## Graham Plays Aycock For Dorm Title

## Carolina Tankmen Amass 72.5 Points; Duke Second

### Not to Mince Matters

By Harry Hollingsworth

There's still nothing official coming from Woollen gymnasium or from the men who will be affected, but it was pretty well established yesterday, according to information, that Carolina will be without Coaches Ray Wolf and Johnny Vaughn next year.

Not only will those two valuable members of the coaching staff be lost to Uncle Sam's Navy as physical education instructors, but also Carolina stands to lose Assistant Athletic Director Bo Shepard, Chuck Erickson, golf coach and backfield coach, and Freshman Swimming Coach Ralph Casey.

Those five gentlemen, we understand, have received a recommendation from Charleston, S. C.—the point where they took examinations last week—to the Navy department in Washington that they will be commissioned as officers under the Navy's physical education training program.

Herman Hickman and Bob Warren, both State College coaches, are also understood to be affected and have been recommended to receive commissions.

The coaches will probably report to Annapolis April 1 to undergo a month's training and be ready for stationing May 1 at the start of the training of air cadets in the Navy's new program.

Where the men will go, if they receive commissions, isn't known, but it is expected that the Carolina coaches will be assigned to the air unit here.

### BOXING PICTURE

Several members of the boxing team were greatly upset yesterday by Mark Garner's column on the probable status of boxing at Carolina.

They seemed to think it shouldn't have been written, that it did boxing more harm than good and that the Tar Heel should print only the good things and leave the bad alone.

That's not exactly how the Tar Heel sports staff feels.

But what Mark wrote yesterday had our full approval and it was not meant to be a slam at boxing. He was only presenting the picture as it now stands.

### Four Teams Reach Frat Semi-Finals

By Mark Garner

Swinging into the last two days competition of the season, mural basketball offers the final round of dormitory action and two semi-final fraternity tilts tomorrow afternoon in Woollen gym. Graham faces Aycock in the battle for the dorm crown at 5 o'clock, Kappa Sig meets DKE at 4 o'clock and Zeta Psi tangles with Phi Kappa Sig one hour later in the fraternity semi-finals.

Aycock advanced to the finals Friday with a hotly contested 24-21 win over BVP. Dan Ebbs, guard and leading performer, has been the mainstay of the Aycocks throughout the season. Ed Brockway is one of the top scorers and shares offensive duties with Clinton Jones, Sokol, and Stephens.

Brown Leads Graham  
Graham's undefeated quint is headed by big Randolph Brown, "castoff" freshman center and high-scorer for the Grahams. Bob Shuford, Charley Moore, Blue and Gresham round out the starting five.

Rough-and-tumble action in the fraternity league highlighted last week's play and two hard-fought contests are on tap for tomorrow. The Kappa Sigs are led by pivot-man Doug Batchelor. Doug has set the scoring pace in all the Kappa Sigs' games this season and bids fair to be one of the leading point-makers for the year. Bill Alexander, spark of the team in its 38-23 victory over the Phi Deltas Friday, Bo Reynolds, Leo LeBlanc, and Frank Holten are the other Kappa Sig starters.

Dill Tops Dekes  
Tommy Dill is the kingpin of the DKE attack and one of the most consistent scorers in the league. Jabine, Truman Hobbs, Hunt Hobbs, Campbell and Maass complete the Deka squad that battles the Kappa Sigs tomorrow.

Junie Peel and the Zeta Psi's resume play in the next round against Phi Kappa Sig at 5 o'clock tomorrow. Sam Mordecai, Sim Andrews and Hackney are the Zetes' top offensive team. Jim Mallory and Guy Byerly share the scoring honors for Phi Kappa Sig's five with Doug West and Huber are other consistently top-notch performers.

## Percy Mallison Smashes National Frosh Record

### Carolina Frosh Star Sets 100-Yard Mark Whitner Batters Time

Percy Mallison, freshman freestyle ace, added the National freshman 100-yard freestyle record to his collection of national marks yesterday afternoon in the Carolina frosh-Durham high school swimming meet at the conclusion of the conference contest. The frosh won—their 28th consecutive victory—34-32.

Chopping off one and eight-tenths seconds of the former record of 55 seconds, Mallison covered the 100-yard distance in 53.2 seconds. At the 50-yard mark he was swimming at the rate of 24.6 seconds and it was evident then that he would get the new record.

