

The Daily Tar Heel

Women's Calls Off

Fink Frowns On Publicity For Contest

By Gordon Huffines

There will be no "Powder Bowl" football game today. Joe Ward, temporary chairman of the University club announced yesterday that the proposed grid clash between the Hopeless Huskies and the Last-Chance Frightfuls, scheduled for 3 o'clock this afternoon in Kenan stadium had been called off on the recommendation of Mrs. Ruth W. Fink, women's athletic director.

Mrs. Fink said yesterday that "from the standpoint of the health of the girls and the unfavorable publicity that the game would cause, I don't think it would be a good thing." There was no comment from Dean Katherine Carmichael's office.

Commenting on the cancellation of the proposed coed battle, Ward said, "The University club is sorry that this attempt to arouse campus spirit has been blocked."

The coed elevens began practice earlier this week. The Hopeless Huskies squad, comprised of girls from the Alpha Delta Pi, Pi Beta Phi and Alpha Gamma Delta sororities, and the Last-Chance Frightfuls, featuring the Chi Omegas, Tri-Delts, and CICA members were reported to be in good condition for the grid competition.

Ward stated that the University club was also planning to sponsor a half-time show featuring the crowning of Tar Heel Tackle Chan Highsmith as "Homecoming King." The University band and the cheering squad were also to have participated in the coed grid festival.

This is the second time in the past week that the plans of the University club have been thwarted. A proposed street dance to be held last Friday night was called off because Coach Marvin Allen, chairman of the Faculty Dance committee held that the rules of the Dance committee could not be enforced at the affair.

McDonald Heads Freshman Group

Ted McDonald was elected yesterday as temporary chairman of the YMCA Freshman council organized during the past week. Other officers are Allen Ham, vice-chairman, Allen Milledge, secretary, and Sam Byrd, treasurer.

A committee was named to plan for a dinner-dance with freshmen of the YWCA at the Womens' college Oct. 30. Committee members in each dormitory will have a limited number of tickets on sale at the end of the week for this affair.

The Council is planning to have weekly meetings, with prepared programs of interest to all freshmen. At present, individual members are taking part in the regular YMCA program.

Rushing

Jack Thompson, president of Interfraternity council, and Fred Weaver, dean of students, will discuss fraternity rushing at freshmen assembly this morning at 11 o'clock in Memorial hall.

Thompson will discuss the mechanics of rushing, explaining the system used here at the University, and Dean Weaver will discuss the advisability of joining a fraternity and what to look for in making a choice.

Athletic Head 'Powder Bowl'

University Employee Injured In Accident

By Herb Nachman

"C" dormitory was quiet yesterday afternoon at 3 o'clock until a Negro laborer stepped out between two cars and was struck by a skidding automobile driven by a student.

The laborer was Garland Crump, 52, who works for the University. The car was a Futuramic Oldsmobile convertible driven by Dave Hayworth, 20, freshman from High Point.

Police said that Hayworth was charged with reckless driving, speeding and injuring a person. He was released on a \$500 bond at 4:15 yesterday afternoon.

Crump was taken to the infirmary where attendants said he suf-

fered a compound fracture of the left leg and superficial lacerations about the face, arms and legs. He was taken to Lincoln hospital in Durham for further treatment.

One witness who refused to reveal his name said that he estimated the car was going between 35 and 40 miles per hour. Officer R. H. Blackwood of the police department reported that Hayworth skidded about 44 feet.

Crump was crossing the street in front of "C" dormitory. He had been working on Lenoir hall during the afternoon. Some witnesses said that he was struck by the front end of Hayworth's car while others reported that he was hit by the rear fender.

G. R. MacCarthy To Deliver Talk On Arctic Region

Dr. Gerald R. MacCarthy of the Geology department will deliver an address on the "American Arctic" in the New East building at 7:30 this evening. This will be the first in a series of speeches to be given on subjects of recent scientific interest.

Tonight's speech is being sponsored by Sigma Gamma Epsilon, national honorary geologic fraternity which is endeavoring to bring before students and faculty a number of speakers who will relate their experiences in connection with topics of universal interest.

Dr. MacCarthy will discuss the problem of life versus climate in the Arctic region, where he has spent several summers with the United States geological survey. He will illustrate his discussion with color slides.

All members of the student body, faculty, and their friends are invited to attend the lecture.

