## University Party Releases Sophomore Slate

### BAND TO PRESENT VARIED PROGRAM TONIGHT AT HILL

#### Slocum To Direct Organization In Winter Concert

The University Band, under the baton of Professor Earl A. Slocum, will make its first public appearance for the winter quarter tonight in Hill Music hall at 8:30. The 80 musicians have in store a varied program, designed to please everyone present.

Novelties, light and fantastical arrangements, as well as some of the most famous symphonic selections will be included on the program. Lucien Cailliet has developed the theme of an instrumental novelty, "Pop Goes The Weasel," into seven different styles which will be given by the entire band.

#### MANY NUMBERS

Tchaikowsky will be represented during the evening's performance by the playing of "Pathetique" Symphony which is generally regarded as his best composition in this medium.

Director Slocum's special arrangement of Mozart's "Marriage of Figaro" will also be played by the largest unit organization on the campus. This overture, most performed of Mozart's operas, is vivacious in character and is particularly adaptable to the symphonic band.

A number that promises to please the entire student body is David Bennett's modern composition, "Rhapsody in Rhumba." The drum section will be brought out in this selection which is a bit jazzy and has enough modern swing mixed within to make any jitterbugs present take to their feet.

#### SANDIFUR

Dale Sandifur, graduate assistant in the music department, will be featured as soloist during the program. He will play Greig's arrangement of "Piano Concerto" and will be accompanied in the background by the other members of the band.

Other numbers to be presented on the concert include "Las Sorella March" by Borel-Clerc, Bach's "Prelude and Fugue" in D minor and the

### LOUISE WALKER NAMED DI HEAD

#### Officers Chosen For Spring Term

For the second time in the history of the 144-year-old Dialectic senate a University coed was elected to the head of the debating society when Miss Louise Walker was unanimously elected president for the spring quarter at an executive session last night.

Other officers elected were Senators John Bonner, president pro-tem; Ed Kantrowitz, critic; Robinson Woodward, sergeant-at-arms; and Miss Mary Lewis, clerk.

#### COMMITTEE REPORTS

Reports from the special committees were presented at the session and Senator Harry Gatton, chairman of the picture committee, reported that the portraits will be placed on the wall in the near future. President Walter Kleeman appointed Senators Bill Smith and Bill Schwartz to serve on the committee with Senator Gatton.

Six new members were initiated before the session so that they would be able to take part in the election. Pictures for the Yacket-Yack taken at the meeting several weeks ago were not suitable and a new picture will be taken on the steps of South building tomorrow morning at 10:30.

### Graham Memorial To Hold Concert

Graham Memorial will hold its weekly concert of recordings in the lounge at 5 o'clock this afternoon.

On the program will be included Mahler's Symphony No. 2 in C Minor and Rimsky-Korsakoff's "Sheherazade Suites."

### Play Concert Tonight In Lone Appearance Of Quarter

The University band, pictured above, makes its lone appearance of the quarter tonight in a concert in Hill music hall. The band, the largest unit organization on the campus with 80 members, and under the direction of Professor Earl A. Slocum, will play both classic and light music in presenting a varied program.

### BILL ALEXANDER AND W. T. MARTIN TO LEAD TICKET

#### Steering Committee Also Names Hobbs, Reece, Whitaker

By DONALD BISHOP

The Freshman class took its initial bow in upperclass politics yesterday when the University party announced completion of its slate for officers of next year's sophomore class.

Bill Alexander, freshman basketball player and class dance committeeman, was chosen to represent the party in the presidential contest, Chairman Studie Ficklen announced. W. T. Martin, president of the Freshman Friendship council, was nominated for the sophomore student council seat.

Rounding out the slate are Charles Reece for vice-president, Ridley Whitaker for secretary, and Truman Hobbs for treasurer.

#### TOTAL

Addition of the five candidates to the 1939 political bee increased the number of University party candidates in the field to seven. Candidacy of Jack Fairley, junior student council member, for the student body vice-presidency was announced yesterday. Previously the campaign had been officially opened when the University and Student parties jointly announced James Davis for student body president.

The University steering committee, composed of 11 fraternity representatives and 12 non-fraternity men, said they regarded the sophomore slate as well-rounded and qualified from the standpoint of experience in student government.

#### ACTIVITIES

Alexander's executive training began in his high school days when he attended Central high school, Moores

## Student Party Delegates Meet Tonight

### REPRESENTATIVES TO MAKE SEVERAL NOMINATIONS

#### Chairman Britt Reasserts Stand On "Democracy"

By CARROLL MCGAUGHEY

Nominations to several responsible campus positions will be made tonight as Student party delegates convene at 8:30 in Phi hall for their second and final convention of the quarter.

