Status of Golf Team In 1943 Is Questionable

Ousley, Coxhead, Mallison, Whitner Honored by Dolphins

George Coxhead, Bob Ousley, George Whitner and Percy Mallison received the honors last night at the annual freshman-varsity swimming team banquet. Coxhead was awarded the varsity Dick Jamerson swimming trophy, Whitner received the freshman trophy, Ousley was named captain of next year's varsity team and Mallison and Whitner were elected co-captains of this season's frosh team.

The banquet officially closed the season for the Southern conference champions who also had an undefeated season. Herman Schnell, chairman of a committee which selected Coxhead and Whitner, made the presentations to the men. The plaques were awarded on the basis of scoring in which every member of the frosh and varsity teams graded his teammates. Points of which they graded each other were: leadership, service, desire and effort to improve, all-around value to the team and training. Using records made in practice and meets, Dick Jamerson, swimming coach, marked the members on their actual improvement.

Coxhead Swimmer for 4 Years

Coxhead is one of the six members of the team who were on the first Carolina freshman swimming team and he has been active in swimming for the past four years. He was co-captain of the team this season along with Jim Barclay, and last year he and Barclay jointly received the honor.

In the recent Southern conference meet he scored seconds in both the 50 and 100-meter swims and swam one leg on the freestyle relay team.

Whitner Holds American Record

Whitner holds the American record in the 100-meter breaststroke at 1:14.7, the National freshman mark for the 440-yard freestyle at 5:27 and the Carolina freshman record of 1:04.5 in the 100-yard breaststroke.

Ousley, Southern conference cham-

panion in the 200-meter breaststroke with a time of 1:59.2 and holder of the Bowman Gray pool record of 1:58.2 for the same distance, has been on the varsity for two years. As a freshman, he set a national freshman mark in the breaststroke which still stands.

Mallison Star Sprinter

Mallison, elected co-captain of the freshman team with Whitner, holds the national intercollegiate freshman records in the 50, 100 and 220-yard races. His 50-yard mark is 24.8, 100-yard record—53.1 and 220 mark—2:26.4.

In appreciation of their work with the teams this year both Jamerson and Ralph Casey, freshman coach, received gifts from their now the time for all gifts from their teams. Jamerson was presented with a table lamp and Casey an engraved cigarette lighter.

The six men who were members of the first Carolina freshman team and who finished their competition this year are: Whit Lees, Billy Stone, Hawley Funke, Jim Barclay, Marvin Ostrowsky and Coxhead. Truman Hobbs, a senior, is also graduating, but he only came out for swimming last year.

Phi Gams Cop Frat Volleyball Title

In the final tilt of fraternity volleyball a potent team of Phi Gams downed Sigma Nu, 2-1, taking first place in that sport. Spiker Ben Snyder was the key man in the Phi Gam offense while Bill Looch paced the Sigma Nu's. All three games were close affairs with the Phi Gams winning the first, 16-14, dropping the second, 15-12, and annexing the deciding game by a 15-13 score.

The finals in dormitory volleyball will be played this afternoon at 4 o'clock when big Bill Meroney leads his Med School team against Alexander for the championship.

Winners Take Early Lead To Win 25-15

By Mark Garner

Clamping an air-tight defense on the Zetes, Kappa Sig yesterday added the intramural basketball crown to the football title they won last fall with a hard-earned 25-15 victory over Zeta Psi in the fraternity finals.

Footballer Leo LeBlanc set the pace for the Kappa Sigs, hitting the basket for 10 tallies on five field goals. Center Doug Batchelor captured second place honors with seven points.

Reynolds, Holton Star

But the work of Bo Reynolds and Frank Holton under the baskets was probably the chief factor in the Kappa Sig win. Reynolds and Holton controlled the defensive backboard throughout and rarely did the Zetes get a follow-up shot. Under the offensive backboard Batchelor and Reynolds recovered most of the miscues.

Bill Alexander dropped in a twin-pointer just after the opening whistle and the Kappa Sigs were off to a fast start. LeBlanc sank three beautiful field shots and Frank Holton tossed a charity shot through the hoop before the Zetes could slip in a field goal. Sterling Gilliam looped in two fouls for Zeta Psi before the quarter ended and the Kappa Sigs held a 9-2 advantage.

Winners Lead 13-5 at Half

White, Zeta Psi, accounted for the Zetes' total of three tallies in the second quarter on a free throw and his team's first field shot. Alexander and LeBlanc added a two-pointer each for the leaders and at the half the count stood 13-5 in favor of the Kappa Sigs.

Finding the range on field shots, the Zetes dropped in three during the next quarter. Junie Peele, usually the pace-

Dolphins Get Okay to Swim In Nationals

By Harry Hollingsworth

Laying plans to drop intercollegiate golf from Carolina sports schedule in 1943 unless "adequate facilities are provided in Chapel Hill," the Carolina athletic council, meeting in Chapel Hill Monday night, approved a request from Dick Jamerson, swimming coach, that funds be made available for taking "a representative group of swimmers to the National Intercollegiate meet at Boston March 27-28," Athletic Director Bob Fetzer announced last night.

The Council passed regulations against the track and baseball teams remaining in Chapel Hill during spring vacation for training, as has been the custom in past years. It also voted against recognizing lacrosse as an accredited sport this spring.

Golf will be allowed to continue this spring under plans already made, but it's likely that unless an adequate course is made available in Chapel Hill for the team before 1943 the sport will be abolished. Plans have been going forward quietly to provide a course, but they have not reached a very concrete form as yet.

At present Golf Coach Chuck Erickson is still attempting to arrange a schedule for the team this season. Many of the eastern and northern squads which usually come South early in the spring have cancelled plans because of the war.

Fetzer in announcing that funds would be made available for the swimming team to enter the National meet said that plans "might be worked out for the team to enter the Eastern intercollegiate at Yale University March 20, 21—the week-end before the Nationals. Permission would have to be secured from various deans, however, for the members to miss classes for the entire week.

Jamerson announced that he would take George Coxhead, Jim Barclay, Denny Hammond, Truman Hobbs and Bob Ousley to one or both meets.

The reason for not approving spring

vacation training for the track and baseball teams was because neither squad meets opposition until at least 10 days after school starts. Princeton has cancelled an early meet with the track team and several games with nothen baseball squads have been called off.

The council also approved the following 42 varsity monogram awards and 66 freshman numeral awards:
