

It is estimated that it cost about 1.7 cents a mile to operate a motor car on paved roads.

# NEW RAZOR

## Simplifies Shaving

World's Newest Razor Gives Swifter, Smoother, Safer Shaves

Mystic, Conn., Mar. 7, 1947. There's a new razor out, simpler by far than any that has ever been made.

The new Enders Razor is all one piece, no moving parts, no extra gadgets. All you do is click the blade in and shave. And what a shave! The razor doesn't clog; it's easy to clean and keep clean. Its modern plastic handle is curved to fit your hand. Its shaving angle is so well set to your face that it reaches easily all the hard-to-get-at spots—around chin, ears, nose.

Get this amazing new Enders Razor at your campus store, at the special introductory price.

### Legal Fraternity Initiates Fifteen New Law Students

The Battle Senate of Delta Theta Phi, one of the foremost legal fraternities of the country, was reactivated here recently with the initiation of 15 first year law students.

Paul O'Bryan, capitol district chancellor, and Jim Hunt of White Senate at Georgetown University came from Washington, D. C., to perform the initiation ceremonies in the Carolina inn with Dean R. H. Wetfack of the University law school, former member of the Gibson Senate at the University of Pittsburgh.

After starting here in 1924, the Battle Senate discontinued its charter during the 1930 years of the depression. The new Senate is already well organized under the following officers: Preston White, dean; Dave Henderson, vice-dean; George McDermott, clerk of the rolls; William Smith, clerk of the exchequer; E. O. Brogden, master of the ritual; Robert Altamose, bailiff; and John W. Campbell, tribune.

Others initiated Monday night and entertained at a dinner party in the Inn dining room were Thomas Adams, Junius B. Lee, C. A. York, William Snow, Charles Gordon, Nick Long, Edward Coppola, and J. C. Barefoot.

## How a city's voice was restored!

Early on December 14, 1946, flames gutted the Central Office at River Grove, Illinois. Telephone service for 10,000 families ceased to exist.

Even as the fire burned, restoration work was begun. Emergency telephone headquarters was set up. Mobile equipment arrived to handle calls of first importance.

Telephone men from distant points came to aid the local forces. Bell System standardization proved itself again for all men were able to use the same methods, the same tools, the same Western Electric equipment. From Western Electric plants

hundreds of miles away the needed supplies—the right kinds and amounts—were started toward River Grove.

In a matter of just 11 days... a record accomplishment... two Quonset huts were erected, new switchboards installed, splices and connections made. River Grove's communications system was restored.

Planning well in advance for both emergencies and normal growth, is a task of telephone management. The many and varied problems presented offer a stimulating challenge—promise adventure and opportunity—to men who choose telephony as a career.
