Dick Manning Enters Race For Presidency As Independent Candidate

CP Backs Fitzgerald For Secretary-Treasurer, Names PB Slate

Candidate to Make Formal Acceptance At Meeting Tonight

By John Stump

Earl Fitzgerald, rising junior from Pelham, has been nominated by the Campus party for secretary-treasurer of the student body.

Although the nominee has accepted informally, his formal acceptance is scheduled to be made in a speech to the party at its meeting this evening.

Heads Debate Council

Fitzgerald is president of the Debate Council and has taken part in University debating activities for more than two years.

His nomination was hailed yesterday afternoon by CP publicity chairman Tom Lockhart speaking for the party commented, "We feel that in nominating Earl for the secretary-treasurer's post we are choosing one of the most able and aggressive leaders to be found in the student body."

Chairman Bob Haire of the Campus party called the nomination "a long step in our attempt to revive interest and maintain efficiency in Carolina student government."

Commends Work

Lockhart pointed out that through Fitzgerald's work with the Debate Council this year and last, the activity has again become a major one at the University. "Fitzgerald," he said, "has played a leading part in getting the University into the Tulane forensic tournament, was primarily responsible for the eminently successful intramural debating program, and is now devoting his efforts to the coming Fredericksburg (Va.) Grand National tourney."

The candidate is a former vice president of the Debate Council and has served as clerk and as treasurer of the Dialectic Senate. At the present time, he is a D member and a member of the University debating squad.

Long Heads Executive Council Of State Student Legislature

By Chuck Hauser

Plans for the 11th annual State Student Legislature are rapidly nearing completion under the leadership of Charlie Long, junior from Thomasville.

Long, former Student party chairman, Di Senate speaker and speaker pro tempore of the University Student Legislature, was elected chairman of the executive council of the state legislative body and its temporary speaker at a council meeting Saturday evening at Meredith college in Raleigh.

Chester ZumBrunnen was elected to the steering committee of the council, and Pete Gerns was

appointed temporary speaker of the Phi Assembly and Gerns is present parliamentarian of the Student Legislature.

The state meeting will be held on April 16 and 17, and according to present plans will be unicameral, since only the House chambers of the state capitol are available at present. There is still a possibility, however, that the Senate hall will be open, in which case the assembly will revert to its usual bicameral form.

The legislature was begun in 1937 by the Pi Kappa Alpha debating society at State college and was carried on by that organization until the 1945 session,

when the executive council gained control of the project.

During the 1945 meeting, the decision was made to admit representatives the following year from Negro colleges in the state. According to observers, the interracial group worked together in perfect harmony, but the race question was admittedly part of the cause for the attempted cancellation of this year's assembly by State college students on the executive council last fall.

A complete revamping of the council set-up followed the move, and the 11th annual legislature is now moving close to reality.

Music Program Slated Tonight

A program of American music, representative of the nation's entire musical history, will be presented tonight at 8:30 in Hill hall sponsored and performed by the members of Phi Mu Alpha Sinfonia, Alpha Rho chapter, national honorary fraternity.

Campus Drive For Red Cross Starts Today

By Sally Woodhull

Today marks the opening of a campus-wide Red Cross drive to raise \$2,000 from Carolina students as part of the national campaign goal of \$75,000,000.

Headed by Graham Memorial Director Bill Shuford with the assistance of students Joe Ferguson and Bob Ormand, the drive continues through tomorrow and Thursday, in an effort to reach the campus goal in a minimum of time and with as little inconvenience to students as possible.

Responsibility for solicitations of funds has been assumed by various campus organizations, with a keen spirit of rivalry in evidence among them, according to Shuford. Recognition will be given to those organizations which contribute outstanding amounts, or which solicit 100 per cent contributions.

Lead Solicitation

Emile Saleeby will head the solicitation for Men's Interdormitory council, and Bootsie McWilliams for Women's Interdormitory council; Jack Thompson for Interfraternity council and Ferne Hughes for Pan Hellenic council; and Barbara Cashion for Coed Senate. Mrs. Dorothy Cooke will head the group which is to contact students and their families living in Victory Village.

Included in services of the American Red Cross are activities such as those of the home service office in Alumni building, which aids veterans in filing of claims, GI insurance, hospitalization, and general counseling.

Aid to Veterans

Throughout the nation there are more than 18 million war veterans, who with their families, comprise 32 per cent of the population. Red Cross aids them in countless ways.