### Whitner Shines

George Whitner established a National freshman long course record of 5:27 in the 440-yard freestyle race. His time was four-tenths of a second faster than that of Duke's Gene Schuman, winner of the event in the conference meet, and three-tenths of a second better than the pool record.

The 100 record was Mallison's third of the year. He already holds the 50 and the 220 marks. Whitner in addition to the 440, has the backstroke mark. In fact, the frosh hold all the National intercollegiate long course records possible to set.

Coach Ralph Casey used a number of substitutes in the Carolina lineup, accounting for the close score.

### Frosh Summary

50-yard freestyle—Walton (D) first; Tooley (C) second; Gray (C) third. Time—26.9.

### Sports Staff May Have Picture Made

The sports staff will try once again tonight to have its picture made for the Yackety Yack. Two previous attempts have been unsuccessful when the Y-Y photographer forgot the meeting. The staff will convene at 7:30 in the Night office. Lollypops will be distributed.

## Duke Tops State Five, 45-34 To Win Conference Tourney

### Blue Devils Pull Away From Terrors In Second Half

By Hal Twitty

UP Staff Correspondent

RALEIGH, March 7.—Top seeded and favored Duke ran true to form tonight and staged a last-half rally that beat State College 45-34 and won for them the Southern conference basketball championship for the second consecutive year.

Duke had advanced into the finals by defeating W&L in the first round and Wake Forest in the second round. State reached the finals with victories over South Carolina and William and Mary.

The power of Duke's reserves told the story in tonight's game. State kept well up with the Blue Devils throughout the first half and trailed

by only one point—20-19—when they went into the second half.

With the beginning of the second half, Duke quickly pulled away and held a 12-point lead, 34-22 after seven minutes had elapsed.

McKinney Gets 11 Points

Bones McKinney, conference high scorer during the regular season, tallied 11 points into tonight's game to tie with Glenn Knox of W&M for top scoring honors in the tournament.

McKinney was held to two points in the last half of tonight's game. Knox scored 26 points against George Washington in the first round and 16 last night against State to give him the highest per-game average.

State, fourth seeded team in the tournament, was the tournament dark horse. The Red Terrors, however, were

### Tar Heel Relay Teams, Ousley Schuman Set New Loop Records

By Harry Hollingsworth

Sweeping the majority of the points in six of the nine events, the University of North Carolina's swimming team won its third Southern conference tank title here yesterday afternoon in Bowman Gray pool with 72½ points—more than any team has ever scored in winning the conference title.

Duke University's team—which was defeated once during the season, losing to Carolina—was second with 50½, State, third with 30 points and Virginia Tech, fourth with 15. William and

## Varsity Nine Welcomes Warm Weather

Coach Bunn Hearn and the varsity baseball team welcomed the sudden appearance of spring yesterday by engaging in a long diamond drill on soggy Emerson field.

Although there were many faces missing from the practice, being off for the weekend, around 20 worked out yesterday. Among those present were Co-captains Chubby Myers and Bo Reynolds and Bill Honan from last year's team, and sophomores Monk Whiteheart, Dub Johnson, Lew Hayworth, and Bob Shuford.

Coach Hearn stated that practice sessions would continue all through this week for those who could get out. With warm weather at hand, the team is expected to take shape and the players will be able to get into condition quicker. The team has been handicapped by bad weather recently and has been able to get outdoors only a few days this week.

## Coed All-Star Volleyball Tilt On Tuesday

Coeds will finish their first intramural season in volleyball with the Red-Blue league all-star game Tuesday at 4 o'clock.

For the first time in coed athletics volleyball has taken on such interest and enthusiasm to warrant it as a regular intramural sport.

Smith dorm captured the elimination tournament championship last week by trampling ADPI 49-17. Betsy Ross Howe, Smith's all-around athlete, and Ray Rimmer led the victors. For the losers Edna Mae Winkler, probably the best coed volleyball player, was outstanding.

The following girls are asked to take part in the all-star game: Edna Mae Winkler, Watson Prince, Martha Urquhart, Lois Boyd, Betsy Ross Howe, Rachael Redinger, Helen Milam, Jinette Hood, Connie Grigsby, Jerry O'Neil, Marie Watters, Lillian Burgin, Sarah Taylor, Moo Rivers, Sue Harwood, Jessie Stephenson, Gladys Rankin, Aida Epps, Libba Rogers.

