## PLAYING THE GAME

With LEONARD LOBBED

Although their intercollegiate program for the school year is over, many of Carolina's athletes will be active during the summer in big-time tournament competition.

Members of the track team already are planning a big trip west which will carry them through two national meets. First on the schedule is the National Collegiate to be held in Los Angeles Coliseum—the stadium in which the 1932 Olympic Games were held—on June 16 and 17. Second is the National AAU meet in Lincoln, Nebraska, July 3 and 4.

The athletic department has made application to the National Collegiate Athletic Association for expense allotments and has made tentative entries for Bill Corpening, Bill Hendrix, Harry March, Jimmy Davis, Tom Crockett and Royce Jennings. Although it is expected that only two or three will be given expenses to the coast, those who do make the trip will stop off on the way home to try their skill in the AAU meet.

Last year Davis ran fifth in the Collegiate mile which was won by Louis Zamperini of Southern California in 4:08.8. Davis ran 4:15 then and later in the AAU meet he ran 3:58 to beat Leonard Spencer in the metric mile.

Having run sixth last year and missed a cup by one place, Andy Jones, leading two-miler last spring, is rumored to be aiming at a 10-mile marathon run in Washington, D. C., July 4. The event is the Takoma Park marathon.

Although only in their first year here, Carolina's swimmers are going in for the big-time competition during the summer. Fleming Stone, who as a transfer student was ineligible this season, will swim the 50-meter free style in the National Junior AAU meet at High Point July 28 and 29. Then in August Fleming, his brother Billy, and Otho Ross and George Meyer will compete in the Middle Atlantic Outdoor championships in Charlotte. Fleming Stone probably will swim the 50 and 100-yard free style races, Billy will swim the 220 and 440, Ross will swim the 200-yard breaststroke and Meyer will swim the 100 and 220.

Plenty of championship also should be on deck for Carolina's tennis and golf stars. Carl and Bill Rood, veterans of several Eastern net tournaments last summer, can be expected to do the same this year, and Charley Rider, Bill Rawlings and Eddie Fuller also should be fighting for tennis crowns in various tournaments.

Neal Herring and Hudson Boyd are set for the Southern Amateur golf tournament which will be held during the summer and Paul Severin, three-sport man, is primed for the Pennsylvania Amateur tourney. Other meets doubtless will attract several other linksmen.

That's all for this year, but we'll see you again next fall!

# Mural Track Goes Into Finals This Afternoon

The '39 Tar Heel Baseball Team Watches the Birdie

Those watching in the conventional order are: First row: Charlie Rich, Les Tomlinson, Cecil Wooten, George Ralston, Jack Vincent, Wash Turner, and Jimmy Howard. Second row: George Stirnweiss, Matty Topkins, Bud Hudson, Hal Bissett, George Nethercutt, Herb Karp, Sam Davis and Manager B. J. Lamb. Third row: Coach Bunn Hearn, Jim Brame, George Hirschman, Hal Jennings, Court Dawson, Bob Smith, Ben Browning, Elmer Sensenbach and Al Mathes. Back row: Jim Fitzgerald, Frank Cox, Jim Mallory, Bob Hermson, George Radman, Puddin Wales and Art Gill.

## Review Shows Pitching Is Drag On Hard-Hitting Diamondmen

By SHELLEY ROLFE

Bunn Hearn, bossman of the Tar Heels, finished the 1939 season Monday afternoon as his boys blew their third straight game to Duke for the third straight year as he had opened it last March—groaning over the lack of a good strong-arm pitcher to help the team over its many rough spots and out of its varied holes.

Hearn, who has been around the baseball scene, both professional and college, long enough to tell the difference between an average hurler and one of the strong-armed genus, searched in vain to find one good fireman, and there is evidence to show, that had he found one the chances are that Carolina might have taken at least two of the Duke games and perhaps a few other battles that were graciously frittered away during the various stages of the year.

As it was, the Tar Heels won 11, lost seven and staggered through to a .612 average for the season in spite of the Devil defeats and other collapses during the season. Given one good pitcher they might have taken at least five more games. Hearn almost had that animal last winter in John Mirabito, a left-hander who can best be described as a wow. But running afoul of a few eligibility rules, Mirabito decided to chuck college ball and try his luck with the professionals.

### HIT HARD

The Tar Heels hit hard enough and enough spirited ball to bring joy to the heart of any coach, finishing up with a shade better than .300 team average and with six of the eight regulars not including pitcher above the .300 figure.

George Nethercutt, co-captain and catcher, led the batters for the second straight season, hitting .488 after smacking .440 last spring. Nethercutt fell below the .500 mark after staying above it all season in the final Duke game, collecting only one hit. There was never any doubt about Nethercutt, he was the best catcher in college ball, hitting hard, fielding his position well, and getting the utmost out of the Carolina pitchers. George also led the team in runs batted in with 20.

