MARCH OF DIMES CAMPAIGN TOTALS \$87.76 ON CAMPUS

Highest Contributor, Ruffin, Gives \$12.80; \$3.02 Is Frat Peak

Yesterday's final returns from the March of Dimes campaign on the campus showed that a total of \$87.76 had been collected.

This sum will be added to the other collections made in Orange County and Chapel Hill during the campaign which lasted from last Thursday through last Tuesday. Half the total contributions will be sent the national fund for combating infantile paralysis. The remainder will be used for treating and preventing local cases of the disease.

The \$12.80 collected from Ruffin by Sam Williams and Harry Newsome was the largest amount given by a dormitory or fraternity house. Sigma Alpha Epsilon's \$3.02 was the largest contribution made by a fraternity. Watts Carr was the collector.

Graham, Steele and Ruffin dormitories and Tau Epsilon Pi fraternity went 100 per cent.

Other dormitories and the amount each contributed, were as follows: Graham, \$9.18; H, \$8.90; Steele, \$7.46; K, \$6.80; Grimes, \$5.15; Women's dorm number three, \$4.90; Aycock, \$4.54; Lewis, \$4.40; Manly, \$3.78; L, \$3.68.

STUDENT UNION PRESENTS FILM ABOUT FAR EAST

UNC, Duke Experts Give Opposing Views At Lounge At 7:30

"Stop China," a film depicting the injustices of Japanese imperialism aggression in China, and an informal panel discussion between two professors from the University and one from Duke on America's part in the Far East will be featured jointly on tonight's Graham Memorial film forum, to be held in the main lounge of the student union at 7:30.

Three conflicting viewpoints will be presented this evening on the question of American influence in the Sino-Japanese conflict. With the debate in full swing in the Senate on the embargo on goods to the Japanese, Dewitt Barnett, chairman of the program, considered tonight's forum particularly timely. Dr. Paul Linebarger, professor of Far Eastern relations at Duke university, will defend action on this country's part which is friendly to China or unfavorable to Japan. Defending Japan in part will be Dr. D. H. Buchanan, professor of Oriental Economics at the University. Taking the stand of an isolationist is Dr. Allen T. Bonnell, also of the University economics department in the field of international trade.

For the past two weeks, the Graham Memorial student union has had booklets by Bob Barnett, University alumnus, on "America Holds the Balance of Power in the Far East," on sale at both Bob Magill's office and the YMCA. The pamphlet points out that while this country ships arms to Japan it is an accessory in continuing the slaughter in the Far East. "Stop China," the film to be shown

HORTON TO STAR IN STAGE PLAY HERE NEXT WEEK

'Springtime For Henry' Will Be Given February 9

Unlike his usual "milk-toast" characters, Edward Everett Horton, famous movie and stage comedian, will play the part of a roue and man of the world in "Springtime for Henry" which is to be presented in Memorial hall Friday night, February 9, at 8:30 under the auspices of the Carolina Playmakers.

Interested mainly in escapades with beautiful but brainless young sirens, "Henry's" life is devoted to extricating himself from one hilariously exciting love affair after another.

Mr. Horton likes "Springtime for Henry" and especially the part of "Henry" so well and rates the comedy so high on his own "plays preferred" list that during the current season he will be seen in the role in theaters in every state in the Union.

Supporting him in the cast here next week will be Gordon Richards, Marjorie Lord, Barbara Brown and Sally McMorow.

Horton is most famous for his comic roles in the movies. Plaudits for his

Professor Donnelly Tells AED Of Life In Medical School

Dr. G. L. Donnelly, professor of pharmacology in the University medical school, told members of AED, national pre-med fraternity, how to get along best in medical school in an address Tuesday night.

Plans were discussed by the group for sending delegates to the national convention of AED to be held in Norman, Oklahoma, during the spring holidays.

Ted Blount, president of the local chapter, informed the group that Dr. Davidson, dean of the Duke medical school, will speak in the near future. Plans for the presentation of medical movies in conjunction with the Whitehead medical society were also discussed.

MAIN CHANGE IS REPRESENTATION BY ORGANIZATION

Reviewing Budgets, Voting Regulation Are Other Powers

A new constitution, drawn up by a special constitution committee of the student legislature appointed by Jack Fairley, will be introduced at the legislature's regular meeting next Monday night. The main change from the old constitution is the new set-up of representation.

According to the new constitution, the speaker of the legislature will be elected by the campus at large in general campus elections in the spring.

He shall be a member of the senior class or graduate school. Other members to be elected in the general campus elections are three representatives from each class, not to be class or campus officers.

