Science Academy To Meet Here

(Continued from first page) ments of Centrifuged Nereis Eggs."

H. C. Sherman will present the next paper entitled "Experiments on the Relation of Nutrition to the Composition of the Body and the Length of Life." Dr. Sherman is a member of the academy, a chemist and professor at Columbia since 1924. He is a research associate at Carnegie institute, a member of American Chemical society, American Society of Biological Chemists, the Society of Experimental Biology and Medicine. **Bacteriologist, Psychologist**

David T. Smith, bacteriologist and associate physician at Duke hospital since 1930, will read the next paper on "Nicotinic Acid in the Treatment of Canine Blacktongue and Human Pellagra." He is a member of American Anatomical association, American Association of Thoracic Surgery, American Association of Bacteriology and Pathology, American Sanatorium association, American Medical association, and American Society of Bacteriology.

Next is Walter R. Miles, member of the academy and professor of psychology at Yale university since 1931. He is an associate fellow of American Medical association, member of American Psychological association, American Physiological society, Society of Experimental Biology and Medicine, Society of Experimental Psychologists, of which he was president in 1932, Natural Research council, and the American Association of University Professors. He will read a paper on "The Polarity Potential of the Human Eye."

Geologist, Zoologist
Heading the list of afternoon speakers is William Berryman Scott, member of the academy, geologist, and professor of geology and palaeontology at Princeton 1884-1930. He is now emeritus professor there, a member of the American Philosophical society, member of the Geological Society of America. His topic will be "The Eocene-Oligocene Boundary in the Rocky Mountain and Pacific Coast Regions."

Arthur S. Pearse, zoologist and member of the faculty of the graduate department at Duke since 1927, will follow with an address on "Origins of Cave Faunas." He is a member of American Society of Zoologists, American Society of Naturalists,

Newton Had A Law—Wish It Worked

Tyrone Power, Anita Louise, Norma Shearer in "Marie Antoinette," playing today, Thursday and Friday at the Carolina theatre.

North Carolina Academy of Sciences.

William F. Prouty, geologist and head of the University department of geology, will speak on "Later Evidence Concerning Meteoric Origin of Carolina 'Bays'." Dr. Prouty is a fellow of the Geological Society of America, member of the American Institute of Mining and Metallurgical Engineering, North Carolina Academy of Sciences, and Mitchell Society.

Nathan Jacobson, mathematics instructor at the University, will deliver the next paper on "Structure and Automorphisms of Semi-Simple Lie Groups in the Large."

Finally on the Monday afternoon program is T. F. Hickerston, professor of civil engineering at the University since 1905. He is a member of the American Society of Civil Engineers, Society for the Promotion of Engineering Education, and American Association of University Professors. His topic will be "Spiralling Compound Curves."

Gridders Practice Late For Wildcats

(Continued from page three) inated. But another difficulty has arisen to confront the breezy back—this in the form of a head cold that has progressed into one of his nasal passages. Dr. Robertson stated yesterday that "We don't know yet whether to let him play Saturday or not."

In any event, the little New Yorker showed few signs of illness in his running, either in the past several football games or in practice yesterday. It would truly have to be a "Sweet" Lalanne to replace him as starting quarterback; his passing, punting, and all-around running ability have indicated already that he's in the line-up to stay. Nothing short of a major catastrophe will keep him out of competition.

Outstanding Mural Players

(Continued from page three) Carr (SAE).
Tackles: Gilmore (Chi Psi) and Jordan (Sigma Chi).
Guards: Beattie (Phi Delta Theta) and Carr (Zeta Psi).
Center: Simpson (ATO).
Quarterback: Du Bose (SAE).
Halfback: Clark (Zeta Psi) and Watson (Chi Psi).
Fullback: Clark (Beta Theta Pi).

All-Dormitory
Ends: Kimery (Everett) and Jennings (Lewis).
Tackles: Carter (Lewis) and Allen (Grimes).
Guards: Faircloth (Lewis) and Southerland (Mangum).
Center: White (Grimes).
Quarterback: Nethercutt (Grimes).
Halfbacks: Hackett (BVP) and Berini (Lewis).
Fullback: Dixon (Everett).

Innocent Yearlings Finally Realize

(Continued from first page) called the group to meet in 108 Manly at 9 o'clock Tuesday night when the faction's slate of candidates, who were among the nominations in yesterday's assembly, was made final. Freshmen running on this ticket are Bill Ward, for president; Dudley Cocks, vice president; John Diffendal, secretary; Ned Edwards, treasurer. This faction, known as the Bill Ward party, last night circulated 7,000 handbills, printed in Raleigh yesterday.

