Woodhouse Calls For Democracy's Defense

CPU Presents Derry Against Communism

Educator To Speak In Hill Music Hall Tonight At 8:15

Tonight at 8:15 in Hill Music hall Dr. George H. Derry, widely known lecturer and director of the Knights of Columbus department of social education, will appear as the Carolina union's second speaker of the year when he makes an address against the principles, beginnings and present work of the Communist party organization.

Dr. Derry, who is an educator from Detroit, Mich., will attempt to prove that the Communist party is atheistic in principle, was founded fallaciously, and has treacherous tactics. After his talk the speaker will welcome any questions which might be asked him at the usual open forum discussion. He will be entertained by the CPU tonight before his appearance in Hill hall at a dinner at Carolina inn.

IN FORMER YEARS

During the past year Dr. Derry, president of Marygrove college, has conducted 97 public lectures which were attended by over 100,000 persons of all creeds. He has also addressed the student bodies of several colleges and high schools. Besides being an accomplished author, this internationally famous lecturer in seven languages, is also a member of major American learned societies interested in the social, political, and economic problems of this country.

In 1932 Pope Pius XI appointed Dr. Derry as an officer of Papal household and Knight Commander of the Papal Order of St. Gregory the Great. This is the highest knight-hood honor that can be conferred on a layman in the Catholic church.

In addition to answering such questions as "Is it un-American to be radical?" "Did the church start Communism?" "When Communism comes, how will you vote?" "How will Communists raise your wages?" and "Do Communists practice slavery?" Dr. Derry will suggest some practical bulwarks for the prevention of a large-scale Communistic invasion of the United States.

Inkpot Classic Survivor, If Any, To Play Blue Ink Team

Rules Say Subsidization Must Be Simon Pure, Slugging Undercover

By MORRIS W. ROSENBERG

Developments developed in a fast-developing manner yesterday as Rotgut conference officials drank their way through their first meeting and laid plans for the forthcoming Inkpot classic.

The first important occurrence that rocked the world on its heels was that Duke university was organizing a

JUNIORS TO GET SWING LESSONS TODAY AT 10:30

Budget For Year To Be Passed In Fun-Filled Meet

Junior class members meeting this morning at 10:30 in Memorial hall will hear "take-offs upon take-offs truly in the groove" when Norman Jeep Bennett, his licorice stick and his orchestra give eight or 10 lessons in SWING.

Bennett's band will make their first campus appearance of the year this morning—a preview of what the rest of the campus will hear this weekend when Jeep plays for the coed dance Friday and for the Saturday night Grail dance. Jeep is known for his "jivability" on the clarinet.

"If time permits after the show Bennett puts on Vance Hobbs, who can imitate anybody if he tries, will do a skit," Charlie Wood, class president, said yesterday. Hobbs has not announced just what his skit will be, but if it is anything like the Kay Kyser skit last week-end, it'll be good," Wood continued.

The business for the class meeting is to pass the budget for this year. "Our class has always cooperated heretofore in connecting class business and it is my hope that this spirit will prevail at the class meeting," Wood emphasized.

Toms Makes First Solo Appearance At Freshman Assembly

John E. Toms, noted tenor and director of the girls' and men's glee clubs, made his first solo appearance of the fall quarter at freshman assembly yesterday. He was accompanied on the piano by Harold Cone. "Cargoes" by Tom Dobson was the first number, followed by "I'll Sing Thee Songs of Araby" by Frederick Clay. The romantic voice and the contrast of tones in this selection brought more applause than any other number.

The next piece, "Zeignung," (German) or "Devotion" (English), was composed by Strauss. Toms held the attention of the audience by singing this number entirely in German.

GLEE CLUB WILL LEAD SONG FEST AT VPI PEP RALLY

Students To Be Made Familiar With Many Songs

More attractions have been added for the VPI pep rally to be staged by the University club tomorrow night, when it was announced yesterday that the Glee club will lead the singing of the many songs on the program, and that the fireworks which were bought and not used for the Duke rally, will provide aerial display.