Town students will elect five representatives at spring election, and others will represent the following organizations as follows: 14 from the inter-dormitory council, five from the inter-fraternity council, one from the medical school, one from the pharmacy school, one from the law school, one representative from the Woman's association (not an officer of the association), one from the Pan-Hellenic council, one from each of the four women's dormitories, one from the PU board, one from the debate council, and the vice-president of the athletic council.

A feature of the constitution is its provision for voting to be made by roll call in legislature meetings. The final votes of each member then will be published in the DAILY TAR HEEL on the following day. Members once elected

Correction! 70 Dorm Men Members Of UP

BOARD REJECTS PLAN TO CHANGE HUMOR MAGAZINE

Publications Union Decides Pictures Are Too Expensive

Voting against a raise in student fees, the Publications union board yesterday turned down the proposal of the Buccaneer editor to transform the campus humor magazine into a picture publication. Although the board was in favor of the general plan, it felt that the added expense in printing the proposed Buc would entail too great a drain upon the funds available.

In a statement concerning the rejection of the proposal, Ed Rankin, president of the board, stated, "The Board rejected the proposed change in the Buccaneer temporarily because the

McNUTT, DENNY AMONG SPEAKERS ON DI PROGRAM

"Should We Stay In Philippines?" Is Topic For Tonight

The Chapel Hill town meeting group of America's Town Meeting of the Air, sponsored by the Dialectic senate, will meet tonight at 9:30 in the small lounge of Graham Memorial to hear a discussion of the topic: "Should We Stay In the Philippines?"

Those participating in the radio discussion will be Paul V. McNutt, former high commissioner to the Philippines and present Federal Security administrator; Nicholas Roosevelt, former vice-governor of the Philippines and present editorial writer for the New York Herald Tribune; and Raymond Leslie Buell, former president of the Foreign Policy association, and now editor of the Fortune round table. George V. Denny as usual will be the moderator.

The topic of American interest in the Philippines is becoming of increasing significance because of the somewhat strained condition of our relations with the Far East at the present time.

America's Town Meeting of the Air program is broadcast from New York, and lasts until 10:30, after which there will be a discussion of the subject by the local group assembled at Graham Memorial. Students and townspeople are cordially invited to attend.

Students Requested To Stop Smoking In Memorial Hall

The cooperation of the University student body in refraining from smoking in Memorial hall is asked by A. W. Hobbs, dean of the college of arts and sciences.

The students are not only asked to refrain from smoking in this building; but it is entirely necessary that they stop because a law of the State of North Carolina makes smoking in such a place as Memorial hall illegal. "The reasons for this law can be plainly seen and it is just plain common sense," Hobbs reported.

Hobbs said that an orderly retreat from Memorial hall would get everyone out safely in case of a fire ninety-nine times out of a hundred, but that in

STUDENT-FACULTY JAMBOREE HONORS 'ROYAL FAMILY'

Dyckman, Murdock Will Be Attendants In Coronation Rites

By GENE WILLIAMS

Marjorie Johnston and Sherman C. Smith were elected queen and king of Student-Faculty day to be held next Tuesday in a close election yesterday. Frances Dyckman and Alice Murdock were runners-up for queen and therefore will act as the queen's attendants in the coronation ceremonies. J. B. Woosley was runner-up for king.

The coronation ceremonies will be a part of the jamboree to be held in Memorial hall at 8 o'clock. The jamboree will be held in honor of the royal family, and they will later be presented at the Grail "Song-Title Ball."

The final election held yesterday followed the primaries which were held last Friday when Smith, Woosley, English Bagby, W. E. Caldwell, E. J. Woodhouse and E. L. Mackie were nominated for king, and Marjorie Johnston, Frances Dyckman, Alice Murdock, Spencer Watkins and Barbara Liscomb for queen.

Marjorie Johnston is a junior from Hartford City, Ind., and was pledged to Chi Omega social sorority last fall. She transferred this year from Ball State college in Indiana, and plays tennis and badminton on the campus. Frances Dyckman is a junior from Short Hills, N. J., and was pledged by ADPI last fall. Alice Murdock from Salisbury is a graduate student.

The king, Sherman Smith, is a professor in the chemistry department and came to the University three years ago. He has come before the student body several times to lead the community sings and give vocal solo selections.

Student-Faculty day will feature a "Pop-Quiz" program, dormitory receptions and group luncheons, a carnival and informal dance, fraternity receptions and dinners in addition to the jamboree and Grail dance.
