

## Four Candidates Withdraw In Frosh Election

### Bullitt To Speak Here December 10

#### IRC Plans NBC Broadcast From Coast-To-Coast

By Buck Timberlake

Ambassador William C. Bullitt will speak at the University December 10, Manfred Rogers, president of the International Relations club announced yesterday. The address, a presentation of the IRC, is scheduled to begin at 8 o'clock in Memorial Hall and plans are being made to have it broadcast over NBC's coast-to-coast network.

Bullitt's acceptance of the invitation to speak here climaxed a week-end trip to Washington by IRC's committee on speakers, Randall McLeod, John Hampton and Roger Mann. In the Capital City the committee contacted Joseph B. Kennedy, Roosevelt's ambassador to England; Hugh Casey, Australian ambassador to the United States; Joseph Daniels, United States ambassador to Mexico; and Morito Morishima, ranking Japanese envoy to this country.

#### Subject of Talk

McLeod, chairman of the committee, said that Ambassador Bullitt was not able to state the subject of his address here until he had conferred with President Roosevelt. However, Rogers says, "Bullitt's speech should give an inkling of Roosevelt's third administration foreign policy."

Ambassador Kennedy, recalled temporarily from Great Britain, is recovering from a slight illness. When contacted last week-end he stated that he planned to address the country when he had recovered and that one of the first speeches would be made at the University of North Carolina.

Morishima, who tentatively had been scheduled to speak this quarter, will be presented during the winter quarter.

Howard Starnes was interpreted by the judges as being the perfect twin of Lil' Abner and received a key chain.

### Club Presents Mexican Program

An "All-Mexican" program will be given tonight at 7:30 at a meeting of the Pan American club in the small lounge of Graham Memorial. The program will include two films, "The Land of Mexico" and "The People of Mexico," and a brief talk by Bernie Flatow, president of the club, on the recent presidential election in Mexico.

This is the third in a series of meetings held to better acquaint students with Pan American countries. After the meeting there will be a special showing of the movie, "Good Neighbors."

The meeting is open to all students and Flatow said applications for membership in the club would be received the rest of this week.

### Interdorm Council Musters Quorum, Does 3 Weeks' Work

#### Dorm House Parties, Dances Predicted

The Interdormitory council seems to be one of the few organizations on the campus that can escape the quorum bogie. Last night in an hour session in Graham Memorial the council quickly disposed of three weeks' work.

George Riddle spoke briefly to the council and stressed the improvements that have been made in the various dormitories during the past few years. He commented on the breakage and ruin that used to feature the home life of the dorm boys and remarked that the strides taken forward should not be halted for there is plenty of room for improvement.

#### Dorm Dances Planned

He announced that plans are being made to improve all the dorms and these plans can only be accomplished with student aid. "Plans," he said, "are being made for dorm dances, even dorm house parties. These plans can only materialize if the residents cooperate and make the dorms real places to live. I know that it will take a long time for all our plans to work out, but in time they will succeed."

Coleman Finkel reported on the. See *INTERDORM*, page 4.

#### Di Lacks Quorum

The Di senate was supposed to have a meeting last night but a quorum—that Carolina rarity—was absent. No business, no story.

### Phi Assembly Abandons Idea Of Date Bureau

After thorough investigation of the possibilities of establishing a dating bureau between Carolina and the Woman's College or here on campus, the Phi Assembly has abandoned the project for the time being, President Bob Sloan announced to the assembly last night.

Instead, he advised, there may be a chance of maintaining a friendly relations council whereby intra-dormitory parties may be given to further congeniality among the coeds and University men.

The assembly voted against distribution of copies of the constitution among its members, and the resolution that the west end of Kenan stadium be built up to complete the horseshoe which was brought up for discussion was defeated. It was found that the donor had made stipulations against any permanent changes to the structure.

In answer to a suggestion by Representative Mac MacLendon that bills better related to student interests and activities be discussed, President Sloan maintained that the assembly would follow its usual policy of dealing with two questions each week, one of which would be of national interest, the other of local.

There will be initiation of additional new members next week.

### Religious Center May Replace YMCA

Plans for the proposed religious center building to supplant the present YMCA building were released yesterday by Harry Comer, secretary of the YMCA. The structure which the University administration hopes to have built is part of an extensive building program which President Graham will discuss with the state advisory budget commission in a hearing Thursday in Raleigh.

The purpose of the religious center building, Comer said, is to provide adequate quarters for campus needs, not only for the YM and YWCA, but all other religious groups on the campus. There are nine religious denominations on the campus and some of them have no adequate place to meet, he pointed out.

When the proposed building is completed, the present YMCA structure will be pulled down, as it is the only building on the campus totally out of line with the blue print plan for campus development.

The plans specify a three story con-

struction. On the main floor will be a large lobby, offices of YM and YWCA officials, and two or more parlors. The staff will be responsible for the building management, the operation of its central information bureau, and scheduling the use of committee rooms by other organizations.

On the second floor will be offices given over to the nine religious denominations represented at the University. Offices for the professors in religious courses, one large assembly room with about 200 seats, and four smaller committee rooms will also be located on the second floor.

The ground floor will house numerous offices and committee rooms for the use of the student welfare division.

#### Chapel In Rear

At the rear of the main building, joined by a connecting unit, will be a union chapel, in complete chapel architecture, to seat about 300 people. This chapel will be used exclusively. See *YMCA*, page 4.

