Prospective Members Of Naval Reserve Unit Asked to Contact Few

University of North Carolina students who are planning to become associated with Durham's Naval Reserve Unit are requested by Lt. Randolph Few, Sixth Naval District Commandant's representative in Durham, to contact him as soon as possible in his offices at Room 202, Postoffice building, Durham.

Veterans of all branches of the service are eligible for the Naval Reserve, including the Army, Marine Corps, Coast Guard, and Merchant Marine, as well as the Navy. Also eligible are non-veterans in the age groups of 17-18½ and 30-40.

"I know of no better way for North Carolina students to pick up a little extra change," Lt. Few said. "There are four meetings each month and the pay for each of these meetings runs from \$2.50 per drill for an apprentice seaman to \$5.50 a drill for a chief petty officer. Thus, a man can make from \$10 to \$22 per month by spending a couple hours with the Navy each Monday night."

Weekly meetings are being held at the Carr Junior High school in Durham.

world. The entire goal of the WSSF has been set at \$2,000,000 for all the countries associated with the fund, although it has been estimated that \$5,000,000 is needed to complete work which has been tentatively planned for the coming year. The goal of \$1,000,000 for the United States has been set by WSSF officials who feel that, in material means, at least, American students are the best able to help.

Money contributed to the fund will go directly to the needy countries in Europe and Asia. A great number of students on both these continents sometimes do not have as much food in a day as Americans have for breakfast. They work eight hours a day and go to school at night. Their equipment is meager, plants have been partially or wholly destroyed, textbooks are unobtainable, pencils, paper and other essentials for classroom work are almost unheard of, students are living in crowded railroad stations, under bridges and in other dirty, unsanitary places.

This money will help send food to emergency kitchens and canteens, it will help set up medical centers for tubercular students and help buy medicine for the sick, it will help build living quarters and buy beds and clothes.

As Earle Page told the WSSF solicitors for the University last week, "We must not only give, but give sacrificially."

DAVID GOLIATH ON ICE! WATCH WHAT HAPPENS WHEN ICE-BOATING CHAMPION ART SIEBKE MATCHES HIS TINY SKEETER CLASS YACHT AGAINST ONE OF THE GIANTS OF THE SPORT. IT'S A LONG SHOT—BUT IT'S THE ONLY WAY I'LL EVER CATCH HIM—HERE GOES!

THOSE BIG CLASS A YACHTS CAN DO WAY OVER 100/ LOOK—WHY IS SIEBKE BEARING OFF LIKE THAT? HM-M—OH, I GET IT. A BEAUTIFUL MANUEVER, IF HE CAN MAKE IT!

BECAUSE ICE-BOATS PICK UP SPEED TREMENDOUSLY AS THEY ARE POINTED FARTHER FROM THE DIRECTION OF WIND, SIEBKE BEARS OFF SHARPLY TO STARBOARD, GAMBLING ON HIS ABILITY TO TRAVEL THE LONGER ZIGZAG COURSE IN FASTER TIME THAN OPPONENT CAN COVER THE DIRECT COURSE—BUT THAT'S NOT ALL OF THE MANUEVER... R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina

QUARTER MILE OUT FROM THE DIRECT COURSE, THE CHAMPION COMES ABOUT ON A STARBOARD TACK AND RACES ON TO CUT OFF HIS OPPONENT* IF I CAN JUST GET THERE—I CAN FORCE HIM ABOUT!

LOOK AT HIM! THEY'RE GOING TO CRASH! NO, THE BIG FELLOW WILL HAVE TO COME TO SLOUT AND HE'LL LOSE HIS SPEED—COME ON, ART!

HE DID IT! HE MADE HIM COME ABOUT! THERE'S YOUR FINISH—AND ART SIEBKE IS THE WINNER!

TAKES A LOT OF EXPERIENCE TO BRING OFF A MANUEVER LIKE THAT, ART YES, EXPERIENCE IS THE BEST TEACHER—IN ICE-BOATING AND EVEN IN CIGARETTES! I LEARNED FROM EXPERIENCE THAT CAMELS SUIT ME BEST CAMELS ALWAYS HIT THE SPOT WITH ME

*RACING RULES PROVIDE THAT YACHT ON PORT TACK MUST GIVE WAY TO YACHT CROSSING COURSE ON STARBOARD TACK "In ice-boating," says Champion Siebke, "I've had years of experience. My experience with different cigarettes came during the wartime shortage when I couldn't always get Camels and had to smoke different brands. That's when I learned how much I appreciated Camels!" EXPERIENCE TAUGHT ME THE BIG DIFFERENCE IN CIGARETTE QUALITY. I LEARNED THAT CAMELS SUIT MY "T-ZONE" TO A "T" YOUR "T-ZONE" WILL TELL YOU T for Taste... T for Throat... that's your proving ground for any cigarette. See if Camels don't suit your "T-zone" to a "T."