Matty Topkins, finishing strongly after starting the season in the relatively unrespectable company of the low .200's, was second batter with a .387 stick figure. Other men above .300 were Hal Jennings, George Radman, who alternated between the outfield and the mound, Jim Mallory, Hal Bissett and George Stirnweiss.

### TEAM TOPS

The team was way above the usual college standard except for pitchers and anywhere else in the country except the Southern conference, where the best college baseball in the country is played, it would have been a

world-beater. The hurlers were good college chunkers, but in Wake Forest and Duke they were running up against strictly ordinary college teams. The Devils and Deacons pinned on five of the seven Tar Heel defeats, Duke taking three battles, Wake Forest two, and Virginia and State one apiece.

Bud Hudson was the number one pitcher on the team, winning seven and losing two games. He was knocked out twice—both times he lost. Bud finished out his college career with 15 victories and four losses in two seasons as a starter. He may not have been the best college pitcher in the country, but when his underhand balls were under control he was master of all teams. He even tamed Duke and would have won the first game except for the fielding lapses of his mates.

### DAVIS NO. 2

Sam Davis was number two chunker, winning two and losing four. Davis pitched in hard luck for two seasons and in the usual biffing Tar Heels in two straight games he lost made a grand total of five runs and 11 hits. Radman won two and lost one as a pitcher.

The infield was one of the sharpest in college baseball circles and probably outdistanced the Duke inner works in spite of the claims coming out of Blue (Continued on page 4, column 3)

## Crockett Batters Two-Mile Record With 9:35 Mark

Tom Crockett, captain-elect of Carolina's cross country team, bettered University, Fetzer field and Southern conference two mile records as he ran this distance in 9 minutes 35 seconds yesterday in practice.

This time is better than the school record of 9:38.1 set by Johnny Henderson in 1928 and also eclipses the conference and field mark of 9:40.4 set by Crockett last Saturday in the conference meet. He ran his first mile in 4:41 and his second mile in 4:54. His intermediate times were :67, 2:16, 3:31, 4:41, 5:54, 7:08, 8:23 and 9:35. Although two watches corresponded at the finish, his mark was not immediately accepted as a University and field record. Crockett was paced in turn by Wimpy Lewis, John Eddy, Jim Earle, Dave Ricks and Mike Wise.

## Seniors Favored To Win Interclass Track Meet Today

Having won for two years, this year's senior group of varsity trackmen rule slight favorites to win the interclass track meet which begins today with the shot put, discus, javelin and high jump and ends tomorrow with the running events. The weights start at 2 and the high jump at 5 o'clock.

The interclass meet, held every year immediately following the end of the intercollegiate track schedule, is open to anyone in the University. Seniors, juniors, sophomores and freshmen compete against each other for the team championship.

### DISTANCES SHORTENED

As in the past, track events will be held over shortened distances. The 440 has been shortened to 300 yards, the 880 becomes a 660, the mile is made a three-quarter mile, while the two mile may be run over a mile and a (Continued on page 4, column 3)

## NET TEAM ELECTS RIDER, RAWLINGS 1940 CO-CAPTAINS

Charley Rider, Malverne, N. Y., and Bill Rawlings, Winston-Salem, were elected co-captains of the Carolina 1940 tennis squad yesterday.

Both men will start their third year of varsity tennis next year. Playing in numbers 1, 2, and 3 doubles position this season, they finished the year in the No. 3 slot.

### RIDER CHAMPION

Rider furnished the surprise of the year when he copped the North-South singles championship at Pinehurst in the annual tournament in April. Before the tournament he was playing No. 3 position, but after winning the individual title he was moved to the No. 1 slot.

Rawlings, a left-handed player, was considered the most improved man this season. He was undefeated on the Northern tour, on which the Tar Heels defeated the members of the Ivy league, Harvard, Princeton, and Yale.

## MEET CONCLUDING INTRAMURAL YEAR BEGINS AT 3:30

By RICHARD MORRIS

Intramural track meets in both dormitory and fraternity leagues this afternoon on Fetzer field at 3:30 will bring down the curtain on the most successful intramural season in Carolina history. Fourteen field and track events will take place in each meet.

In the semi-finals which were held yesterday afternoon, Ashby of ATO came within one-tenth of a second of tying an intramural record as he ran the 60 yard dash in 6.7 seconds. He was closely followed by Hambright of Kappa Sigma. LaLanne and Sumner of Kappa Sigma won the other two heats in this event with 6.8, and from all indications this should be the best event of this afternoon. In the dormitory semi-finals of the same event Southerland of Mangum broke the tape in 6.88 seconds.

### DILWORTH TO STAR

Ernest Ilman, Lambda Chi Alpha, who led the field in individual scoring will be missing from this meet because of participation in varsity track during the season. Beta Theta Pi's leading trackster last season, Winkler, who took first in both hurdle events will also be missing from the tournament, as will the speedy Cook and Jennings of Lewis in the dormitory meet. Ben Dilworth of Chi Psi looms as the star of the afternoon as he has qualified for six events.

Those qualifying for the finals include all men in the ¼ mile and relays along with the following:
