McCutcheon Asks For Cooperation In Ticket Drive

Benson McCutcheon, president of the senior class, yesterday requested that all seniors cooperate in the drive now underway to sell tickets for the Gene Krupa concert to be held the afternoon of May 15.

Tickets are now on sale at 75 cents each in the Y lobby and are available to the public in general.

McCutcheon issued the statement after a meeting of the senior class Tuesday night attended by only 100 members. The program of Senior Week activities was changed and the schedule for class day activities on June 5 was released.

It was brought out by McCutcheon, "I feel that I should appeal to senior class members to give their support in the sale of the Krupa tickets. The Senior Prom, being a free dance for seniors, must be financed by this only source of revenue — the sale of concert tickets. The success of this dance depends largely upon the cooperation of seniors."

Senior Week activities, as disclosed at the meeting, will begin with a senior-faculty softball game on Thursday afternoon May 13.

Barefoot day will be observed on Friday, May 14, on which day all seniors are requested to leave their shoes at home.

The Senior Prom on Saturday, May 15, will feature the music of Gene Krupa and his band from 8 o'clock to 12. A concert will be held from 4 to 6 o'clock in the afternoon.

Legislature Session Will Hear Proposal For Fee Increase

A resolution to increase student block fees 75 cents per quarter will come before the Student Legislature tonight. The proposal is being made by a joint Finance committee which is investigating the block fee structure.

According to the committee's proposal, graduate student fees would be raised from \$3.85 to \$4.70 a quarter, and undergraduate fees would be raised to \$5.75. The action is being proposed to provide for a shortage of \$5,426.85 that will result from errors made in drawing up the 1948-49 budget which goes into effect June 1. The proposed increases in student fees will raise student government income from \$105,000 to \$115,375 for the forthcoming fiscal year.

Insufficient Reserve

The budget, which was passed by the last session of the Student Legislature, has an unappropriated balance of \$1,470 which the committee has declared "insufficient for an operating reserve."

The investigating committee, which is composed of the Finance committee of the Legislature and the Publications board, has also reported that a deficit of \$6,600 exists in the 1947-48 budget. A large part of this amount will be recovered in the form of returns from campus organizations.

He has also displayed considerable dramatic talent as Don Alhambra in Gilbert and Sullivan's "The Gondoliers," as the Judge in "Trial by Jury," also by Gilbert and Sullivan; and in last summer's performance of "The Lost Colony." His latest role was in "The Mikado," in which he rendered a brilliant portrayal of Ko-Ko, the executioner. Griffith is also proficient on the guitar, ukelele, and banjo.

Brinegar, tenor, is also a student of Paul Young, having in addition been taught by Mr. W. B. Lord and at Mars Hill junior college by Mrs. Elizabeth Logan Southern. While at Mars Hill, Mr. Brinegar was soloist with the Glee club and choir and served as choir director of the French Broad Avenue Baptist church in Asheville. He will be remembered for his solo work with the Men's Glee club at Christmas concerts of the 1946-47 and 1947-48 seasons. For the past two years, Brinegar has been choir director of the Carrboro Baptist church. He has also appeared in the operas, "The Bartered Bride" and "The Mikado."
