University Day Program Commemorates 147th Anniversary

Hoey, Clark Main Speakers; Exercises Begin at 11 O'clock

The 147th anniversary of the laying of the cornerstone of Old East dormitory will be held this morning at 11 o'clock in Memorial hall.

Governor Clyde R. Hoey and Colonel E. W. Clark, chief of the federal Public Works administration, will be the principal speakers and brief talks will be made by President Frank P. Graham, Administrative Deans R. B. House of the University, J. W. Harrelson of State college, and W. C. Jackson of the Women's college in Greensboro.

Significantly, the first University day in 1793 marked the conclusion of the first building program in the University's history.

This October 12, 147 years later, marks the completion of the University's greatest expansion since then. Today's program is highlighted by the dedication of 12 new campus buildings and the remodeling and additions to six others.

Regular 8:30 and 9:30 classes will be held today, but there will be no 11 or 12 o'clock classes so that all students will have an opportunity to attend all University day activities.

Exercises will begin with the formation of the academic procession at the Old Well promptly at 10:40. Students are asked to go directly to Memorial hall, and the faculty will march into the building.

A memorial service for former University students who have died since last October 12 will be held at the start of the service. This includes one minute of silence, observed by the audience, and broken by the singing of the Latin chant, Integer Vitae.

During the program today Colonel Clark will represent the federal government; Governor Hoey will speak on behalf of the State of North Carolina, and President Graham will represent the University.

The singing of "Hark the Sound" by the entire assemblage will conclude the program at 12 o'clock.

In the afternoon the Carolina-TCU football game will highlight the day's activities.

Dean House urged that the student body attend the program this morning, and stated that it was one of the two occasions held each year where all undergraduates have a chance to see the entire faculty on parade.

Boy Scouts Hold Annual Camporee At Eastwood Lake

Approximately 500 pup tents were pitched around a central campfire at Eastwood lake, three miles east of Chapel Hill, last night and the Boy Scouts of the Oconeechee council, composed of troops from ten counties, were holding an annual camporee.

Following scout activities this morning, which will include signaling, cooking and handicraft, the campers will be honored guests at the Carolina-Texas Christian football game. A delegation will attend the dedication exercises of the W. P. A. buildings of the University, at which Governor Clyde R. Hoey will be principal speaker.

The executive committee of the Oconeechee council will meet at a dinner session at the Carolina Inn following the football game this afternoon.

Among the prominent Boy Scout officials attending the three-day camporee are: W. A. Dobson, Atlanta, Ga., regional Boy Scout executive; Claude Humphries, Raleigh, council executive; and A. W. Calhoun, Raleigh, assistant executive.

TEXAS CHRISTIAN UNIVERSITY'S Horned Frogs line up in Kenan stadium this afternoon just as they are arranged above, from left end to right end and with the backs by themselves. Feature of the afternoon program, helping to celebrate the 147th anniversary of the founding of the University, the game brings together two elevens who coaches ordinarily would be pulling for each other. Ray Wolf and Johnny Vaught, Tar Heel bosses, and Dutch Meyer and Mike Brumbelow, the visitors' coaches, are former TCU gridiron leaders.

Ray Wolf Matches Experience With Ex-Coach 'Dutch' Meyer

By Leonard Lobred

Noted for their aerial acrobatics which gained them eighth ranking in the nation last year despite a mediocre season, the Horned Frogs of Texas Christian university play in Kenan stadium today against a Tar Heel eleven coached by two former TCU gridironers and ready to be cut loose in a busy session of "Frog-gigging."

The kick-off is at 2 o'clock.

One of the few real "naturals" of the 1940 football wars will be unfolded when Coach Leo "Dutch" Meyer—the master—fields his TCU team on the home grounds of Raymond B. Wolf—the pupil—and the two passing-grid teams in the country go at each other with passes in and over the Kenan bowl with a fast-breaking ground game added for variety. TCU bounded into football's spotlight several seasons ago led by Slingin' Sammy Baugh, and continued the Texas tradition last year with Davey O'Brien, the unanimous choice for All-American tailback.

