Bulgars-Spain Cause New Rift Of U.S.-Russia

Secretary Byrnes Refutes Red Charges

Washington, March 11.—Tonight again, the United States is at odds with Russia on questions concerning both Bulgaria and Spain. Secretary of State Byrnes says he has rejected Russian charges that a note he sent the Bulgarian government was in "violation" of the Moscow agreement. On the contrary, Byrnes says, his note urging that the left-wing Sofia regime be widened to accept two opposition leaders on mutually acceptable terms was "the very essence" of the Moscow agreement.

The Chinese news agency reports that the Red Army is about to evacuate another city, Harbin, 235 miles north of Mukden. And a strong Communist force is said to be on the outskirts waiting to take over.

The Senate version provides for a national mediation board and voluntary arbitration of labor disputes.

By Elaine Patton

Noel Coward's "Blithe Spirit" is to be presented in the Playmaker's Theatre tomorrow night at 8:30 o'clock, and Thursday, Friday and Saturday nights under the direction of Foster Fitz-Simons, assistant director of the Carolina Playmakers.

The play, a fantastic farce, is the story of a man and his second wife who plan an evening's entertainment for their guests by having a medium perform for them.

The cast of characters includes a neurotic medium, a dignified doctor, a ghost, and a normal couple.

Prominent members of the cast are Leroy Love, Asheville, as Charles, the husband; Lois Warnshuis, Staten Island, N. Y., as Ruth, his present wife; Jean McKenzie, West Palm Beach, Fla., as Elvira, the ghost of his first wife.

All seats are reserved and tickets may be obtained at Ledbetter-Pickard's or in the Business Office of the Playmakers Theatre in Swain Hall.

Students Present Musical Program In Hill Tomorrow

A student recital will be presented in Hill Music Hall tomorrow at 4:05 p. m. The program will be varied, consisting of vocal, flute, and piano solos.

Andrew Griffith, bass, accompanied by Charles Stevens on the piano will sing "Nina" by Pergolisi and a Scarlatti composition. A Beethoven sonata will be played by Ruth von Bramer. Catherine Lewis, flutist, will present Debussy's "Syrinx" and "Serenade" by Lavignac. She will be accompanied by Durema Fitzgerald. Gene Stryker, baritone, accompanied by Herbert Livingston, will sing two selections, "Man is Full of Trouble" and "Solitude."

See RECITAL, page 4

The participants are William Fitzgerald, a sophomore from New Bern, clarinet; Miss Emily Porter, Moline, Kansas, graduate assistant, cello; William Waters, freshman from Roanoke Rapids, piano; Miss Carolyn Bowman, Shelby, senior, piano; and Miss Mary Louise Emery, Salem, Ohio, graduate assistant, piano.

Their program will include three movements of the Sonata in E flat major, op. 120, by Mr. Fitzgerald and Miss Bowman; "Capriccio in F sharp minor," "Intermezzo in E major," and "Rhapsodie in B minor," Mr. Waters; and three movements of the Sonata in E minor, Op. 38, Miss Porter and Miss Emery.

The three piano selections are typical of Brahms' later piano works which reveal his mastery of the piano, while the two clarinet sonatas were inspired by the fine clarinet play of Muhfeld, well known clarinetist of Brahms' time. The first sonata for pianoforte and violoncello in E minor, op. 38, is the first extant duet of Brahms and its finale is unique in chamber music, being a strict fugue.

Dorm Building Is Approved By Trustees

No Date Is Given For Construction

The University Board of Trustees, meeting in Raleigh yesterday, gave its stamp of approval to contracts providing financial arrangements for construction of the five new dormitories recently authorized by the board. Chancellor R. B. House, who attended the session, along with President Frank P. Graham and Controller W. D. Carmichael, declined to divulge terms of the agreements.

Under the three-way contract between the State of North Carolina, the Chapel Hill branch of the University and the Wachovia Bank and Trust Company, the state leases ground for the buildings to a University foundation and the foundation borrows money from Wachovia to finance the construction.

No Date Given

The board also authorized arrangements for extension of utilities to the new dorms. There is no indication as yet concerning a possible date for beginning construction. Tentative sites appear on page 4.

Smith Returns Here After Being Chosen As Typical GI Type

Wiley Smith, Jr., of the freshman class, has returned from New York after a successful week in New York as a member of the 1946 Bates College Board. Chosen as the typical returned G.I. to serve on the board, Smith proved himself a capable target for the photographer's lens.

He was a B-17 pilot stationed in England, and flew twenty-nine missions over Germany. He is a member of Sigma Alpha Epsilon fraternity.

Bates Fabrics has chosen twelve outstanding college students since 1939 to check fabric popularity, campus trends and to talk over its advertising plans in a preliminary trial on actual students.

This year there are only two boys on this year's board. The other boy besides Smith was Bill Hackett, twice All-American from Ohio State.

Smith will be seen soon in "Life" and "Esquire" magazines.

Pittsboro Road Area Scheduled as Site

By Mary Hill Gaston

Men are now at work clearing off the old high school grounds located on Pittsboro road above the Phi Delta Theta house to provide a site for a trailer camp to be used by University students. Authorization for the project has come from the buildings and grounds committee as a result of requests from a number of married veterans.

The camp should be completed for use at the beginning of next term. Its area will take care of approximately 20 trailers. The University plans to set up bath houses and toilet facilities for the trailer occupants and to connect water and utility lines to the grounds.

Trailers to be located on the ground will be owned by the occupants themselves, as the University does not plan to purchase any to rent to students. Families living in the area will pay for the heat, light and water provided them and will pay in addition enough to cover costs of maintenance, which will include garbage collection, cleaning service for the bath houses and toilets and upkeep of walkways.

As yet there is no provision for signing up applicants for space in the trailer camp, but announcement of a manager of the area should be forthcoming soon.

The proposed trailer camp, though it will not be large enough to accommodate many families, will prove at least some relief to the housing shortage so severely felt here; especially among married veterans desiring to bring their wives here. It will provide temporary relief until the 176 government-owned prefabricated houses promised Carolina arrive.

A large number of colleges and universities all over the country have bought trailers to be rented to married students.

Ruffin Dormitory Will Be Returned For Civilian Use

It was disclosed yesterday afternoon that Ruffin dormitory, used by ROTC students for the past two terms and before that by the Pre-Flight cadets, will be turned back to the University for civilian students at the beginning of the spring quarter.

An ever-increasing number of discharges, plus 37 men graduating this term, will bring the total of military men here next term down to approximately 298. This will include about 205 ROTC's and 93 marines. At the beginning of the winter quarter there were 342 Navy men and 103 marines here, making a total of 445, according to the enrollment figures.

Return of Ruffin for civilian use will leave Manley and Mangum for ROTC's and Grimes for the marines. After this term all dorms housing military men are scheduled to be returned to the University as the V-12 program assumes a peacetime status.
