## Semi-Final in Mural Track Set for Tomorrow Afternoon

### 1940 Champions Favored to Win Again This Year

By Earle Hellen

Semi-finals for the annual intramural track meet will be run off tomorrow afternoon at Fetzer field starting at 4 o'clock. Finals will be held on Tuesday.

In last year's meet Kappa Sigma took the fraternity crown and Lewis won the dormitory title. Both organizations have strong teams entered again this year. The Kappa Sigs have practically the same group of boys that won last year's meet and have added some new strength. Hambright, Sumner, Lalanne, and Alexander give the Kappa Sigs a strong contingent in the sprints, while Faircloth, LeBlanc, and Lalanne are strong in the field events.

**Chi Psi Runner-Up**  
Phi Psi, the team that finished second last year and gave the Kappa Sigs such a close race, will be strong again this year. Phi Gamma Delta has a large number entered and will be in the picture. The Betas led by Harry Winkler are well fortified.

In the dormitory meet Lewis, although it lost several of its top men, has a good team paced by Sadoff, Hayworth, Asch, and Baker. Town will probably give Lewis its stiffest competition and has a good chance of upsetting last year's winners. Mangum and K, both of whom finished up near the top last year, will be in the running.

**Individual Champs**  
Among the individual champions returning for another running this year are Piver of Med School who won both the dormitory 60 and 100-yard dashes last year, setting new records in both. He will have a tough fight on his hands this year in the person of Harry Lewis, Old East, who ran the 100-yard dash in 10.2 in the trials this week. Harry Winkler of Beta Theta Pi won both the high and low hurdles last year and is back again this year in an attempt to duplicate last year's feat. Bob Sumner of Kappa Sig who took first in the 100-yard dash in the fraternity division last year is also returning.

### Dormitory Entries

## Mentors Take Twin Bill Over Army Club, 2-1, 11-3

By Richard Morris

Doc Siewert, veteran speedball artist, hurled the Physical Education softball team to a pair of victories, 2-1 and 11-3, over Company B of the 60th Infantry from Fort Bragg on the Coed field diamond yesterday afternoon.

Siewert was masterful in the first game, which was one of the best pitching duels of the season. He had a no-hitter until the sixth when Shiltz obtained a Texas leaguer and in the seventh Drag obtained a safety. Doc started the second game in the same style but after his mates ran up a 5-1 score in the first four innings he eased up and was tapped for nine hits and three runs. Siewert added to his laurels by getting a hit and run in five trips to the plate.

Paced by the brilliant pitching of Johnnie Goletz of Peru, Ill., Captain Leeper's men played a fine defensive game in the opener, but were unable to hit the Physical Education outseamed ball with any success. Walter Drag, also of Peru and Leonard Shiltz of Milwaukee, Wis., collected the two hits.

Goletz had a fast ball that was hardly traceable by the eye. He gave up but three hits in the first game but tied in the second and the instructors got to him for twelve safeties.

**Army Opens**  
The Army opened the first game like they meant business by scoring a run in the beginning. Drag went to second when Radman threw his grounder wild to first. He advanced a base on a bunt by Frank Clark and scored when Strayhorn threw wild in an attempt to catch him off the base.

The teachers tied it up in the fourth when Captain Mullis walked, went to third on Jamerson's single and crossed the plate on a long fly by Radman. In the sixth they broke the deadlock when Johnson reached second on a wild throw and scored on Mullis' hit to right field. John Miller's double and Siewert's single were the only other hits of the game.

**Hambright Bats in Five**  
Jimmy Hambright, considered by many as the best pitcher on the campus, was substituted in the lineup in place of Shepard in the second game and came through with a good day at bat getting three singles and a triple to drive in five runs. Andy Bershak clouted a homer in this game as did Drag for the losers. Bershak's hit landed in front of the centerfield bleachers and bounced into the road. Drag's circuit blow stayed in the park. Other players from the Company B team to get hits were Frank Clark, John Carlin, Walter Teuber, Kenneth Birrenkott, James Lovergine and Raymond Greenmore. The soldiers are from Illinois, New York, New Jersey,

## Dick Jamerson Writes Answer To Boss Allen

Elmer (Dick) Jamerson, coach of the swimming team, who was asked either to improve his playing ability or quit the Physical Education softball team, entered his resignation from the team shortly before the first game started yesterday, but was prevailed upon by the team members to reconsider and he played both games. Whether he would leave the team before its next game was not known last night.

Jamerson, who was the victim of a severe attack by one of the players on the team—E. M. Allen—gave four reasons for entering his resignation.

In the letter, which Jamerson received, Allen asked that Jamerson be placed in his hands in order that Jamerson would be able to learn more about softball. Allen referred to himself four times in the letter, and it was those four references on which Jamerson based his resignation.

"Dear Mr. Allen:  
"After reading your constructive criticism I am quite impressed with your inside knowledge of baseball and the psychology of dealing with human beings.

"After giving considerable thought to your notice I wish to tender, through you, to Mr. Mullis, my resignation from the Physical Education Softball team for the following reasons: (quoting E. Marvin Allen)

"(1) I am writing the following constructive criticism . . .  
"(2) I will be glad to work with him to correct his throwing faults . . .  
"(3) Have Jamerson report to me . . .  
"(4) I am sure our team . . .

"In view of the fact that the 'I' wherever used in the above four reasons refers to E. Marvin Allen, I feel that it is unwise, unnecessary, and probably detrimental to the team as a whole to have two persons attempting to cover the territory between second and third. Consequently, I feel that it is better to permit an authority both from the technical and theoretical standpoint to take care of this assignment.

"Thanking you once again for your interest in my welfare and assuring you that I shall always hold your fatherly remarks close to my heart, and that I will always be on the side lines pulling for you to demonstrate your acknowledged ability, I am, with most sincere wishes,  
Your obedient servant,"  
Elmer Jamerson.

