

Green Attends Peace Conference

Frank Green, University junior, has just returned from an American Peace Mobilization conference held in Washington, D. C. as delegate of the newly-formed Chapel Hill Volunteer for Peace Club, affiliate of A.P.M.

Approximately 300 delegates from 53 cities and 27 states attended the conclave to work out plans for a campaign to defeat the "lend-lease" bill, H.R. 1776, and for a people's convention to keep America out of war to be held in New York City April 5 and 6.

The local group of the American Peace Mobilization will meet Sunday night at 7:30 in 211 Graham Memorial to start an action campaign on the campus to further the cause of peace and democracy for America.

warning that Germany's "U-boat war will begin in the spring" said in a proclamation tonight that a formidable submarine fleet is ready to lead the way to a final Nazi victory.

Raeder's proclamation was issued with emphasis on the Fuehrer's threat to torpedo every ship trying to rush war aid to Britain, after claiming that German U-boats and bombing planes have sunk more than 41,000 additional tons of shipping around the British Isles.

Willkie was understood to be planning to fly to New York next Wednesday, cutting still shorter his visit to Britain to make a first-hand examination of the nation's war effort. He had said earlier that he expected to leave for home on Thursday.

DES MOINES, Jan. 31. — A revolt of some factions of the National Young Republicans federation against the leadership of Wendell L. Willkie was revealed tonight in a series of proposed resolutions, one of which described him as unqualified to speak for members of the Republican party.

Two of the resolutions, which were drafted for presentation to the organization's national convention now in session here, criticized the Willkie-for-President clubs and the 1940 GOP presidential nominee.

Roosevelt Says Government Will Take Over Plants

WASHINGTON, Jan. 31. — President Roosevelt said today the government is prepared to take over any plant essential to the national defense if the owners' refusal to meet government requirements, including labor laws, threatened to delay the rearmament program.

He made the statement in response to a press conference query whether the government would take over the Ford Motor company's facilities should the company continue in its refusal to accept defense contracts governed by labor policies laid down by the War department.

quite fluently, English, French, Spanish, Portuguese, Italian, and German.

Glenn thinks there is much cause for alarm over the penetration of Fifth Columnists in South America.

"There is no question about it," he says. "The Germans are waging an intensive propaganda campaign, have been at it for some years. I know because I have conducted a number of confidential investigations. They have in their diplomatic corps, for instance, twice as many persons as they actually need.

"The Italians and other nationalities are not so bad about Fifth Column activities," he said. "There's a reason for the difference—most of the Italians left home because they were dissatisfied and don't want to go back. They are easily assimilated and are satisfied to become a part of their new country.

"We can certainly be on guard about Nazi activities," he said. "There is plenty of room for alarm."

Glenn predicted that other states would follow North Carolina's example, and that schools similar to the one here would be conducted by many other universities in years to come.

"There is no better way of fostering Pan-American relations than through these schools," he said.

Glenn addressed a session of the South American delegates while here.

Hughes, who missed the Virginia bouts because of influenza. Hughes has shown a marked improvement during this week's practice sessions and Coach Bonman is confident of his ability to come through with a victory over Navy's Murray Yager.

Co-captain Andy Gennett will handle the 127-pound assignment for the Tar Heels, meeting the Middies' veteran Bab Martin. If Andy can show the form that earned him a decisive win against his Virginia opponent last week, he is almost certain to contribute a point for Carolina.

In the 135-pound bout, Milt Harris will match gloves with Dick O'Brien. Because of points lost on fouls, Harris dropped a decision last week. Notwithstanding this loss, Harris fought one of the best fights of his career and will be out to prove his ability in his match with O'Brien.

Farris-Marion Battle Feature

Conference champ Bog Farris will have a tough nut to crack when he faces Navy's star 145-pounder, Jim Marion. Marion hasn't lost a fight in three years and was picked by Coach Spike Webb for the all-time all-Navy team. Appearing for the first time this season against the Cavaliers, Farris aided the Carolina cause by scoring a well-earned decision over his man. In view of Marion's reputation, Farris' match will be one of the features of the evening.

With a victory and draw to his credit, this season, Morris Moskow, the Tar Heels' 155-pounder, will square off with Midshipman Buzzy Betzel. Gaining an outstanding win in the Virginia meet, Moskow will be out to make it two in a row tonight.

Co-captain Red Sanders' opponent tonight will be Bill Peterson in the 165-pound feature. Thus far Sanders has two wins on the books and it is expected that he will continue his winning ways by adding Peterson to his list of victims.