### Italian Forces Believed Evacuating Kalamas Valley

#### Greeks Smash Italian Attack

ATHENS, Nov. 12.—Reports from southern fighting front tonight said it was believed that Italian forces, in disorganized retreat yesterday, had evacuated the Kalamas river valley.

Greek cavalry operating in this sector of the Epirus region reported further successes earlier today, capturing an additional 500 Italian prisoners and 350 mules.

Greek patrols then explored down the Kalamas river without encountering more Italians, leading to the belief that they had completed evacuation.

Neutral military observers said the Greek position now was the most favorable since the war had started, with the invaders thrown back at each end and the center of the 100-mile front.

The Greeks received further encouragement when the German legation here reaffirmed that Greek-German relations were satisfactory and that Germany still regards the war as entirely an Italian affair—intimating that Germany in no case would interfere or intercede.

BELGRADE—Greek forces besieging Koritza have completely smashed the Italian counter-attack launched yesterday on the extreme right wing on this sector and have routed an Italian division according to reports today from the frontier.

The Greeks reportedly captured huge quantities of war materials abandoned by the fleeing Italians who were said to have lost 12 officers and 630 men in the engagement.

NEW YORK — Sabotage was suspected in some of a half dozen mysterious occurrences which took at least 16 lives Tuesday in projects actually and potentially useful to national defense and caused damage of more than \$900,000.

Three dynamite and power explosions occurring within an hour of each other in New Jersey and Pennsylvania killed 14 or more persons. The Georgia national guard began an investigation of the fire which swept Atlanta's municipal auditorium destroying army weapons and equipment valued at \$1,000,000.

#### Cheerios Discuss Pep Rally Plans

Plans for a Friday night pep rally and for new card displays were discussed at last night's meeting of the Cheerio Club in Memorial hall.

Friday night there will be a torchlight parade preceding the pep rally which will be broadcast. The University Club will provide 200 or 300 torches for the parade.

### 34 Freshmen Stay In Race For Offices

By Ernest Frankel

Freshman elections, wreathed in innocent denial of "high pressure politics," sped forward with quickened pace last night as three presidential candidates withdrew and indications arose of three definite "cliques" among the 38 candidates entered at official nomination yesterday morning.

Those remaining in the race for president are Pete Stevens, Howard Starnes, Edward Royal, Mac Sherman, Jack Emack, E. K. Powe, and Jack Milne.

#### Presidential Candidates Withdrawn

Tom Smith, nominated yesterday morning for the presidency, withdrew in favor of Starnes because, "I know that I don't have a chance and it looks like Howard will win on the first ballot." Simmons Andrews also withdrew but did not definitely throw his support to any other candidate. Jimmy Pritchard stepped aside, throwing his votes to E. K. Powe, with the statement that, "I think that E. K. will do a good job and his platform is the kind I would have offered myself."

Don Fairbairne, candidate for treasurer, withdrew his name late last night with the comment, "I decline the honor."

Candidates for the vice-presidency are Norman Tepper, Tom Lytle, Hanson Hall, and Charles Nixon.

Paul Rubenstein, Charles Clark, Phil Stamm, Johnny Vogler, and Mike Carr will run for secretary.

The race for treasurer will be decided by Stuart Campbell, Fred Rutledge, and Lee Howard.

The 14 nominees for representatives to the Student legislature are Bill "Poky" Alexander, Harry Scully, Terrell Webster, Ray Goodman, Spencer Bass, James Pace, John Hackney, George Rue, "Chick" Burroughs, James Davis, Sheldon Coons, Dick Knight, Dick Hollander, and Bob Weinberg.

It is hoped that the volume of sales will keep prices moderate. Transportation to and from the art gallery will be borne by the exhibitor. All artists may submit as many as five pieces of work.

Most of the entries will deal with 20th century life and will be interesting to everyone. Prices will be reasonable and all types of art will be represented, such as painting, sculpture, prints, photographs, and crafts.

### Freddie Johnson's Tea Dance Music Will Be Carried Over Radio Network

Campus maestro Freddie Johnson and band will broadcast coast-to-coast from 5 until 5:30 at the Grail tea dance held in the main lounge of Graham Memorial Friday afternoon. His dance music will be carried over the Mutual network through station WRAL in Raleigh.

The tea dance, from 4 until 6 o'clock Friday, will be the first of a set of three dances given by the Order of the Grail as further entertainment on the weekend of the Carolina-Duke game. It will be the first set of dances ever sponsored by that organization and is given in honor of the Carolina and Duke football squads who will perform on the Kenan stadium turf Saturday afternoon.

Johnson will take the stand again for the Grail at the informal pre-game

prom held in Woollen gymnasium on Friday night from 9:30 until 1 o'clock.

#### Bowles Plays Saturday

Skipper Bowles and his University orchestra will play for the Football Frolic held on the main floor of Woollen gymnasium on Saturday night after the grid battle from 9 until 12 o'clock. A special "no-break" will be held for the members of the Carolina and Duke football squads.

Bids for the series will go on sale at the Y today at 10:30 for two dollars per set. Door admission for the tea dance will be fifty-cents and one dollar for each of the two informal night dances.

The Order of the Grail is a campus honorary organization; the only organization authorized to sponsor informal script dances on the campus.
