Students, Faculty Will Celebrate Today

FACULTY GROUP DELAYS ACTION ON SUSPENSIONS

Committee Has Power To Over Rule Council

After meeting for over three hours yesterday afternoon, a committee composed of eight faculty members was unable to reach a decision in considering the appeal of two University students recently suspended by the Student council and will continue the study of the case today.

The case, involving the suspension of a senior and freshman, arose in connection with certain circumstances dealing with the campus election. The two students were suspended by the council for lying in the matter.

Taking the only alternative left to them, the students have appealed to a faculty committee, asking for reinstatement. The committee has the power to reverse the Student council's decision if it desires.

Members of the committee are: W. C. George, chairman, and John W. Lasley, administrative appointees; W. D. Perry and William Wells, appointed by request of the freshman; A. C. Howell and W. J. E. Crissey, appointed at the request of the senior; and E. L. Mackie and C. P. Spruill, appointed by the Student council. Fred Weaver is acting secretary of the group but has no vote.

Eventful Day Is Outlined By Cruikshank, Wales

By LOUISE JORDAN

Symbolizing the better relationship between the faculty and the student body, the king and queen of Student-Faculty day will be united in a wedding ceremony this morning at 10:30 in Memorial hall. No classes will be held during the day and the day's festivities will be in honor of the bride and groom.

The names of the king and queen have been a secret of the committee which is under the chairmanship of Olive Cruikshank and Puddin' Wales. Edna Hines Bynum and Dr. Harold Meyer are in charge of the coronation wedding which is being sponsored by the Playmakers.

The coronation program will include all the traditional characters and costumes of a wedding ceremony and it is rumored that the minister and the remainder of the bridal retinue will be as big a surprise as the bride and groom themselves.

OPEN HOUSES

Immediately following the coronation at 11:30 the dormitories will hold open-house for the faculty members, the administrative staffs, and the coeds. All groups are urged to visit as many of the dormitories as possible and the same invitation applies to the fraternity receptions in the afternoon from 4 o'clock until 6.

Luncheon dates have been made by the students with all faculty members, their secretaries and others who are closely connected with student life through the University club. Reddy Grubbs, newly elected president of the club, has worked with Jimmy Davis, past-president, and Dr. H. K. Russell, who are chairmen of the luncheon committee, in making preparations. Lunch will begin at 1 o'clock.

In the early afternoon a large recreation program is being held under the control of intramural managers. Sports events of softball, horseshoe-pitching, and tennis will be on the calendar.

JAMBOREE

Topping the day will be a mammoth jamboree in Memorial hall at 7:30. Seven acts predict the affair to be the best ever produced. Swing music will be furnished by two leading campus dance bands.

Immediately following the jamboree, the climax of Student-Faculty day, the fancy costume ball, will begin in the Tin Can with Freddy Johnson and Charlie Wood on hand to provide the music.

Business Staff!

Members of the TAR HEEL business staff will report for work this morning at 10:30.

KRENEK TO GIVE RECITAL FRIDAY

Pianist Will Also Deliver Lecture

Ernest Krenek, internationally known pianist, composer and author, will be presented here Friday night at 8:30 o'clock in a lecture-recital under the joint sponsorship of the music department and of Graham Memorial.

Krenke, who has just come to this country, is known in Europe as a noted composer, his best known opera being "Johann Spielt Auf." He began composing at the age of 19 and has since produced several operas which have been presented in Berlin, Vienna, Brussels, Zurich, Warsaw and Praha.

A graduate of the University of Vienna, he then studied under Franz Schreker, famous conductor and composer, and also at the State academy in Berlin. His latest opera, "Karl V," is now being enthusiastically received in Praha.

Local musical instructors and authorities consider the community exceptionally fortunate in securing Krenek and predict the event to be quite successful.

Due to the noise it creates, there will be no bowling that night.

