will leave Tuesday morning for a two-day concert tour. The trip will include two concerts in Charlotte, two in Winston-Salem, one in Salisbury and Monroe. Since the last concert which was given in Hill Music hall several light numbers, including "Teddy Trombone" and "E-Fer's Holiday," featuring Anthony Amoscoto as clarinet soloist, have been added to the program.

Best Yet

Last year the band gave 24 formal concert appearances in Chapel Hill and other cities of the state, excluding football games. Director Slocum says that this year's band is "the best we ever had."

Wednesday night at 10:45 over WBT, Charlotte, the band will give a half hour broadcast.

Results Tuesday To Be Posted In Union Lounge

All students interested in the results of Tuesday's voting—approximately 3,000—are invited to attend the DAILY TAR HEEL Election Party to be held in the main lounge of Graham Memorial from 7 o'clock until complete returns are in.

Originally scheduled for 7:30, the time was moved up to 7 when it was learned yesterday that the student council would begin counting at 5:30.

Blackboards bearing the names of all candidates will be placed in the lounge. From time to time the up-to-the-minute results will be posted until the final vote has been tabulated.

Adequate seating arrangements have been made by Director Pete Ivey, and plans are under way to serve coffee for those who take advantage of the party.

This is the first time an Election Party has been held on the campus. President Bob Magill has agreed to co-operate with the DAILY TAR HEEL in giving out voting reports every few minutes.
