## Dedmond Faces Long In Runoff Tuesday; Legislature Sustains Quarterly; \$105,000 Campus Budget Passed

### Jim Godwin, Ed Joyner Are Elected; Childress, Kirby On Tuesday's Slate

Five battles for major campus posts will be featured in next Tuesday's runoff election, with presidential candidates Jess Dedmond and Charlie Long scheduled for the title bout. CP-UP-backed Dedmond almost made the local White House on the first ballot with a total of 1,510 votes, but independent Long spoiled his fun by polling 817 votes. This, added to Dick Manning's 443 (Ind.) and Mike Rubish's 399 (SP), was enough to give the boys a gentle hint that the top office would still be open for another week of campaigning and planning.

Jim Godwin (CP-SP) sneaked in behind Johnny Clampitt (UP) to steal the vice-presidency with a margin of only 48 votes. The count standing at 1596 to 1548. Gran Childress (SP-894) and Bob Kirby (UP-1,477) will hit the runoffs leaving Earl Fitzgerald (CP) behind with 592 votes.

Ed Joyner swapped Art Melton with his triply-endorsed 2-163 ballots to Melton's 892 for the editorship of the Daily Tar Heel, while Bill Duncan (UP-1,653) passed Gene Blake (CP-SP) for the Yucky Yuck editorial position.

The humor-mag runoff will see UP men Tom Smith and Bob Wharton fight it out with CP Charlie Gibson for the Tarnation spot. The count: Wharton-Smith - 1,308, Gibson - 1,021, Tom Kerr (SP) - 435 and Fred Burgess (Ind.) - 232.

Norm Sper (SP - 1,355) will (See ELECTIONS, page 4)

"He will introduce new blood and new cheers into the Carolina stands. Norm has ideas that are good and I feel sure that he can put them across. ### SP-CP Steering Committees Meet In Joint Session

Student and Campus party steering committee members met together yesterday from 4:25 to 6:40 in Graham Memorial, but when their two and a quarter hour discussion was completed no definite decisions, endorsements, or commitments had been made.

In an amicable beginning to a meeting that was to remain that way throughout, the group chose SP chairman Gran Childress to preside and CP legislator-elect Ellis Hall to serve as secretary.

First business to come before the conclave was discussion of the pending run-offs for the presidency and secretary-treasurer-ship of the Student body. After lengthy consideration, the men present decided to take no action on either of the two positions.

After like decisions had been made concerning the races for head cheerleader and at-large member of the publications board, the group moved to a discussion of candidates involved in the run-off for the Student Legislature.

After a few minutes discussion of the run-off for men's short term positions, the group decided in view of the fact that all candidates concerned were nominees of one of the two parties represented, to move on to women's position.

At this point, Bill Mackie stated his belief that in a situation where legislature seats are at stake that the two parties should

### Publications Get Large Increase Along With GM

By Gordon Huffines

A \$105,000 general campus budget for the fiscal year beginning June 1 was passed last night by the Student Legislature by an almost unanimous vote. With the exception of an \$87.50 cut in the appropriations for the Elections board the budget was passed intact as presented by the Finance committee.

An attempt to kill the new Carolina Quarterly by cutting the proposed \$2,000 appropriation was defeated by members of the Legislature. On the recommendation of Ernest House, chairman of the Finance committee that a cut be made in the budget to increase reserve funds. Tag Montague introduced an amendment to cut the amount of money to be appropriated for establishing the quarterly to \$1,000. Tom Kerr and Charlie Gibson appeared before the Legislature to defend the quarterly.

Largest item on the new budget is a \$65,717 appropriation for campus publications. Of this amount the Daily Tar Heel will receive \$24,670, the Yucky Yuck, \$33,818, and the Tarnation \$5,775.

By a decree of the Board of Trustees Graham Memorial is to receive \$21,000 to cover operating expenses for the next year. An additional fund of \$5,250 was appropriated for student entertainment. (to be administered by Graham Memorial.)

With the exception of the proposal to the Carolina Quarterly the only other dissent evident in the routine passing of the budget items was over the transportation expenses for the Debate council. Ernest House explained to the legislators that the council's budget is being increased to \$4,125 this year to aid in expanding the activities of the University's debating teams. Earl Fitzgerald, president of the Debate council, was extended the privileges of the floor to answer questions on the council's expenses.

Other appropriations provided for in the general budget are: executive branch of the Student government, \$937.50; legislative branch, \$400; judicial branch, \$1,243.50; Carolina Forum, \$600; and the Men's Interdepartmental council, \$80. An unappropriated balance of \$1,472 remains in the budget for the forthcoming fiscal year.

#### TARNATION STAFF

There will be an important meeting of the entire Tarnation business and editorial staffs, Monday night at 7 o'clock. Editor Tookie Hodgson urged all members of the staff to be present as important matters will be discussed.

### House, Emory, Pegg, Robson, Rosen To Speak At Pro-Draft Reply Meeting

The pro-conscription group on campus announced today that their reply to arguments advanced by the Committee against Conscription will take the form of an open discussion on the present world situation.

In the meeting announced for Monday night they will present a panel of the most qualified speakers available to discuss the present situation from geographical, historical, political, scientific, and military points of view, Bill Corley announced. "We want to present to the campus a complete analysis of the problem confronting the United States today, as we believe the best argument for any cause is the examination of the facts," he said. "If the stu-

dents have the facts presented to them in a non-partisan discussion by the men best qualified to discuss the problem they will be able to make up their own minds as to whether or not they favor the proposed conscription legislation."

Chancellor Robert B. House will serve as moderator of the meeting and the speakers will be Dr. S. T. Emory of the geography department, Dr. C. H. Pegg of the history department, Dr. C. B. Robson of the department of political science, Dr. Nathan Rosen of the physics department, and Brig. Gen. Madison Pearson. The meeting will be held in Hill hall Monday at 8 o'clock.
