Association Names Johnson Secretary

Lucy Lee Kennedy was elected over Billie Johnson as association and pharmacy representative to the coed senate Tuesday afternoon in a meeting held in the pharmacy auditorium. Johnson was elected secretary of the association.

Students of the entire Pharmacy School will meet tonight at 7:30 to make formal nomination of candidates for school offices and to vote on a proposal to regulate the elections and to form a committee to deal with the budget of that group.

Elections

Regulating the elections, this proposal sets a time for the annual elections and determines the eligibility of candidates for office. The formation of a budget committee consisting of the school officers would consider the student body for their approving vote.

Also included in the meeting will be a discussion as to whether the school banquet will be held this year or not. According to custom, the banquet is staged during the Pharmacy dances, but some members have suggested not to hold it this year.

Henley

School President John Henley emphasizes the importance of this meeting and urges all members of the Pharmacy School to attend tonight.