## Not To Mince Matters

By Harry Hollingsworth

This column, believing in fair play and independence of thought and action, wishes to go on record this morning in favor of Dick Jamerson in his fight with Marvin Allen and perhaps several other members of the Physical Education softball team.

We saw Jamerson give an exhibition of softball playing yesterday afternoon that would warm the heart of any softball manager on the campus.

At shortstop he caught everything that came his way and a few balls he had no business even reaching, much less playing. In the seventh inning of the first game he threw two men out at first base with a man on third, and each time he held the man on third before making the play at first. The second man he threw out retired the side and gave Doc Siewert a 2-1 victory. Jamerson went behind third base to take the drive and a beautiful underhand throw beat the base runner to the bag by feet.

Of course, Jamerson does put his foot in the drinking water before he swings, but if a man can hit with his foot in that position we have no objection. And Jamerson did get a hit. In fact, he secured one in the first game and two for three in the second. A good day for any man, whether he hits with his foot in the water-bucket or not.

His single in the first game drove home the tying run and his two hits in the second game came at opportune times.

Jamerson had his say yesterday in the affair and he responded to the charges with a severe attack on E. M. Allen in his resignation letter which will be found elsewhere on the sports page.

At the game he had P. A. Lee, freshman baseball player, walking about the field with a placard reading "Third 'T' E. M. Allen, Watch Me." The word "third" referred to third base which

## Frosh Cindermen Win, 59-40; School Boys Highlight Meet

By Ben Snyder

Running strong in the dash events and the middle distances and conceding points only in the weight divisions, Carolina's undefeated freshman track team wrote the last entry in the University's successful 1941 spring record book yesterday afternoon by coming out ahead of a picked group of high school all-stars, 59-40.

However, despite the fact that the frosh as a scoring unit were just a little too much for the preppers, the two real headline performers that the meet brought forth were a pair of those same scholastic stars—Julian McKenzie of Salisbury and Bill Yancy of Fayetteville.

## Coed Badminton Nears Final Lap

Two coed badminton players have qualified for the semi-finals in the current tourney, and only two matches remain to be played off in the third round.

Kathleen Lineback and Helen Milam have entered the semi-finals, Miss Lineback by defeating Sarah Umstead, 11-9, 13-11, 12-10; and Miss Milam by taking Elaine Mitchell by default.

The winner of the Dot Drake, Eva Boatwright match will play Miss Lineback to enter the finals, and the winner of the Jean Wire-Peggy Arnold game will meet Miss Milam to qualify for the final round.

## Track Summary

Freshman-High school all-star meet results:

100-yard dash—Rue (F) first; Saleeby (AS) second; Mulligan (AS) third. Time: :10.3.

Javelin throw—Edmonds (F) first; Kendrick (F) second; Coons (F) third. Distance: 148 feet.

Broad jump—Thompson (F) first; Ausbon (AS) second; Ott (F) third. Distance: 20 feet 9 1/2 inches.

High jump—Ausbon (AS) first; Chaistain (F) second; Corpening (AS) and Clayton (AS) tied for third. Height: 5 feet 11 inches.

Newcomer Stars

The former, a junior who is running his first year in competition, came through with the best race of the afternoon in winning the mile in 4:31.3. The time bettered McKenzie's own state record, set here last month, by .5 of a second. The Salisbury boy, paced by Rich Van Wagoner for the first half-mile and Jim Toy for the last two laps, was caught at 2:13 for the half and finished with a rousing kick that didn't seem to leave him appreciably fatigued at the finish. The rest of the field was pretty far back and there was never any doubt as to the outcome of the race.

## Sadlik Wins Discus

Yancy, who was a double winner in the State championship meet in both shot and discus, came within an ace of turning the same trick yesterday afternoon on Fetzer field. His heave of 48 feet 11 1/4 inches in the shot was the best turned in by a high school competitor this season in North Carolina and he barely missed winning the discus—Carolina's John Sadlik edging him out in that event by a foot.

**Rue, Double Winner**  
The Tar Babies' George Rue was the only double winner in the meet with victories in both the 100 and the 220-yard dashes. Pressed by Salisbury's Saleeby on both occasions, Rue was forced to drive all the way to come out on top. Teammate Bob Banks almost posted a two-for-two effort in the hurdle events, but was shaded in the low barriers by Frazier of Greensboro after he won the high hurdles with ease.

**High Jump Surprise**  
Ausbon of Durham furnished the meet's big surprise by winning the high jump with a leap of 5 feet 11 inches. High Point's Chaistain was second with a height of 5 feet 10 inches while Bill Corpening's brother Joe, from Granite Falls, tied with Don Clayton of Fayetteville for third at 5 feet 8 inches.

**Thompson Vaults**  
Paul Thompson of the locals showed up well in the broad jump winning out over Ausbon with a leap of 20 feet 9 1/2 inches and then, as the only entrant in the pole vault, clearing 11 feet 9 inches as his best effort of the year.

The half-mile run and the javelin throw were all Carolina events as Dick Hollander and Jim Perrin ran away with the former and Phil Edmonds, John Kendrick and Sheldon Coons swept the latter. The quarter-mile run, in addition to the vault, was not run off because of a dearth of high school entries.

### Jamerson Flashes

Shortstop Dick Jamerson undoubtedly proved to the crowd's satisfaction that he was still one of the leading players on the Educators' team. He played spectacular ball in the field, drove in the tying run in the first game with a hit and obtained two hits and two runs in three attempts in the last game.

Ham Strayhorn turned in a creditable performance behind the plate, time and time again catching men off the bases. First Baseman John Miller was one of the leading hitters of the afternoon getting three hits.
