### DUKE PROFESSOR IS ON ARMISTICE PROGRAM TODAY

#### Paul Saunders To Speak At 10:30 In Memorial Hall

Professor Paul Saunders, member of the Duke university law school faculty, will be the main speaker on the Armistice Day program to be held at 10:30 this morning in Memorial hall. Bill McKee, secretary of the YMCA, will deliver the invocation. President Frank Graham and Dean Robert B. House will be present.

Mr. Saunders will speak on the subject "Democracy and the Second World War." He will discuss the relation of America, as a democratic nation, to the present European War. The observance of Armistice Day this year will be more timely and significant than it has been at any other time since the last World War.

The program is being sponsored by the Student Forum Committee. Members of the committee are: chairman Lee Manning Wiggins, president of the American Student Union; Jim Davis, president of the student body; Miss Melville Corbett, president of the Women's Association; Allen Green, editor of the Carolina Magazine; Martin Harmon, editor of the DAILY TAR HEEL; Fred Weaver, Assistant Dean of Students; Bob Magill, director of Graham Memorial; Walter Kleeman president of the IRC; Harry Gattson, chairman of the CPU; Louise Jordan, president of the YWCA; and Dewitt Barnett, chairman of the Graham Memorial Film Committee.

### Bagby Gives Lecture In New York City

Dr. English Bagby gave a lecture on "The Technique of Public Speaking," last Wednesday night before a large audience of literati at the Hotel Woodstock in New York. He has spoken on this subject over 100 times during his 20 years teaching career at Yale, VMI and Chapel Hill. The managing director of the hotel was one of his former pupils at Yale.

Dr. Bagby is now honeymooning in New York with his bride, the former Mona Lisa Ames.

### Robber Of Frats Believed To Be On The "Outside"

Since school opened this fall a number of articles ranging from collar buttons to radios and sums of money have been reported missing from dormitories, houses in town, and fraternity houses.

W. T. Sloan, chief of police in Chapel Hill, expressed the opinion that the dormitory robberies were committed by some one on the inside, because it seemed that in nearly every case the rooms were entered when the doors were left unlocked for a very few minutes. He said that he thought the fraternity houses had been entered by someone on the outside. In one incidence a man was seen entering a house, but he was not reported in time and therefore could not be apprehended.

Among the articles stolen from dormitories were four watches, two cameras, a radio, and a typewriter. Many other small items have been taken as well as different amounts of money.

#### REPORTED

A police report was received last weekend by the Chapel Hill police department that a man who was well dressed and wore a fraternity pin was believed to be headed in this direction. This man visits universities, particularly on football weekends, and enters fraternities and dormitories where everyone has left them. However, Chief Sloan reports that this man has not been seen in this vicinity.

Jim Davis, president of the student body, made the statement that the Student Council is aware of the wholesale stealing on the campus, which appears to be the worst in recent years, and would like to ask the cooperation of all students and student organizations in stopping it.

The council suggests that the dormitory residents be more careful about keeping their rooms locked at all times and that the fraternities be more careful concerning strange and suspicious persons.

Davis said: "The condition is such as to necessitate the cooperation of the student body as a whole in order to eliminate such a state."

### Hillel Services

Hillel foundation will sponsor orthodox services tonight in Graham Memorial at 7 o'clock and reform services in Gerrard hall at 7:30.

# Plan Is Proposed To Enlarge Seating Capacity Of Kenan Stadium To 40,000

## SHELLS WILL NOT BE FILLED OUT INTO HORSESHOE

### Present Proposal Calls For Big Double-Decker

Athletic Director Bob Fetzer admitted yesterday that the University athletic council was considering a proposal to enlarge the permanent seating capacity of Kenan stadium from 24,000 to anywhere from 35,000 to 40,000.

The move has been under discussion by the council for the past year and will be brought up for further consideration when the group holds its monthly meeting Monday night.

"We've been thinking about putting more seats in for a long while now and finally submitted the proposal to Atwood and Weeks, the architects from Durham who designed the stadium and most of the newer buildings on the campus," Fetzer said. "Everything is in the formative stage and nothing is positive."

#### APPROVAL

Any enlargement in Kenan would have to be approved first by the administration and then by the board of trustees. The Athletic council could do nothing more than suggest the addition be made.

"If any changes are made," Fetzer went on, "I personally would be against filling the two shells out into a horseshoe. Everyone wants to sit on the 50-yard line. If we build a horseshoe some people will be behind the goalposts. We ought to build back of the present stands. But all that is of course up to the discretion of the architects. But as far as crowd appeal goes, the proper move would be to forget about filling out the bowl."

The stadium now consists of two shells in a natural amphitheater surrounded by a thick grove of pines. It may be a double-decker somewhat similar to Franklin field, home grounds of the University of Pennsylvania at Philadelphia.

#### READY NEXT FALL

If the proposal is adopted, and work is started as soon as possible, an enlargement would be ready next fall.

## Woodhouse Issues Debate Challenge To State Republicans

E. J. Woodhouse, professor in the University political science department, yesterday issued a challenge to any Republican in the state to hold a debate on the conflicting platforms of the New Deal and the GOP. The program will be sponsored by the campus Young Republican club.

Although an ardent New Dealer for many years, Dr. Woodhouse has maintained a policy that a difference of opinion is essential to democracy. On that basis he accepted the position as faculty advisor to the Young Republicans.

## Students Vote Dewey First Choice For Next President

### McNutt Drops To Second Place; Less Than Third Want FDR, According To Poll

Thomas E. Dewey, youthful New York district attorney, is first choice for the United States presidency among the nation's college and university students, less than a third of whom want Franklin D. Roosevelt to run again.

Six months ago the Student Opinion Surveys of America, sounding board of U. S. college youth, found in its first poll on presidential possibilities that Paul V. McNutt, Democrat, held the lead with a popularity of 17.7 per cent, only 2.1 per cent over Dewey. Today the racket-busting Republican has climbed ahead and has with him over a third of those collegians who declare they have made up their minds on a candidate for 1940. McNutt has dropped to second place, Vice-presi-

## FARR WILL PLAY FOR PHI FORMAL TOMORROW NIGHT

### Annual Affair To Be Held In Graham Memorial

Jimmy Farr and his orchestra, which since organization in September has proven popular not only on the campus here but in the surrounding territory in the piedmont and eastern parts of the state, will play for the annual Phi assembly formal dance in Graham Memorial tomorrow night from 8:30 to 12 o'clock.

Farr decided to attend the University this fall after turning down an offer to join a band, Harold Mickey's, in Buenos Aires. A music major, Jimmy specializes in trumpet playing when he's not twirling the leader's stick. His brother Tommy, a senior at Charlotte Central high school, is recognized as one of the most promising trombonists in the state. Bud Hibbs is band vocalist.

Basie and Shaw arrangements and compositions are favorites of the band, but smooth music is not neglected. Two of the better smooth numbers played by the band are "The Lamp Is Low" and "To You." Harry Moore and "Runt" Wilson fill out the brass section. Saxes are manipulated by Bob Hicks, Bruce Snyder, Louis Couch and Buck Corey. Murray White is pianist; Paul Griffith, drummer; and Bob Greene, bass.

Bids for the Phi assembly dance may be obtained at the "Y" at Assembly period this morning and from Bob Farris at 201 "H" dormitory and Ott Burton at 209 "K" dormitory until 6 o'clock this evening. Assessment to Phi members for the dance is one dollar.

Rehearsal for the figure will be held in the ballroom of the student union tomorrow afternoon at 5 o'clock. Chaperones for the event tomorrow night will be Mr. and Mrs. Roy Armstrong and Mr. and Mrs. D. R. McMillan.
