Senators Discuss Proposal To Elect "Whip" For Group

Failing to take action on the bill which appeared upon its calendar for discussion, the Dialectic senate last night discussed at length a proposal made by Senator Bob Woodward for the election of a "whip" by the senate.

Senator Woodward proposed that the whip be elected by the senate but that the office should not be provided for in the senate constitution. His duties, Senator Woodward said, would be primarily the stimulation of interest among the senators in the activities of the organization. He would also have the power to call to the attention of any officer in the senate that he was failing to carry out the duties of his office.

OPPOSITION

Senator Ed Kantowitz opposed Woodward's proposal stating that a

Advance Sale Of Series Bids To Begin Today

Negotiations to obtain Isham Jones and his orchestra to play for the Thursday night dance of the Finals set were begun yesterday by the German club, Louis Sutton, secretary-treasurer of the club, announced last night.

The internationally-known orchestra is being considered by the committee, and definite arrangements will be made at a meeting this afternoon. If Jones' orchestra is secured, it is possible a campus concert will be given Thursday afternoon.

ADVANCE SALE

Advance sale of series invitations will begin this afternoon and will last about a week. Members of the German club may secure bids for \$9 during the advance sale. Non-members may join the organization by paying the initiation fee of \$1 for seniors and \$5 for undergraduates.

The Finals series, to be held June 1 through June 3, will follow this schedule: Thursday, possible concert, and evening dance from 9:30 to 1 o'clock; Friday, tea dance from 4:30 to 6:30, and evening formal from 10 to 2 o'clock; Saturday, tea dance, 4 to 6 o'clock, and final formal, 9 to 12 o'clock.

OTHER BANDS

Jimmie Lunceford and his orchestra will play for the Friday dances, and Will Osborne will perform for the Saturday affairs.

Members of the German club executive committee who are in charge of the advance sale of invitations are as follows: Harold Sager, Beta Theta Pi; Louis Jordan, Sigma Chi; Billy Worth, Sigma Alpha Epsilon; John Moore, Delta Kappa Epsilon; Charles Lynch, Sigma Nu; Bill Davis, Kappa Sigma; Junius Tillery, Kappa Alpha; Johnston Harris, Phi Gamma Delta; Bill Campbell, Phi Delta Theta; and Bill Raney, Alpha Tau Omega.

Future Teachers To Meet Today

A state meeting of Future Teachers of America will be held at Duke university today at 11 o'clock. Delegates from twelve teacher training institutions will be present to participate in the activities.

The University chapter will send a delegation of five representatives: Willis Sutton, Jr., president of the local club; Shelley Horton, Jr.; Joe Holman, secretary; George Ralston; and Professor G. B. Phillips, faculty adviser of the local club.

Feature Board

All members of the feature board must report to the DAILY TAR HEEL office today at 2 o'clock. Unless they have a valid excuse, those who do not show up will be dropped from the staff.

New Prexy

Above is Studie Ficklen, Sigma Nu, who was elected last night to head the Interfraternity council next year. Ficklen was recently elected president of the German club, and is a member of the Carolina Political union.

FICKLEN TO HEAD INTERFRAT GROUP FOR COMING YEAR

Council Recognizes Omega Beta, New Local Fraternity

Accepting a petition for a new Omega Beta local fraternity on the campus, and selecting a new slate of officers, the Interfraternity council last night elected Studie Ficklen, of Sigma Nu, the president for the forthcoming year. Other new officers are: Chris Siewers, of Beta Theta Pi, vice-president; Horace Richter, of Tau Epsilon Phi, secretary; and Tom Long, of Kappa Alpha, treasurer.

The Omega Beta fraternity has already been organized locally, but intends, in the near future, to apply to the Pi Lambda Phi national fraternity as one of its chapters. The four signers of the petition were L. James Schleiter, Alfred Buck, Harold Warshaw, and Robert Lerner.

In being elected to his office, Ficklen won over Phil Walker, of Chi Psi, by a large majority. Walker was again nominated for vice-president, but was once more defeated, this time by Chris Siewers. Hyman Phillips, of Zeta Psi, ran against Horace Richter, while Walter Clark, of Phi Delta Theta, was nominated and lost to Tom Long for the position of treasurer.

This year's officers were John Clark, of Phi Gamma Delta, president; Allen Truex, of Phi Kappa Sigma, secretary; Albert Maynard, of Phi Delta Theta, treasurer; and Willis Hancock, of Zeta Psi, dance committee representative.

Partial Returns Are Released In Professor Poll

The tabulations of the "grade your prof" poll began again yesterday afternoon with the arrival of Miss Doris Goerch who ceremoniously placed the coed stamp of approval on Dr. Hugh T. Laffer's name with a kiss of non-indelible lipstick. This marks the first time that Dr. Laffer's rating has been in the red.

The rest of the professors received less colorful grades, the marks remaining fairly consistent. Dr. Zimmerman held his early lead over the other members of the faculty with a preponderance of "A's" and "B's". Several hygiene instructors came through with flying "E's" and "F's" and some side comments that cannot be reproduced here.

UNTIMELY END
Yesterday the tabulations were brought to an untimely end for the day by the Grill's own Sam Morton who announced that the tables were needed for a banquet at 5 o'clock. Thus, the 42 cardboard sheets had to be taken up and put to rest for another day, allowing the Feature board members to knock off work and take in the ball game.

There are still a number of questionnaires that have not yet been handed in to the DAILY TAR HEEL office. In order to conclude the tabulations as soon as possible, the staff requests that those students who still have some questionnaires either bring them to the office or phone 4351 for someone to collect them.

SSS PROM, FIGURE ARE BIG SUCCESS

Gilmore Loses Bet; Johnson, Band Play

Seniors, their dates, and others went 'hog wild' over the Saddle-Shoe Stomp held on the lower cement tennis courts last night. The stomp initiated a new idea—that of having dances in the open by the light of the moon and stars—in dancing at Carolina.

A feature of the evening was the "SSS" figure. Bouquets for this event were made up of carrots, celery, spinach, lettuce, and various other vegetables furnished by the Model market. They were bundled together and tied with ribbons bearing the University colors—blue and white.

PARTICIPANTS

Participants in the figure were members of the Senior week committee with their dates and seven other couples who were tapped during the early part of the stomp. Those on the committee and their dates were Chairman Allen Truex with "Diamond Lil" Hughes; Jane Hunter with "You'll Be Surprised" Gilly McCutcheon; Bill Innes with "Sweet Susie" Fountain; Will G. Arey, Jr., with "I-Love-You-Really-And-I-Do-Mean-You-Chi-Omega" Virginia Kibler; Mac Allen with "We Really Are Lousy" Mary Ann Koonce; Willis Hancock with "Cheltham House" Mary McCall; Bill McCachren with "I Am Not 135 Pounds" Peggy Holmes;

TAFT ENGAGEMENT TO SPEAK FOR CPU IS CALLED OFF

National Crisis Forces Senator To Cancel Date

Senator Robert A. Taft yesterday notified the Carolina Political union that because of the crisis in national affairs he will be unable to appear on its platform here this month.

After announcing Taft's decision, Voit Gilmore, chairman of the union, stated that, because of the crowded campus schedule for the remainder of the quarter, his group would undertake no more programs.

Following the election of new CPU officers next week, plans for next year's program of speakers will be begun at once, Gilmore said. Prominent men scheduled to speak here for the union during the past two quarters, but who were interrupted by unexpected events included Boake Carter, Treasury Undersecretary John W. Hanes, Jan Masaryk, Alf Landon, William Allen White, and Secretary of Interior Ickes.

MAYBE NEXT YEAR

Gilmore said yesterday that correspondence with all in the group who failed to come shows their willingness to visit Chapel Hill during the next school year if conditions are favorable. The fact that 1939-40 is a pre-election year will increase the opportunities for having political spokesmen, he said. In addition, there are a number of other prominent statesmen and diplomats who will be asked to speak for the CPU.

The union is compelled to suit its schedule to the convenience of its speakers and frequently to suffer the inconvenience of broken engagements because of the fact that it pays neither honoraria nor expenses to its guests. For that reason, too, Gilmore said, it is generally difficult to get a speaker, of the calibre the union seeks, to commit himself to a definite date more than three weeks in advance.

