Inexperienced Tar Heel Trackmen May Set Tar Babies Record In Two Mile Relay in Millrose Games Get Fifth

Jim Vawter Runs 1.000-Yard Event In Garden Tonight

NEW YORK, Jan. 31. - Although represented by a group of inexperienced runners, North Carolina, twice winner of its event in the last three years, is looked to tomorrow night for a possible new record in its appearance in the two-mile relay in the Millrose Games in Madison Square

Although only one member of the Tar Heel entourage has ever appeared on the Garden boards, track experts have picked the Carolina relayists either to win handily or be easy victims of veteran teams from Manhattan, Princeton, Michigan or Yale. Dave Morrison, whose half-mile race here in 1939 was one of the most admirable of the meet because he maintained a steady pace and overcame those who passed him in the early part of the race, is slated to run anchor. Sophomore Dick Van Wagoner will probably take the mark at the start, but Coach Dale Ranson remained indefinite about his other

Five Men for Selections Mike Wise, Henry Branch and Johnny French are the Tar Heels from among whom Coach Ranson must select two to run the second and third positions. Their times have been almost alike in practice this month.

Jim Vawter, another Tar Heel, is entered in the 1,000-yard run against a field headed by John Borican, Elberon, N. J., Negro star, and Gene Venzke, former University of Pennsylvania standout. He ran on the Millrose team that was third last year.

After the Tar Heels approached the Millrose record so closely two years ago, they were picked to better the record last year and have been picked again tomorrow night. The time of 7:48 is the third fastest twomile relay ever run in the Millrose event, the meet record being 7:44. The world indoor record is 7:41.6.

Their fifth victory in six starts, the in the state this season. Tar Heels never looked better and led by Freedman, who collected seven beautiful field goals from set positions, the frosh were always in the van and had no difficulty in coasting to victory.

Surging out in front from the opening whistle, the yearlings had 11 points before the crowd could find their seats and before Frank Henry made good on a field attempt from way out to give the preppers their

In a wild scoring first quarter which found the locals building up an 18-9 advantage, Don Wilson started what turned out to be the evening's finest defensive job-holding T. Frye scoreless for the first 16 minutes. It was not until then that Frye cracked the hoop for a twin-pointer and while he was in the game Wilson stuck to the Ridge sharpshooter like a coat of paint.

There was nothing close about the first half in any respect and by dint of Lew Hayworth's personal contribution of ten points and Wilson's three field goals, the frosh boasted a 33-17 lead at intermission.

After the beginning of the second period, the Cadets got organized and it was nip and tuck up to the final gun. The opposition began to shake Pete Nelson loose and the tall center got rolling with the first of his evening's collection of five field goals. Yet, despite the Ridge rally, Freedman began amazing regularity and the opposition could never begin to close the gap.
