

Stimson Denounces One-Year Training Clause In Draft Bill

Japs Continue To Land Troops At Guadalcanal

British Smash Ahead In Egypt Axis Rout

WASHINGTON, Nov. 5—(UP)—Secretary of War Henry Stimson today denounced the proposed one-year pre combat training rule for teen-age draftees as an arbitrary restriction which may invite military disaster.

"The gentlemen in Congress who are trying to enact the ban apparently have never head of Pearl Harbor," he told a press conference. He renewed his opposition as Congress returned from an informal election recess to resume work on the 18-19 draft bill. Both chambers have voted to lower the draft age from 20 to 18 but the Senate tacked on the one-year training proviso which the House is scheduled to vote on Monday.

WASHINGTON, Nov. 5—(UP)—More Japanese troops have landed on the eastern side of Henderson airfield on Guadalcanal and are being attacked by United States Marines, it was revealed in a communique hinting that fighting is picking up momentum.

Marines suffered an initial repulse but rallied quickly and seized the advantage. Meanwhile Marine and Army troops, supported by warships and bombers, continued "successful attacks" against enemy positions to the West where they annihilated 350 Japs and captured 30 more machine guns, 12 light artillery guns and three field pieces.

CAIRO, Nov. 5—(UP)—British desert troops, urged on by their commander's report that "complete victory is almost in sight," are smashing relentlessly at the fleeing Axis Afrika Korps and advising it by leaflets to surrender and avoid useless massacre, front reports said today.

Latest dispatches said that Field Marshal Erwin Rommel was threatened with the loss of his remaining tanks—of which he now has less than 250—which he has thrown into a desperate rear guard covering force as the Imperials, supported by heavy artillery, picked them off one by one.

MOSCOW, Friday—(UP)—The Red Army, confirming reports that the German offensive in south Russia had bogged down, said today it had beaten off small-scale attacks in Stalingrad, wiped out enemy forward units in the central Caucasus and forged ahead in the Black sea area.

Junior Budget Announced; Vote May Come Next Week

Junior class finance committee has released the class budget for the remainder of the year. The budget, pending its approval by the junior class, will eliminate further class dues for the school year 1942-43, announced Mike Carr, president of the class.

The committee has been working for several weeks with the student council advisory board for class finances. The board is headed by Brud King. Presented Next Week

The budget will be presented to the class for approval probably next week, Carr stated. Both Carr and Bert Bennett urge that all juniors cooperate by passing the proposed budget which has cut operating expenses of the class to a minimum.

President Carr appealed to the class to pass the budget on the first vote so that work may begin immediately on the junior-senior dance. If the budget is approved on the first vote, and work on the junior-senior dance started early, the dances may be held at the beginning of the winter quarter, Carr said.

"If we can get a majority of the class to adopt this budget we will be able to further our main objective—that of eliminating class dues for the spring and winter quarter," stated Carr.

Phi Delta Theta team and defeated the Kappa Alphas 12-7. Bell and Huntley did their best for the losers and almost turned the game to their favor.

Rocker Scores
Rocker of Pi Lambda Phi ran the length of the field to score one of the three touchdowns that won the game over Pi Kappa Sigma, 20-0. Hipple played an excellent game for the losers but they were outclassed throughout.

Fanny and Parker scored for Sigma Nu as they defeated Chi Psi, 12-0. Victor Seixas played a good game for the defeated team.

Kirksey was the high scorer for the Whitehead No. 2 team in their crushing defeat of Delta Sigma Pi by the score of 20-0. Stewart also scored for the winners.

The NROTC "B" team won by a touchdown by Simmons to defeat the Smith Dorm team 6-0. It was an exceedingly close game and the issue was in doubt until the last whistle. Little and Brown played well for the dormitory team.

Bowman Gray Memorial Pool was the scene of the most devastating defeats of the intramural season thus far. In the short space of sixteen minutes the fighting SAE's rolled up 35 points to 2 points for the TEP "B" team. The TEP team did their best but were no match for the skillful play of the SAE's. Alec Parker of the winners scored the most points for his team and combined with Fred Swindal to make the SAE plays click. Bob Glenn played a beautiful game at defense, he and Mike Nolan breaking up threats by the TEP's at the SAE goal.

ing their first opening whistle kick-off. Cornog will occupy Rutkowski's guard position, and Toler takes over Jack Fitch's old position at wingback. It is Fitch's work that is expected to be most missed by the Tar Babies for he has been a star both on the defense and offense for the frosh all season. Fitch, however, who was still in the infirmary yesterday laid up with a broken leg, may be allowed to leave today long enough to witness the game.

Frank Toler, starting in Fitch's post, although not packing as much weight as the injured player, has been showing up well all this week with his speed and deceptiveness. Expected to be alternating with Toler at the wingback post today will be Bill Ellis who, running from tailback, turned in a fine game against Wake Forest last Friday.