Party chairman Mitchell Britt, although he would not indicate which offices are likely to come up for consideration, indicated that the meeting will probably be one of the most important of the current political campaign.

#### TRUE DEMOCRACY

"Delegates to our conventions," Britt said, "have been elected by the groups which they represent in accordance with democratic principles. We are thus giving the campus as a whole a fair and direct opportunity to exercise its power of self-government, and are confident that by this method the most able men will be selected to fill the various offices."

Party representatives have been chosen from each dormitory floor, from each fraternity affiliated with the party, and from groups of town students.

#### CHOSE DAVIS

At its first convention of the year the Student party selected Jim Davis to head its slate as president of the student body, the only office considered by the party to date.

Britt said that the short time remaining before final examinations will prevent any further party meetings this quarter, but that the campaign will hit its full stride immediately following the spring holidays.

## Committee Sets Dates Of Dorm Dances For March 31, April 1

### Orchestras, Place For Annual Affairs To Be Named Later

Members of the Interdormitory council last night announced March 31 and April 1 as the dates for a set of three week-end dances for all campus dormitory residents. The set will consist of two evening dances and a Saturday afternoon tea dance.

One of the campus bands will provide the music for the Friday evening dance, with an out-of-town orchestra taking over the honors for Saturday's set.

Sponsors of the affairs will be the 12 dormitory presidents and the president of the Interdormitory council.

#### OPEN HOUSE

Following the dance Saturday night an open house will be held in Graham memorial in honor of the dormitory men and their dates. Stags will not be admitted to the open house.

Couple bids may be obtained free of charge, and stag bids may be had for a nominal fee. Bids may be obtained from the councilors on each floor of the various dormitories.

Both the orchestras and the place of the dance will be announced at a later date, according to Jack Vincent, chairman of the Dance committee.

#### BANQUET

Friday night's dance will be held from 9:30 to 1 o'clock, preceded by a banquet at Swain hall for all members of the Interdormitory council. Saturday's festivities will open with the afternoon's tea dance from 4:30 to 6:30, followed by the dance that evening from 9 to 12 o'clock.

All dormitory residents are invited to the entire set of dances.

### PETERSON TO GIVE POOL EXHIBITION TOMORROW NIGHT

#### National Billiard Groups To Sponsor Pro Cue Champion

Charles F. Peterson, national fancy shot billiard champion, will be presented in an exhibition of trick and fancy shots and unusual pocket shots when he is sponsored at Graham memorial tomorrow night at 8 o'clock by the National Billiard Association of America together with the Association of College Unions.

Peterson, who has been acclaimed all over this country and in Europe, is declared the best fancy shot man currently exhibiting and has been presented in exhibitions in 132 colleges before audiences of approximately 70,000 people during the past year. He is now on a tour of colleges in the East and will come here from a series of showings at the larger colleges in the northeast.

#### TRICK SHOT EXPERT

Said to be the world's foremost exponent of the trick shot, Peterson has recently been trying to determine the interest now being shown in billiards by college students all over the country. From his observations so far he reports that widespread interest has been created and that it is growing steadily. Further, he reports that interest in the game has rapidly been taken by co-eds at all of the colleges and universities which he has visited this year. Women students, he says, are taking up the game and find it most beneficial from a standpoint of coordination as well as exercise.

## Interfrat Council Releases House Drinking Regulations

### Phi Votes Against Reduction Of Fee

Evidently the members of the Phi assembly have plenty of extra greenbacks in the old wallet. At least eleven of the representatives do.

The reason: Last night, by a vote of 11-8, the assembly decided not to reduce the membership fees from two dollars a year to one dollar.

The bill, introduced by Al Rosen, brought forth a great deal of comment both pro and con. Those against the bill believed that the treasury, which is in a deflated condition even with the present fees, would not be adequate to take care of the financial obligations of the assembly.

#### SALE OF ARMS

A question pertinent to international affairs was discussed in the second bill. Introduced by Representative Sloan, the bill concerned the sale of

### Body Will Act As Court To Try All Infractions

Rules governing drinking in fraternity houses were released by the Interfraternity council last night following a meeting of that body.

The rules were adopted by the council last week after having been submitted and accepted by the individual houses during the previous week. Council members last night drew up and accepted a code of rules governing penalties for the new laws. The entire code goes into effect immediately.

#### NEW LAWS

The three new laws provide that:

- (1) There shall be no bars in fraternity houses.
- (2) There shall be no organized parties sponsored by fraternities at which intoxicating beverages are served. (An exception to this rule allows fraternities to sponsor stag beer parties)
