All-Stars Outclass Dekes, 20-0, To Take Football Crown

Shuford, Marks Shine in Triumph For Town Club

By Charlie Easter
In the climax of the intramural tag football season yesterday, Ruth's All-Stars displayed an alert defense and an aggressive attack to win the campus championship by beating the DKEs, 20-0.

The first half of the game was scoreless, though the All-Stars put on a better attack and were in scoring positions twice. Lord, DKE lineman, halted one of the All-Stars' attacks when he intercepted a pass in the end zone to put the frat team temporarily out of danger.

The All-Stars kicked off to the Dekes at the start of the final period, but on the second play, Dan Marks intercepted for the town crew. The march was on, and DKE was an outclassed outfit. In five plays the All-Stars drove to the frat 10-yard line, but were denied the score when on the sixth down Jim White was tagged on the five-yard marker. The Dekes had their hands on the ball for two downs, and on the third down Bob Shuford intercepted Rodman's pass. After a long pass to the goal line, which was broken up, Shuford kicked out on the frat 15-yard line.

Marks Intercepts

Dekes had the ball for one play, then Dan Marks intercepted the ball on the second down. The town boys again drove into DKE territory. On the last down Shuford attempted a field goal from the 30-yard line, but the ball went wide and short.

Town was not to be stopped. Another Rodman pass was intercepted. On the first play, following the interception, Town scored with the ball going from Shuford to Marks to Harvey Weinstein who was in the end zone. Taking the ball on a fake kick Shuford passed to Jim Hayworth in the left flat for the ex-

You'll Be Missed, Coach Jim . . .

COACH JIM TATUM who has turned in a brilliant job this year as varsity football coach took up an even greater job yesterday when he began his thirty-day indoctrination course as a lieutenant in the Navy. As one of the youngest major football coaches in the country, Tatum produced a team that lost only two games out of a nine-game schedule and tied two. No statement as to a successor will be made until after the meeting of the Athletic Council on Dec. 14.

Athletic Council to Discuss Successor to Football Coach

Lieut. Tatum to Be Stationed At Carolina Pre-Flight School

By Westy Fenhagen

Coach Jim Tatum yesterday officially tendered his resignation as head varsity football coach to Director of Athletics Bob Fetzer and immediately took up his duties as a lieutenant in the United States Navy stationed here at the Pre-Flight school.

The question of a successor as head coach of the football team will come up at the next meeting of the University Athletic Council on December 14, a week from next Monday, athletic director Bob Fetzer said yesterday.

"The Carolina football schedule for 1943 is expected to come up for ratification and announcement at the same meeting and no action is expected upon either matter before this date," Fetzer stated.

Fetzer declined to offer an opinion whether the council would secure an outsider or promote some member of the present athletic staff. Tatum was freshman athletic director before Coach Ray Wolf joined the Navy last year.

Athletic Policies

Queried about future policies, Fetzer stated that the University was going ahead with plans to "carry on its full and regular intercollegiate and intramural athletic programs" in line with "the government's wartime needs and policies."

Tatum who will not be officially sworn in until the arrival of his commission from Washington, was ordered to report for duty immediately after his resignation yesterday from the University athletic staff. Together with other newly inducted officers, Tatum yesterday went through the same extensive drills as Pre-flight cadets. A full day of roadwork, classes, drills, and other heavy labor and sports were included on the program.

To Train Flyers

After the completion of his indoctrination course here, Tatum will be assigned to duty as a physical education instructor for the nation's fledgling flyers.

Another prominent athletic figure who began his training here yesterday was Jim Weaver, director of athletics at Wake Forest.

Tatum, only 28 years old, was one of the youngest head football coaches in the country this year and with only mediocre material produced a fighting eleven that tied two 1942 Bowl elevens, Fordham and Duke and lost only to State and Tulane which was rated number six in the country in the last national rankings.

Big Five Co-Champs

The Tar Heels under Tatum's guidance tied with Duke for the Big Five championship and stood high in the Southern Conference race. In addition to triumphs in the state over powerful Wake Forest and Davidson, the Tar Heels numbered wins over Du-

Basketballers Lose Hussey

Flaws Polished In Long Practice

Dissatisfied with the White Phantoms' showing against the McCrary Eagles in Saturday night's cage battle, Coach Bill Lange put his team through a long practice session last night in an attempt to polish up some of the rough spots uncovered in Carolina's close 35-34 win over the semi-pro club.

Coach Lange stated that the team didn't look too impressive against the Eagles, although it was the first game for the home five. With a few more practice games under their belts, however, the White Phantoms should improve.

Hussey Is Lost

The coach expressed satisfaction with the showings of sophomores Jim Hayworth, Dick Hartley, and Jack Hussey, but said that the team will be hurt by the loss of Hussey, for the big High Pointer, a letter man in both football and baseball, is not going to stay out for basketball. Since sophomore Bob Altemose has not displayed the promise shown last year as freshman, Hussey had been looked upon to

Lightweight Bouts Coed Hockey Stars Begin Mat Program Report to Kenan

By Don Altran

The coed hockey managers announce that the following girls must report to Kenan stadium every afternoon at 5 o'clock to train for the game with Duke Saturday.

They stress that these are not the members of the All-Carolina team.

The girls are: Sue Brubaker, Jinnette Hood, Kay Roper, Allie Bell, Frances Ravenal, Lorraine Oldham, Janet James, Kitty Flanagan, Peggy Phillips, Marsha Hood, Frances Turner, Phyl Yates, Nancy Hunt, Mary McCormic, Nancy DeShon, Bunny Turner.

In yesterday's hockey, the Alderman team defaulted to McIver dorm, and both Town-Archer and the Pi Phi's defaulted.

Phys Ed Swimmers To Get Hard Exam

The final examination for the 85 students in Coach Dick Jamerson's swimming class will be to swim a half-mile and to stay afloat for one hour. Coach Jamerson has been conditioning his swimmers for this last event and they can now stay afloat for 45 minutes.

Carolina's intramural wrestling tournament had its best turnout in recent years when 332 entries were filed in the three days of weighing-in, concluded yesterday afternoon.

The tourney will get under way this afternoon when 90 grapplers, in the 128, 136, and 145-pound divisions, go to it on three mats on the floor of Woollen Gym. Referees for the tournament, which is being supervised by varsity coach Chuck Quinlan, will be John Robinson, Hobart McKeever, and Lem Gibbons.

Competition will start each day at 5:30 p.m., and continue until 7:15 p.m. It may be necessary to hold several matches in the evening. Bouts will be conducted according to intercollegiate rules, with timers checking the time advantage on each participant. Each victory counts a single point toward the score of the team the wrestler represents. Thus the first round matches are as important as finals, offering the less experienced a chance to contribute to the total score of his team.

Only One Division

Zeta Psi won last year's fraternity tournament by copping 48 matches, while 10 victories clinched the dormitory title for Graham. This year there will be but one division, open to general participation.

The intramural department has requested that all wrestlers report to the gym when scheduled, to facilitate the running off of matches.

Frosh Boxers Meet

Candidates for the freshman boxing team should report to the varsity boxing room this afternoon at 4:15, Coach Murnick announced yesterday.
