State Assembly Adopts Bonus For Teachers

Emergency Pay Bill To Last Until July

Raleigh, Jan. 23—(UP)—Salaries for teachers occupied the attention of the Legislature today. Both houses approved a plan for a bonus to tide teachers and other State employees over until July the first.

Then the State Superintendent of Education—Dr. Clyde Erwin—asked the Appropriations Committee to earmark every single dollar they possibly could for teacher pay for the next two years. Dr. Erwin outlined the present teacher shortage in North Carolina. And he said increased salaries was the only way to cure it.

Board Makes Request

The State Board of Education said its request to the Budget Commission for a 20 per cent pay increase was prepared last summer—in the light of conditions then. But it said both the cost of living and the State's revenue had risen since summer. And it asked for more money—not for any definite amount, but for any sum possible.

In his Legislative address and again in his budget message Governor Cherry said he felt twenty per cent was the maximum raise the State should undertake.

Navy Patrols Rescue Four Missing Airmen

Pensacola, Fla., Jan. 23—(UP)—Air-sea patrols have rescued four of five Navy airmen, missing since their P-B-Y Catalina Flying boat crashed last night near Pensacola, Florida.

Details of the rescue are not available. But Pensacola Naval Air Training base officials report that four enlisted members of the crew are safe today. Lieutenant Junior Grade A. W. Dunham is still missing.

Grand Jury Indicts May on Garsson Plot

Washington, Jan. 23—(UP)—A Federal Grand Jury has indicted former Democratic Representative May of Kentucky on charges or receiving 53 thousand dollars in money and land from the Garsson Munitions combine. The one-time Chairman of the House Military Affairs Committee also is accused of conspiracy. The offenses carry a maximum total penalty of four years in prison and fines of 20 thousand dollars. The indictment also charges the Garsson brothers, Henry and Murray, and a partner, Joseph Freeman, with conspiracy to defraud the government.

Government Will Cut Number of Employees

Budget Bureau, Jan. 23—(UP)—The government plans to drop 100-thousand employees from the payroll by July. A budget official suggests that economy-minded lawmakers concentrate on trimming expenses in the War, Navy, Postoffice, Treasury and Veterans Departments.

British Meat Rations To Be Reduced Again

London, Jan. 23—(UP)—The government has served notice on the already diet-jaded British people that their meager ration of fresh meat again is being cut. The people also were told that other reductions are likely, and that an acute shortage of basic foods will continue.

Hodgson Is Named To Director Post

Tookie Hodgson, DTH satirist and Carolina Mag writer, has been selected by the Publications board as one of the seven student directors of the Graham Memorial Student Union.

Late last term Hodgson was appointed a GM director by Robert Morrison, Board president, and Wednesday the Board ratified the appointment.

In a letter circulated recently to student government organizations, Joe Byrd, Legislature clerk, announced that the University administration had approved the Legislature's GM proposal and the faculty and student members are now being selected.

Graham Addresses Di On Literary Societies

Declaring anew that the two literary societies were the "source of student government at the University," Dr. Frank P. Graham, in his address at the Di Senate's inaugural session Wednesday evening, said that "revival and restoration of these societies can mark the arrival of a new era at the University."

"Something passed out of the life of the University when these societies declined," Dr. Graham told the Senate and guests who assembled to install the Di's new officers. "Not only student government," he declared, "but campus publications all grew out of the Di and the Phi."

Retiring President Pro tem of the Senate Tom Eller opened the meeting, gave the oath of office to the re-elected President Don Shropshire and turned over the gavel to him. In his inaugural address Shropshire assured the members he had no promises to make, that he wished the new year's work to be judged not by what he might have committed himself to but by "what has actually been accomplished."

Stassen Receives Second Highest Number of Votes

By Bob Rolnik
Leading the International Relations club poll of opinion, James Byrnes barely nosed-out Harold Stassen as presidential choice in Wednesday's campus-wide straw-vote in which more than 1500 students participated.

Students favored retaining occupation troops in Germany for more than 10 years and voted by a conclusive margin against releasing the atom bomb secret to the United Nations under any circumstances.

Appointment of military officers to high diplomatic and executive posts met with disapproval of the majority of voters.

Lower Tariff
The heartiest vote of favor went behind reciprocal trade agreements and lowering of U. S. tariff barriers. However, immigration barriers were upheld by 959 students who voted against admitting one hundred displaced persons into this country, while 469 favored this action and 84 had no opinion.

A Zionist state in Palestine was backed by most students who voted on the poll. By a wide margin, most ballots were cast in favor of U. S. participation in any conference relating to a change in the "status quo" of the Dardanelles.

Wallace Third
Byrnes led the presidential poll with 320 votes, followed closely by Stassen with 305 votes. Wallace trailed.