Rated by Coach Mike Ronman as the most improved fighter on the squad, Mike Bobbitt will meet Bill Chips in the 175-pound slot. Inasmuch as pre-season notices claim Navy has particular strength in the heavier classes, Mike is looking for a tough fight with Chips.

The male-female ratio at the University is revolting.

events while Carolina is conceded a slight advantage in the diving.

And because the winner will probably be the victor in the relays, Coach Ralph Casey of the Carolina freshmen has changed his lineup in order to get the most power in the relays.

Jack Eshelman, No. 1 sprinter, will not perform in the 50-yard freestyle in order that he may be used in the 100-yard event, the medley and freestyle relays.

Gregory Schultz, diver, and Denman Hammond, Ed Shumate and Eshelman form the 200-yard freestyle relay team which has already bettered unofficially the University freshman mark of 1:47.1. The quartet has covered the distance in 1:43.5.

Record-Breaking Team

Likewise, the 150-yard medley team of Eshelman, Hammond and Shumate has bettered unofficially the University freshman record for the distance with a 1:24 performance. The mark is 1:30.2.

Duke will be paced in today's meet by Johnny Shaw, former Oak Ridge swimmer who caused the last year's frosh much anguish in the 1940 meet. Shaw has been clocked at 23.8 in the 50-yard freestyle and at 54.2 in the 100-yard event. Bill Shuman, middle distance swimmer, has been timed in 2:22.5 in the 200-yard freestyle event.

Faced with the prospects of matching strokes with those two top-notch performers and many more just as good, the freshman team appears set for its toughest afternoon of the year.

The meet will be the 16th dual meet that the Carolina freshmen have had since swimming was started three years ago, and the team will be seeking its 15th dual tilt victory.

Carolina's lineup will be: 50-yard freestyle—Shumate, Pilling; 100-yard freestyle—Eshelman, Lippman; 200-

7½. Now, in addition to 175-pounder Swift and Heavyweight Ruett, the Cadets have another grappler — Carter Beamer, undefeated in 1940 at 165 pounds — who won his match over his Tar Heel opponent.

Probable starters for Carolina list Walter Lambeth at 121-pounds, Hobie McKeever at 128, Charlie Tillet at 135, Gordon DeLoach at 145, Roger Weil at 155, Sam Gregory at 165, Forrest at 175, and Torrey in the unlimited class.

Some hope of victory is enjoyed by the Tar Heels because in the past two seasons their freshman teams have licked the Cadets. Charlie Tillet captured the freshmen who won over VMI two seasons ago, and Hobie McKeever led the Tar Baby team that scored, 15½-to-12½, last year. Tillet was joined by Gregory and Weil in 1939, and McKeever's class included Bill Somervell, who made the trip but probably will be replaced with Gordon DeLoach.

No Set Lineup

Carolina will enter its regular epee team, which has been the most consistent point-scoring group this season. Captain John Finch and Hank Smernoff, followed by Harry Vinokur and Sam Wallace. Clay Farris, a three-year veteran, is in the infirmary with influenza.

The sabre team, which supplies the major share of action and thrills, will have five starters: Lorne Payne, Bob Harrington, Larry Hutton, Tom Vance and Hank Smernoff, who will fight in that order. Bob Tolmach, a regular starter, chipped a bone in his foot and will probably remain on the sidelines.

Mr. Ennis said today that despite sleet storms and blizzards the troupe played before a total of 57,964 fans in the first ten cities and drew a gate of \$69,814. That's an average of nearly 5,800 fans per match, he pointed out.

Tilden In Shape

Mr. Ennis wanted it understood that Big Bill Tilden, who was hurt recently in an automobile accident enroute to St. Louis, would return to action this week and would be in good shape to play at Chapel Hill.

"This Tilden is quite a character," Mr. Ennis went on. "He's sort of superstitious about riding in an airplane and has never been up before. But he's going to have to fly on his 48th birthday February 10. We travel from Miami to Nassau to play a benefit match for the British war relief fund under the sponsorship of the Duke and Duchess of Windsor. It'll be interesting to study Tilden's reaction."

Virginia Tech was never in the ball game, except for a brief period at the start after Glamack had pushed the score to 10-0. Then the Techmen began to take the ball off both backboards and Rubin, Crawford and Henderson began converting into buckets. Still the count rose to 30-8, with Rose and Howard doing most of the shooting, after 15 minutes.