Mammoth Jamboree Will Be Staged Tonight; Two Bands To Swing For Gala Costume Ball

Seven Acts, Two Bands Are On Jamboree Program

With seven skits featuring all of the campus funny men, the music of number one and two bands, Charley Wood and Freddy Johnson, Student-Faculty day will draw near a hilarious close this evening in Memorial hall at 7:30, when the annual jamboree is presented. Credit for this year's show is due to Elmer Nance, the student producer, Walter Spearman, faculty co-producer, and Wally Dunham, chief director.

The jamboree will open with a skit entitled, "La Ballet de Registration," directed jointly by Bill Robertson and Carroll McGaughey. Following will be an act by several girls from the Shack, headed by Jo Martin, and entitled "The Girls from Spencer." Bill Stauber, next year's Buccaneer editor, will then present a monologue concerning "The Perils of Pauline."

Henry Nigrelli, Don Rosenberg and Lincoln Kan will be featured in a skit the title of which is shrouded in deep mystery. Following this act will be the annual thriller, "The Famous Bathroom Scene," written, directed, and played in by Wally Dunham. Alonso Squires will also be on hand with a whole new set of imitations.

GYPSY ROSE DUNHAM

Wally Dunham will again return for the final sequence of the evening's fun, when he presents a large cast in "Sweet Sixteen." SPORTS VARIETY BIG FEATURE OF TODAY'S SLATE

Everything Starts At 2:30 O'clock With Softball

Drug store business should reach a new high in alcohol and other rubbing liniment tonight as a result of the athletic festivities of the fifth annual student faculty day celebration.

This year the day will be featured by a variety of sports including playground ball, horse shoes, and tennis.

START AT 2:30

Today's athletic activities will start at 2:30 with six playground ball games. Tops in these games should be the coed-secretary game, and the Physical Education faculty-Order of Grail games. The coeds meet the secretaries on Coed field No. 1, with the school girls favored to triumph because of superior training gained in physical education classes. The Physical Education faculty is favored to hand the Order of the Grail one of the worst beatings seen on the campus this year. In its two previous starts the Physical Ed faculty gained easy victories, due to the brilliant twirling of Pete Mullis and the hard hitting of the entire team. Other playground ball games are included in the intramural schedule and should be of top ranking entertainment. At 3:30, House and Comer, representing the faculty, will meet Joyner and Woodson, of the students, in a horse shoe tournament. The tennis courts will be available all day for the use of the students and faculty.

Smith Releases Rules, Regulations For Art Exhibit

Russell T. Smith, head of the art department, released yesterday the rules and regulations for the third annual student art exhibition to be held in Person hall art gallery from May 20 to June 7. Entries may be made in oil painting, watercolor or tempera painting, drawing in any medium, print-making in any medium, sculpture, and photography.

Four Contests To Be Held At Tin Can Dance

With the orchestras of Charley Wood and Freddy Johnson on hand, the annual Student-Faculty Variety ball will be held this evening from 9-12 in the Tin Can. Impersonations will be the order of the evening as several contests are planned to award prizes to the best costumed dancers.

There will be four individual contests: for those impersonating movie stars, political figures, literary characters, and all others not in these three categories. Special student-faculty committees, whose identity is unknown, will be stationed about the Tin Can selecting the finalists in the four competitions.

No restrictions bind the dancers as to their dress, just as long as they come dressed as anyone but themselves. The winners will be determined by the amount of applause each of the finalists receives from the crowd.

HEIL GHANDI!

Reports were received yesterday that Hitlers, Mussolinis, Ghandis, Chamberlains, Queen Wilhelminas, Wallies, Mrs. Roosevelts, will be present in the political group. The movie stars will feature Dorothy Lamours, Wallace Beery's, Mae Wests, Stepin' Fetchits, Dopeys, Snow Whites, Ferdinands, and Popeyes.

In the literary division, Scarlett O'Haras, Rhett Butlers, Uriah Heeps, Simon Legrees, Robinson Crusoes, Huckleberry Finns, and Anthony Adverses, will take their bows accordingly. It was warned, however, that no Lady Godivas would be admitted, maybe.