First aid, water safety, accident prevention, nursing and nutrition services are included under the health services offered by the Red Cross; and in addition there are numerous volunteer services such as the Gray Ladies, Nurses' Aides, canteen service, and entertainment and instruction.

Distaster service, such as that offered following the Texas City explosion of last year is one of the most important of Red Cross activities, although the services of the organization encompass a far wider program.

CHARLOTTE DANCE BIDS

Bids for the Charlotte Carolina Club holiday dance may be purchased today and Wednesday at the "Y" from 9 until 1 o'clock for \$1.50. Wednesday will be the last opportunity to obtain tickets for the dance which is to be held Friday, March 19, at Morris Field Officers' club in Charlotte. Tickets will not be available in Charlotte. The number of bids per person will not be limited until the supply of 275 tickets has been exhausted.

Platform Expresses Desire For Efficient Government

Dick Manning, commerce major from Raleigh, has declared as an independent candidate for the presidency of the student body.

"It has been my sincere desire," Manning stated, "to see and participate in an efficient and effective student government. I believe that this type of government may be achieved only with a president who has no affiliation with or obligation to any political party."

The 23-year-old candidate, who served in the European theater of operations in the parachute infantry during the war, explained that the reason he has not entered the political field before was the uncertainty of the duration of his stay on campus after he first entered in 1945.

At that time he was on active duty assigned to an army hospital to which he was forced to return several times after his first enrollment. He was retired with the rank of captain in October, 1947.

A member of Zeta Psi fraternity, Manning has been awarded the distinguished service cross, the British military cross, and the Purple Heart. He will be a junior at the end of next quarter.

Manning's statement of his candidacy follows:

"I have at this time decided to yield to the persistent requests of my friends that I announce my candidacy for the office of president of the student body."

"I fully realize the difficulty that I will encounter running as an independent candidate against organized parties. I feel confident, however, that this obstacle may be overcome with the aid and active support of those who, as I, desire a government which will meet the needs of the individual and not the interest of a political party."

President Truman Says He Will Run

Washington, March 8—(UP)—President Truman announced tonight that he will definitely run for re-election. He made the statement through Chairman J. Howard McGrath of the Democratic national committee.

McGrath and Gael Sullivan, executive director of the Democratic committee, met an hour and a half with the president this afternoon. McGrath said afterward that the president had authorized him to say "If he is nominated by the Democratic national convention, he will accept and run."

The statement was the first official news of Truman's course. There has been little doubt that the president would go after the Democratic nomination, but recently rebellious Southern Democrats, aroused over the administration's racial rights program, have talked about putting up some other candidate.

BULLETIN:

Tokyo, March 7—(UP)—General Douglas MacArthur says that he will run for president if nominated.

This is the first statement he has made concerning probable nomination. He says that he does not "actively seek or covet any office," but he adds, "I will not shrink from accepting any public duty to which I might be called by the American people."

In this connection, McGrath said that President Truman's position on the civil rights program is unchanged.

The Democratic chairman said that Truman's decision to announce his candidacy for the nomination followed "urgent" requests from Democratic leaders throughout the nation.

Carolina Magazine Contest Offers \$25 Prize To Photographer Who Enters Winning Picture

Twenty-five dollars in merchandise for the photographer, and publication in the Carolina Magazine for the picture—those are the prizes in a Carolina magazine photography contest announced yesterday by Mag editor Fred Jacobson.

The contest opens March 26, and closes at midnight April 9. Foisters Camera store on East Franklin street is donating the first prize.

Purpose of the competition according to Jacobson, is to encourage interest in amateur camera work and to make available, through the Mag, the

best results obtained by local shuttermen.

The contest will be open to any student of the University. In addition to the winning picture, all photos receiving honorable mention will be published.

Jacobson yesterday encouraged all would-be entrants to look for suitable scenes to photograph while they are at home on vacation. He pointed out that there are probably many possible winners already taken and reposing in trunks and albums.

Entries may be submitted to the magazine office on the sec-

ond floor of Graham Memorial from 2 to 5 o'clock on all weekdays.

Jacobson suggested that all pictures submitted by 8 by 10 but said that all sizes will be given equal consideration.

He specified that no name or identifying mark may be affixed directly to the photograph. Reason given for this was that the pictures are to be numbered and judged with no way of telling who the photographer is without referring to the key.

Judges for the contest will be Jacobson and Mag managing editor Charlie Gibson.