Timmons Would Like to See 3rd Party

Says Truman, Dewey Will Be Candidates

President Harry Truman and Governor Tom Dewey will be the candidates of the two existing parties for the presidency in 1948, Bascom Timmons, Washington correspondent for 35 years, who represents some 25 papers in various sections of the nation, predicted in an address here tonight at the opening session of the 22nd annual North Carolina Newspaper Institute.

"I'd like to see a third party for one reason only," Timmons said, "half way humorously." "Maybe some stout hearted Richard would stand at Armageddon and mix things up a little. Wouldn't it just be grand if we had Tom, Dick and Harry all running for President at the same time?"

Herbert Peele, editor of the Elizabeth City Advocate and also president of the North Carolina Press Institute, presided over yesterday's session of the institute and will also preside over the session today.

Club Signs Bands For Appearances In Late February

For the first time in many years two bands, Sonny Dunham and Dean Hudson, have been signed to play for the German club dances to be held in Woolen gymnasium on the weekend of February 21-22, Carroll Tomlinson, president of the dance group, stated yesterday.

The Modernaires, featuring Paula Kelly, will also appear at Saturday's concert and dance.

Two Concerts

Two concerts will be held in Memorial hall, one on Friday afternoon with Hudson beginning at 4 o'clock, while Dunham and the Modernaires will give from 2 to 4 o'clock on Saturday afternoon.

Both dances will be formal, Tomlinson said. He also announced two changes in the German club administration. Jess Jernigan is now treasurer and Earl Woodward has been named secretary.

Sonny Dunham whose music is billed as "subdued swing" has been knocking around the musical circuit for quite some time will play Saturday after an engagement at the University of Virginia Friday.

The trombone and trumpet soloist will split the Saturday program with Paula Kelly and the Modernaires who have won fame for themselves through numerous record releases.

Since 1938

Although not as well known as Dunham, Dean Hudson has been playing for college dances since 1938, with occasional stints at east coast night spots.

The Friday dance will begin at 9 winding up at one a.m. while Saturday's will last from 8 until 12 o'clock. There will be a German club figure at Saturday's affair.

Tomlinson said that the Friday night figure will not be held as in the past, "because a lot of folks get tired of them."

Eller, Miller Give Reports To Legislature

Group Encountered Many Difficulties

By Bookie Jabine
Meeting in historic, portrait-decked Di hall, the Student Legislature last night heard and accepted the reports of Tom Eller and Bill Miller, UNC delegates to the Chicago conference held last month.

Eller's concise and complete report told of the parliamentary difficulties encountered which kept the body in a "tangle." According to Eller much of the debate in the Windy City revolved about the question of segregation.

Before the Chicago reports, the assembly heard Ray Jeffress explain the student government conference which was held in Knoxville last October. Said Jeffress, "The University has the most freedom of student government of any institution represented at the Tennessee convention."

Miller, who was elected co-chairman of the regional committee of the National Students organization, advocated that the legislature consider the "practicability of joining the NSO, but we must go into this thing whole hog or nothing."

The Legislature then elected a six-member committee to consider the possibilities of joining the NSO. Named were; John Clampitt, Bill Mackie, Winston Broadfoot, Taylor Dodson, Peggy Rankin, and Jo Farris.

This panel will meet with the Chicago delegates.

Three bills were introduced on the floor last night, and referred to committees.

Tom Eller introduced a measure that would require heads of numerous student activities to give complete reports both financial and concerning policy, past, present and future.

Eller, in speaking of the Chicago gathering, urged the legislators to join the NSO, but he said, "the North Carolina representatives must be better prepared. The speaker pro-tem recommended that if the legislature does send a delegation to Chicago in

Betty Ann Green Speaks to Coeds On CICA Group

Betty Ann Green, president of the International Relations club and chairman of the ways and means committee of the Coed Senate, addressed the Carolina Independent Coed association Wednesday evening on the potentialities of independent organization on the University campus.

"No one person can do the work necessary to make CICA the leading organization it should be," Miss Green stated. "We must work together as an integrated whole and endeavor to bring into our group every independent coed. To do this we must find some way of showing the now uninterested women students that CICA has a place for them and that we need their aid."

It was decided to order identification bracelets crested with a seal designed by Barbara Biggers. Any member of the organization who was not present to place an order for a bracelet is asked to contact Bettie Washburn at 204 Carr dormitory.

Six juniors were elected to serve on the executive council of the organization until the end of the spring quarter to aid in planning CICA policies and activities for the next six months: Mary Swann, Doris Harrell, Nan Guy, Sarah Blair Pearson, Nina de Berry.

The organization's president, Betsy Anne Barbee, also appointed various committee chairmen to work on the fashion show which CICA is sponsoring on March 3 in the Village theater, with the cooperation of Montal-do's in Greensboro. Chairmen of the groups are: Blanche Jacobi, models; Jean Thompson, decorations; Gloria Robbins, publicity; and etty Vashaw, clean-up committee.