The long rumored song is still shrouded in mystery, but there definitely is a new Carolina spirit song in the making.

Since many of the songs to be sung are relatively unfamiliar to the present classes of students here, it was felt that the addition of the Glee club to the program would provide a help to the successful singing besides providing a means of entertainment as well.

IRC Votes In New Members To Bring Enrollment To 60

All students who had applied for membership in the International Relations club were voted into the club at the monthly business meeting last night, with the requirement that they attend every business meeting and two out of three of the discussions, except when having a legitimate excuse.

This addition of new students to the club roll brings the membership up to sixty. The names were presented to the club by John Rankin, chairman of the membership committee. (Continued on page two)

FROSH PRESIDENT APPOINTS 74 TO CLASS COMMITTEES

Bill Shore Forms Two New Groups To Help Carry Burden

Bill Shore, recently-elected president of the freshman class, last night announced chairmen and members of the various committees of the first-year class. Two new committees were formed, ways and means and publicity, both to assume responsibilities and to carry on the work of an active administration. The right to sit in on and address the executive committee meetings was conceded to each chairman.

In making the committees public, President Shore made the following statement:

"I have endeavored in all my selections, to be meticulously careful as to ability, character, activeness, and general fitness for the position in question.

HEAR YE, HEAR YE

"I have selected Larry Lerner as chairman of the dance committee because he is undoubtedly one of the most capable and brilliant men of the freshman class. He has been most instrumental in my campaign and election. His past experience in sponsoring social functions will best qualify him in this capacity.

"Larry Stern will head the executive committee because of his valuable campaign aid and unusual executive ability. He was president of the student body of his high school, and left an enviable record.

"Everett Lindsay has been selected as chairman of the publicity committee because of his unusual journalistic ability, and his keenness in directing publicity.

"Fletcher Mann has been put in charge of the program committee because of his originality, his oratorical ability, and his unceasing efforts during the past campaign.

"Arthur Clark is the chairman of (Continued on last page)

ARMSTRONG SAYS HIGH SCHOOL DAY PLANS FINISHED

12,000 Secondary School Students To Be Here Saturday

From Chairman Roy Armstrong's office came word yesterday that extensive plans are almost complete for North Carolina state high school day, to be held on the campus Saturday. With over 12,000 secondary school students being the guests of the University at the VPI game, the problems of food and entertainment have taken on an air of the novel.

Swain hall will open its doors at 10 in the morning to cater to the incoming crowd, while stands will be open serving picnic lunches for the students at a nominal cost of 25 cents. In this way, the food problem will be solved jointly by the Book exchange, Swain Hall, and the Carolina inn cafeteria.

The old well will be the center of activity, with an information booth being set up there. Mrs. M. H. Stacey, director of the ladies' hospitality, announced yesterday that about 200 girls would assist in welcoming the secondary school delegates. In coordination with a large group of male undergraduates, the coeds will aid in guiding the guests about the campus.

Pete Ivey, prominent member of last year's student body, will conduct a "man-on-the-street" broadcast, centering around high school day.

Roy Armstrong is chairman of the affair, being assisted by L. B. Rogerson and G. B. Phillips. The complete lists of committee members consists is, traffic and grounds committee, P. L. Burch and Arthur Hollett; food arrangements committee, E. F. Cooley, J. S. Bennett, Leigh Skinner and Bob Magill; girls' hospitality committee, Mrs. M. H. Stacey, Mrs. Irene Lee, Mrs. Victor Humphreys, Mrs. Elle G. Hrademan, and Miss Elizabeth Malone; men's hospitality, H. F. Comer, T. E. Hinson, J. H. Blow, and Charles P. Wales; entertainment, J. M. Saunders, E. R. Rankin, Earl Slocum, Fred Weaver, Jim Joyner, and Fred Rippey; ticket distribution, G. E. Shepherd, R. A. Fetzer, G. B. Phillips, Roy Armstrong, and Edwin S. Lanier; town arrangements, E. Carrington Smith, George B. Hellen, L. J. Phipps, and J. L. Caldwell; publicity and information committee, R. W. Madry, Miss Daisy Ross, Mrs. Jean Rankin, and Ben Husbands.

