Frosh Baseball Game Tomorrow

BUT William L. Beerman

Following on the heels of the Athletic association, Coach Raymond Wolf and staff have moved over to the new gymnasium . . Right now, they are occupying the class room on the west end of the second floor-but only temporarily . . . In a month or so, after the students' problems and privileges of the gym and nool are ironed out and things running smoothly, the football offices will be moved into one of the 10 rooms to be partitioned on the second floor, between the east and west classrooms. . .

Yesterday Coach Wolf paced around his new quarters, drew up a chair beside the window, and looked out at the lacrosse game in violent progress between Duke and "our boys" ... With him was a tall, hefty, and sandy haired young man who attends a Washington (D. C.) law school. . . . "This," said Wolf, "is Melvin Diggs" . . . And the gent so named backed up the introduction with a grip of steel. . . .

Fencers Drop First | Tar Heel Court **Bout Of Season To** Strong Indian Club

(Special to the Daily Tar Heel) Williamsburg, Va., April 9 .- The University of North Carolina fencing team received its first defeat of the season here tonight when the strong William and Mary squad eked out a 10-7 victory over the crippled Tar Heels in a close and hurried meet. The matches were conducted on two strips simultaneously before a large audience in evening dress which saw three of the William and Mary fencers defeated for the first time this season at the hands of the powerful Carolina fencers. Kibel dropped his first bout of the current season in seven meets when Captain Bloom started the Tar Heel avalanche rolling with an impressive 5-4 win in the opening foil event.

McCallum

Then James McCallum, fencing number three foil, surprisingly outpointed Kibel for the Indians' leadoff foilsman 5-2 in one of the worst beatings of the foil division. Dick Freudenheim, subbing for Bernie Aleskovsky in epee, pulled through a decisive point over Markler to hand the William and Mary epeeist his initial setback.

North-South Tournament Gets Under Way In **Resort Town Tomorrow**

Tomorrow afternoon at Pinehurst when the annual North-South tennis championship starts rolling on, there'll ber of the varsity plus three former Tar Heel regulars and then some, will be in quest of the singles crown while three Tar Heel doubles teams will attempt to wrench the laurels away from many hopeful aspirants.

Archie Henderson and Eddie Fuller will take the singles limelight in the tourney play tomorrow and stand out, at present, as the leading contenders for the big crown-as tar as Tar Heels go. But Merriam Cunningham, Rhodes scholar from Oxford, has a slight pre-tournament edge over the Carolina netmen. Last year, Cunningham defeated Fuller and then dropped a close match in four sets to Wayne Sabin, finalist who was stopped by Champ Gil Hall.

Broadfoot Gets Carolina Score, Lewis Duke Ace

By MARTY KALKSTEIN The elements and the Duke lacrosse team conspired to mar Carolina's initial Dixie League contest yesterday afternoon, as the Blue Devil "10" fought and staggered their way through to a close and muddy 2-1 victory over their Tar Heel rivals. Fencing Murals Begin This Week

For the second successive year, fencing intramurals will be held on the campus. Starting this week, anyone who can prove he has had any previous experience at all or knows enough about it to fence, will be eligible to enter the tourney.

The murals this year, as last, will Princeton Takes be only in foil and on an elimination basis. Jim Balding walked off with the gold medal in the 1937 tournament and is expected to be out again this year in quest of another gold medal.

Big Draw

The greatest draw will come from the freshman classes of the past two years, and also the one of the past two quarters. Every member of these classes will automatically be eligible. Qualifications will be held tomorrow and Tuesday afternoon at Memorial hall from 4:45-5:45 and all those interested in participation must apply and qualify, if necessary, at either of those two times.

The seeding will be made Tuesday night and the complete draw and time of bouts will be published in Wednesday's TAR HEEL. The actual competition will start Wednesday afternoon.

High Jump, Bill Shatters **Time In High Hurdles**

Lost in the parade of Princeton points Wednesday were record break ing performances by two of Carolina's leading track stalwarts. The Bradleys, the Davises, the Pattersons, and the Wises got most of the head-lines, and so Bill Corpening's University high hurdle record and Harry March's high-jump mark were buried down in the summaries.

Both March and Corpening amounted to one-man track teams against the Tigers. Harry accounted for nine points, Corpening eight. March finished second to Grandin Wise in the high jump when he set his record, Both March and Wise did 6 feet 1% inches, but Wise took first on the least number of jumps.

The Facts

Corpening hit :14.7 in the high hurdles when he set his mark. In addition to taking down first money in the highs, Bill took a second to Anson Perina in the broad jump. March took one first, in the 220 low hurdles, the second in the high jump, and a third in the broad jump.

Yesterday, the entire track team took the day off to watch Duke and Princeton run off a meet. The next foe on the Carolina schedule is Virginia. The Cavaliers will be met at Charlottesville Saturday.

Duke, 72-54

(Special to the Daily Tar Heel) Duke Stadium, Durham, April 9 .-Princeton's Orange and Black track team tonight packed up for home with a clean sweep on the North Carolina track front. This afternoon, the Tigers flashed full strength to down Duke's Southern Conference outdoor and indoor title-holding team 72-54. Wednesday, Princeton downed Carolina 76-50.

Because of the condition of the Duke track, all distances above the quarter-mile were cut down. The twomilers ran a mile and a half; the milers, three-quarters; and the halfmilers, 660 yards. Princeton swept (Continued on last page)

Week Promised

With the heaviest intramural schedule for the spring quarter coming up this week, the one want of every person concerned is for Old Sol to shine. Intramurals for this week will be featured by the conclusion of the campus bowling tourney on Tuesday and the heavy schedule of playground ball and tennis teams. The latter two events are scheduled for every day of the week with the exception of Tuesday and Saturday. During the past week rain and varsity sports hindered the progress of playground ball and tennis but the bowling tourney continued to progress and reached its final stages.