Nice For The Printer Anyway

It was discovered last night that the spokesman who Tuesday assured the DAILY TAR HEEL of the above fraternity clique has been successful in negotiations between SAE and KA (DKE and Beta Theta Pi expected to join) and that the group is supporting Murdock "Muck" Dunn for president. The remainder of the ticket is unknown, but campaign cards for Dunn have already been printed.

Another politico explained that previous plans for Aycock dormitory, filled with freshmen, to form a non-fraternity party and present its own slate of officers were brought to a standstill during a mass meeting in the dormitory store at 10 o'clock Tuesday night when representatives from the Graham dormitory meeting arrived upon the scene to tell the Aycock residents they had "only about 120 votes while the fraternity group had a lead of 200 votes." This party expressed the opinion their candidates will have unified campus backing.

They Bought A Dormitory

The Aycock meeting, called by Ralph Bowman, ended with the reported agreement that they join with Graham and run Bowman for treasurer. Meanwhile, Bill Shore, town resident, was slated for the presidency and, if elected, is expected to appoint an Aycock resident as chairman of the class dance committee.

Last night Jim Joyner, student body president, was reported seen in conference with Shore and joined by Bill Ward. No results of this meeting are known.

Several spokesmen for Graham dormitory confirmed the report that the non-fraternity clique is organized "to break the strong fraternity factions." They definitely claim their group to be unofficially backed by the Student party. Supporters said no meeting was called but that a "general get-together" was held in 208 Graham Tuesday night and last night. The party's slate was completed when Bill Schwartz was nominated for vice president and Fletcher Mann for secretary. Members of the "non-frater-

nity party" said that ZBT, Chi Phi and Chi Psi fraternities joined their group last night and that a door-to-door campaign is scheduled today. Pamphlets "dealing with the fraternity 'bloc'" and posters were being printed by the faction last night and will be passed out today following the campaign speeches in freshman assembly.

Dunn, Shore, Ward Holland Remain

(Continued from first page) this morning. After the speeches Bill Hendrix, presiding officer, will introduce those men running for vice president, secretary and treasurer.

"Better dances, smokers and more social gatherings among the freshmen along with an improvement of assembly programs," stated Murdock last night when giving his platform.

Bill Ward, when questioned last night, said, "When I am elected I will make the majority of my appointments to non-fraternity members. I am the only candidate that has not made promises of appointments to my friends."

"My platform will be revealed at assembly tomorrow morning," said Bill Shore last night.

No comments were made by Jack Holland.

The polls will open at Graham Memorial tomorrow morning at 9 o'clock and will remain open until 5 o'clock. Jim Joyner said it probable that the automatic voting machines will be used.

Commerce Students

The mid-term place geography examination required by the School of Commerce will be given tonight at 7:30 in room 112 New East.

A fee of \$1.00 will be charged those taking the examination the second time.

Harriers Point For Davidson

(Continued from page three) Fink, John Glover, Jim Joyner, Wimpy Lewis and Mac MacCarthy.

John Eddy, Jim Vawter, Henry Branch, Mike Wise and John Earle are fairly sure of berths on the frosh squad. Led by Vawter, the freshmen and some varsity reserves went two miles yesterday. Vawter's time was 10:33, Eddy ran 10:45, Carleton White, a varsity man, did 11:00, Bob Doty, another upperclassman, ran 11:03. Holt Allen, George Perrin, Henry Branch, Bill Singletary, John French, Ed Carraway, John Earle, Mike Wise, Dave Ricks, Jim Joyner, Jack Armstrong, Jerry Schack and C. Hogue also ran.

Frosh-Advisor Rally At 10:30 Tomorrow

All freshmen will meet with their advisors on Thursday at 10:30 in the following places:

- Mr. Armstrong, New East 203; Dr. Edmister, Venable 305; Mr. Emory, Venable 304; Mr. Hill, Phillips 206; Dr. Huddle, New East 112; Mr. Husbands, Bingham 103; Dr. Johnson, Saunders 213; Dr. Perry, Peabody 201; Mr. Phillips, Bingham 208; Mr. Sanders, Murphey 111; Mr. Spruill, Bingham 208; Dr. Wells, New West 101.