PROTEST RALLY TO BE CALLED IN BEHALF OF BARKER

Committee Charged With Dictatorial, Olympian Methods

Dr. E. J. Woodhouse of the University political science department and other Democratic leaders of the sixth Congressional district plan to call a rally in protest to the method of nomination of Carl T. Durham of Chapel Hill to take the place of Judge Lewis E. Teague who died last Thursday.

The call will be issued later in the week for a meeting either the last of this week or the first of next. Graham courthouse has been tentatively set for the meeting place.

CHARGES MADE

Charging that dictatorship and such high handed measures were used by the district committee in its selection of a candidate, no matter how able the man chosen, Dr. Woodhouse yesterday issued a statement that the 15,700 votes cast for Oscar G. Barker of Durham in a runoff primary with Teague could not be disregarded.

Hearing last night of the protest meeting Carl T. Durham, committee nominee, said that he had not sought the office and that as this was a free democratic country he had no objection to any sort of meeting being held in the district.

When questioned last night O. J. Coffin, Orange county committee member and head of the University journalism department, said, "I am willing to let the action of the committee speak for itself. The question of a candidate was before the district committee, now it is before the voters.

In regard to Dr. Woodhouse's statement his only comment was that he was sorry to have given Einstein or Dr. Henderson any disquiet but that Euclid was welcome to any torment, and the same went double for Pythagoras.

TEXT OF STATEMENT

Text of Dr. Woodhouse's statement is:

"A new method of counting ballots has come into the United States and arisen apparently in staid old North Carolina, for those who put it forward have not as yet given word of any outside source of aid for their discovery. In short it is a method by which FOUR voters, or perhaps even a majority of them, may outvote nearly 16,000 voters and "nominate" or "elect" or "dictate" a representative in the Congress of the United States.

"This is truly a great mathematical advance. Einstein and Dr. Archibald Henderson will turn green with envy because this makes their theory of relativity look so simple, easy and lacking in results.

"Euclid will turn over in his grave and cry out, "Oh why did I ever invent or disclose my poor geometry and leave it in the world to be discredited by this amazing and stupendous system of these three or four great Olympians sitting in Greensboro on October 31 and November 1, 1938.

"Magic, you ask. No. There is no magic in section 6053 of the code of North Carolina but under it they did just what is described above.

DON'T BE SILLY

"Did the Big Four consult anyone else? Don't be silly! Demigods and dictators don't have to ask anyone, even about how thousands of voters would vote for someone who has never been before those thousands of voters.

"Some of us in our trustful ignorance went before the high and mighty Quadrumvirate in Greensboro and they benignly and patiently listened. (Continued on last page)

Help Wanted!

Thirty WCUNC sophomores, who have been invited by the sophomore cabinet of the YMCA to the VPI game Saturday, are without dates. Woman's Association, Grail To Hold Dances This Weekend

Bids On Sale Today And Tomorrow For Coed Frolic Friday

Bids for the coed dance tomorrow night are on sale this afternoon and tomorrow afternoon from 3 to 5 o'clock in the Woman's association room on the first floor of Graham Memorial. Escort bids are a dollar, stag bids may be bought for 50 cents.

It has been announced that stag bids may also be approved and purchased through coeds.

Jeep Bennett, his clarinet and his orchestra, a local band which got its start last year and which is rapidly making its way into place as a campus favorite, will play. The affair is to be given in the Tin Can from 9:30 until one o'clock.

Glee Club Concert To Feature Grail Informal Saturday

Jeep Bennett, his clarinet and his orchestra will perform at the Order of the Grail dance in the Tin Can Saturday night. Also featured will be the glee club concert at intermission, Billy Campbell, president of the Grail, announced yesterday.

The dance, which will be informal, will be held from 9 to 12 o'clock. Tickets may be obtained at the door. Admission will be one dollar.

The affair will be final event in the program planned for entertaining visitors attending the North Carolina high school day. Decorations will be arranged through a joint agreement of the Woman's association and the Order of the Grail.