Placement Director Announces Vacancies

S. W. J. Welch, director of the University Placement bureau, announced yesterday that the Mutual Life Insurance company of New York and the Auto Finance company of Charlotte have vacancies to be filled by college students.

Students whose homes are in the vicinity of New York are requested to drop by Welch's office for further details. The company promises financial assistance during the early months of the beginner's work.

Commerce students interested in applying for a position with the Auto Finance company are asked to secure application blanks at Welch's office.

CPU Nominations Are Today At 1:30 In Graham Memorial

The Carolina Political union will meet at 1:30 this afternoon in the Grail room of Graham Memorial to nominate officers for next year. Election will be held next week.

Chairman Voit Gilmore said that although the eight new members accepted by the union last week are not eligible to vote their attendance is expected today.

Junior Softball Men

All juniors interested in playing in the junior-senior softball game are asked to get in touch with Cy Jones or to report at the coed field at 3 o'clock this afternoon, Charlie Wood, junior class president, has announced.

Softball Classic Begins At 4 O'clock On Intramural Flat

Today's Senior Week festivities will begin on the intra-mural flat this afternoon at 4 o'clock when the titanic struggle of the century will be waged between the junior and senior class baseball nines. Closing today's events, there will be a Junior-Senior stunt night at 8 o'clock.

From the ranks of the junior and senior classes, will come a galaxy of baseball stars, the like of which has never been seen before on historic Carolina campus. Coaches Bud Hudson and George Nethercutt, when interviewed last night, guaranteed that "the seniors will be in full fighting form, primed and cocked for the not-as-yet-taken-down juniors."

The seniors are counting on such stars as "Jarring Jim" Joyner, "Big Steve" Maronic, "Squat" Eutsler, "Jimmy the Jeep" Peacock, Horace "Horse-collar" Palmer, Fran "No-hit" Gordan and Ed "j-boy" Niven. From the junior dugout, we find the line-up to be a killer-diller with such outstanding players listed as "Wild-Bill" Blacklock, Harry "Snake" Driver, "Big Ben" Hunter, the Nisbet sluggers, Mac and Preston, Walter "Brick" Wall, Ed "One-Punch" Dickerson, "Bunk" Anderson, Richard "Fish" Worley, and Walt "Blondie" Clark.

Extra bleachers are being erected to take care of the record-breaking crowd expected, and negotiations have been under way for several days to get Boss Hill to umpire the diamond classic.

A late report, issued by the senior coaching staff, stated that the senior team left immediately after the Saddle-Shoe Stomp last night by special bus for Sanford. They said that "this precaution was taken in order to relieve the team of the pre-game strain."

Coeds To Receive Athletic Letters For Year's Work

Miss Kathryn Fleming, retiring president of the Woman's Athletic association, announced at a meeting of the Woman's Athletic council yesterday that letters and symbols will be awarded coeds who have participated in coed sports during the past year. A total of 40 awards will be made in tennis, bowling, swimming, fencing, basketball, and archery.

PLANS

Plans for a swimming match between sorority and non-sorority coeds were discussed for next week. A tennis tournament will be held later in the quarter.

Members of the council are: Miss Fleming, the Misses Adele Austin, Ruth Parsons, Anne Moore, Anne Buchan, Jean Breckinridge, Mary Lewis, and Terrell Everett.

Men Must Be In Rooms By 9 O'clock; Permission Required To Go To Beer-houses

By JO JONES

It's against the law for any student to go to Harry's, the Tavern, or the University cafe without permission from a member of the faculty. Nor may he go to Brady's and between the hours of 9 o'clock at night and 7 o'clock the next morning without permission from President Graham.

This is provided for in the latest compiled edition of Acts of the General Assembly and Ordinances of the Trustees for the organization and government of the University of North Carolina.

PERMISSION REQUIRED

The acts state that no student shall go to a tavern, beer-house, or any such place, for the purposes of entertainment or amusement, without permission from some officer of the college. No student may leave his room be-