Mary, Washington and Lee and Virginia Military Institute did not compete in the tournament.

### Four Loop Records Set

Four new conference records were established with Carolina accounting for three of them. Duke's Gene Schuman, after setting a new record in the 200-meter Friday in the preliminaries, came back yesterday to miss his mark by one-tenth of a second in the 200, but, in the 400-meter event he marked up his second record of the two-day meet with a sparkling 5:27.3 performance.

Both Carolina's medley team and Denny Hammond, Bob Ousley and Truman Hobbs and the freestyle team of George Coxhead, Hobbs, Hammond and Jim Barclay established new loop marks and Bob Ousley, the only returning champion to defend his title successfully bettered his own conference mark in the breaststroke.

### New Medley Record

The new medley record 3:32.2 as compared to the former record of 3:34. The new freestyle record is 4:17.5 as compared to the former mark of 4:19.6. Ousley's new mark is 2:59.3 as compared to his former record of 3:00.3.

The afternoon was a bad one for defending champions. Bayard Read and Bill Marshall, defending champions in the 50 and 100, were licked by a courageous swimmer from State—Joe Bower, co-captain of the State team, who won the tournament trophy for being the most valuable swimmer in the meet.

### Feuchtenberger Wins Diving

Johnny Feuchtenberger, winding up his varsity swimming career, defeated his teammate and defending champion—Don Nicholson—for the fourth consecutive time to win the conference diving title. Feuchtenberger, a junior, plans to finish school at the end of the fall quarter this year. He amassed 103.25 points to Nicholson's 95.5.

Best races of the afternoon were the two sprint events and the distance events. And co-champions were established in both sections—Bower in the sprints and Schuman in the distances. Bower came from behind in the 100 to win and Schuman, finishing the distance races with brilliant kicks, also came from far back to triumph in both events.

### Duke Leads Momentarily

Carolina outscored all the teams in every event except the 200, 400, and 50. At the end of the first three events Duke had a one-point lead over the Blue Dolphins, but Feuchtenberger and Nicholson picked up 10 points for the Tar Heels in the diving and the Dolphins were never behind again.

Henry Ortlund, Carolina's No. 2 breaststroker, takes second honors to Duke's Schuman for providing the best finish in an event. In the breaststroke race Ortlund was swimming even with Duke's Johnson until the final 15 yards. He started a sprint at that point and left the Duke man some seven yards behind.

### Pick 'Most Valuable'

The committee which decided upon the most valuable award had a difficult job on its hands. We know, for we served on it with Tom Bost, Jr., of the News Bureau; Charles Stapleton, meet referee; and Harry Stengele, captain of VPI's team last year and winner of the award. Stengele, now serving in the U. S. armed forces in a tank division, presented the award to Bowers.

Carolina's co-captains—George Coxhead and Jim Barclay—received the meet trophy and the trophy for winning the conference dual meet championship. And, as a last thought, the Blue Dolphins didn't throw Jamerson into the pool. They evidently figured that Jamerson's bath last Tuesday after their victory over Duke was enough for him in one season.

## Meredith and Carolina No. 3 Teams Feature Coed Playday

### Betsy Ross Howe, Edith Bass Top Carolina Scoring

Meredith No. 1 and Carolina No. 3 teams captured both its games featured in Carolina's first coed basketball playday here yesterday in Woollen gym.

Although both teams emerged unscathed, the Carolina sextet stole the show by chalking up the largest scores of the afternoon in defeating Meredith No. 2, 26-14, and Peace No. 1, 20-10. In the day's fastest game the Chapel Hill ladies showed the best passing and teamwork on the courts this season. Playing a smooth and close game, the home town lassies were tied 10-all at the half by the Meredith team, but the coeds broke away in the second

period to score 14 points to take a 24-10 lead before Harriet Early, star forward for the visitors, sank a beauty from right court and Watlington followed with a field goal to end Meredith's scoring for the game.

Edith Bass scoring 14 points was Carolina's leading forward. Betsy Ross Howe followed with eight points. Nita Sinclair, diminutive Ahooskie lass, and Mary McCormic, leading guard, also starred.

### Carolina No. 3 Wins

In the second round, the No. 3 of Carolina downed Peace's score, 20-10, in the day's thriller. Edith Bass again was high scorer with 12 points with Howe second with six points. The play of the guards, McCormic, Hart, See COED SPORTS, page 4