Seven passers are among the squad of 35 brought here for the first meeting of Meyer and Wolf from opposite sides of the field. Added to their rivalry will be the contest between the forward walls, TCU's coached by Mike Brumbelow, captain of the 1929 TCU eleven which was the first to win a Southwest conference title, and Carolina's tutored by Johnny Vaught, tackle and captain in 1932 and the first member of a Horned Frog team named on a major All-American team. TCU Pass Experts

The Cowtown Christians will present a group of seven throwers, of whom three boast pass completion averages equal to or better than that of Jim Lajanne, the Tar Heels' No. 1 passer. And what is more, Kyle Gillespie, the 165-pound junior quarterback, and Jack Odle, senior reserve fullback, have averages better than even Baugh or O'Brien.

Coxhead Issues Dance Rules

Johnson To Play For Grail Tonight

"Drinking regulations will be more strictly enforced this year," George Coxhead, chairman of the University dance committee, cautioned yesterday in issuing provisions for tonight's Grail dance in Woolen gymnasium.

Freddie Johnson and his orchestra, who took their first step towards national recognition yesterday with a coast to coast broadcast from Memorial hall, will provide music tonight from 9 until 12 o'clock.

The dance committee issued the following statement regarding conduct at the dance: "The University Dance Committee shall be empowered to suspend from all dances given under auspices of the University, for a period at the discretion of the committee, any student, visitor, or alumnus for any misconduct whatever.

Rules on the Dance Floor

"The following rules shall govern conduct on the dance floor.

"Any girl desiring to leave the dance hall during any evening with the intention of returning must be accompanied by a chaperone during her entire stay from the dance.

"Any one showing signs of drinking or other misconduct shall be dealt with according to the discretion of the U. D. C.

"There shall be no smoking on the floor at the dances given at Woolen gym. Any organization desiring to give a dance must first secure permission from Dr. E. L. Mackie, faculty chairman of the dance committee, and at that time a fee of two dollars must be paid for each dance."

Open to Freshmen

The dance will be open to freshmen, though fraternity men are forbidden to introduce girls to freshmen at the dance. In previous years freshmen have been barred from all dances until after the close of the fraternity pledging season in order to prevent unfair rushing practices.

The admission will be one dollar at the door, stag or couple.

Mag To Have Colored Cover

PU Board Approves Tentative Budget

Leonard Lobred, president of the Publications Union board, announced yesterday that the board has approved part of the budget asked by the Carolina Magazine.

Final action could not be taken on the Magazine's budget because of uncertainty regarding formation of a new magazine to replace the abolished Buccaneer. A six-man committee has been in session during the last few weeks discussing plans for a new magazine, and until final word is received from the committee no final action may be taken on the magazine budget.

Lobred stated that the first appropriation to the Magazine would enable Adrian Spies, editor of the Mag, to use a two-color cover. The first two-color cover was used last May. The first appropriation will also permit the Mag to carry several engraved cartoons for the first time.

The Union also passed a resolution requiring organizations owing the Yackety Yack money for space in last year's issue to settle up their bill.

Premedical students who fail to take the test on November 8 will automatically be ineligible for entrance in any medical school in 1941, even though the failure is due only to delay in making application, the department said.

The fee of \$1.00 is not payable upon application, but only at the time of taking the test.

Axis Powers Send Troops into Rumania and Hungary; United States Expands 'Short of War' Aid to Britain

By United Press
DURHAM, Oct. 10 — Dr. William Christian Few, president of Duke university, who suffered a severe heart attack early Wednesday morning, was reported in a critical condition tonight.

UNDATED—Adolf Hitler cleared the way Friday night for complete German and perhaps Italian invasion of both Rumania and Hungary when the two nations "appealed" to the axis powers to intervene and preserve order in the Balkans.

Hungary led with her appeal and a

few hours later Rumania took the same action as swarms of German planes and bombers swept over the capital and high-ranking Nazi army leaders arrived with troops to set up headquarters in Bucharest.

Both countries based the appeal on charges and counter-charges of minority persecution developed after Rumania's surrender of August 30 under Italo-German pressure of half of her Transylvania province to Hungary.

Bucharest and Budapest took the view that the situation threatened war between the two countries but the broader picture gave ample

grounds for speculation that Adolf Hitler had once again set the stage for penetration to the southeast.

The next step may be a strong Italo-German push along the "drang nach osten" (road to the east) against Greece and Turkey, using Rumania, Hungary, and perhaps Bulgaria as bases.

LONDON—A terrific all-out offensive by British warships and waves of bombers tonight was reported to have reduced the great French seaport of Cherbourg to a "mass of smoke and