Debate Meeting Open to Students

Students interested in radio announcing, dramatic reading, poetry reading and oratory are requested to attend a meeting of the Debate council tonight at 7:30 in the Grail room of Graham Memorial by Pete Gerns of the Council. Time and place for try-outs for the varsity debate team will also be set at the meeting.

Late News Bulletins

Supports Dewey
NEW YORK, Oct. 20.—(UP)—Charles Edison, Democratic former governor of New Jersey, said tonight he is supporting Gov. Thomas E. Dewey for the presidency because President Truman has a record of "reliance upon corrupt political machines."

'Imperative'
NEW YORK, Oct. 20.—(UP)—The chief of Secretary of State George C. Marshall's policy planning staff said tonight it was "imperative" that Russia join the "peace-loving peoples" of the world in getting on "at last" with the development of the United Nations.

Posse Searches
ANGOLA, La., Oct. 20.—(UP)—A posse and a pack of bloodhounds plunged into a swampland willow forest tonight after a convict-houseboy suspected of murdering and raping Mrs. John H. Spillman while she was making ready to leave for a party in honor of the governor's wife.

Press Releases Names of Books To Be Published

The titles of three books already published and four that are to be published in the near future were released by Miss Ruth Kuykendall of the University press yesterday.

All seven books are the products of authors who are connected with the University or who have been connected with it and are part of the 30 to 40 volumes published annually by the University press.

"Aucassin et Nicolette" by Robert Linker of the University was published last spring and is now in use as a textbook for old French here and at the University of Kentucky. "Bold Galilean" by LeGette Blythe, and "Building Atlanta's Future" by John E. Ivey, Nicholas J. Demarath and Woodrow W. Breland have both been published this fall.

On the list of volumes scheduled to appear this fall are: "The Common Glory" by Paul Green, to appear Oct. 23; "Federal Prose" by James R. Masterson, to be released Nov. 20; and "The Juvenile Courts of North Carolina" by Wiley B. Sanders, professor of social work at the University, to be published Nov. 27.

Volume II of "The Papers of Walter" by Aubrey L. Brooks and Hugh T. Lefler is scheduled for next spring. Dr. Lefler is a professor of history.

Confession Made
BALTIMORE, Oct. 20.—(UP)—Mrs. Leona M. Shefflet, a middle-aged mother, told police today that she kidnaped 10-week-old Jo Ann Mezzanotte because she was having domestic troubles and thought "a new baby in the house might solve them."

Moving In
SEOUL, Korea, Thursday, Oct. 21.—(UP)—Four-thousand rebellious constabulary troops captured several towns in the south Korea coastal area yesterday and were reported moving toward Seoul early today in a Communist uprising aimed at overthrowing the United States-sponsored republic.

Plane Crashes
LONDON, Thursday, Oct. 21.—(UP)—A KLM Dutch air lines constellation with 40 persons aboard crashed in flames one mile from the Prestwick Scotland airport early today, reports from Tarbolton, Scotland, said.

Dorm Runoffs

Manly, Mangum, Steels, Old West, Everett, Lewis, and Stacy dormitories will hold runoff elections from 9 o'clock this morning to 9 o'clock tonight. Pete Gerns, president of the Interdormitory council, announced yesterday.

The advisors of these dorms will be supplied with ballot boxes under the same system used during preliminary elections held earlier this week. Runoffs in the other dorms are scheduled for Friday.

Extra Show Is Scheduled For Sunday

The Carolina Playmakers' production of "I Remember Mama," which opened in the Playmaker theater last night before a filled house, is to be held over for an extra performance Sunday evening at 8:30, John W. Parker, business manager, said yesterday.

The play was originally scheduled Wednesday through Saturday evenings. The decision to extend the run of "I Remember Mama" came at noon yesterday, when it became apparent that an extra row of chairs in front and extra chairs in the balcony offices would have to be added.

"We plan to add the additional chairs even though we are going ahead with the extra performance," Parker said, "and tickets will still be sold at the box office on performance nights as previously announced."

The tickets for the Sunday evening performance began to sell before they could even be racked in the ticket box yesterday afternoon. The opening performance last night was a complete sell-out, and the play was well received by an enthusiastic audience.

"I Remember Mama," the first major production of the new Playmaker season, was staged and designed by Lynn Gault. Costumes are by Irene Smart, and the intricate lighting for the multi-scened production was handled by graduate assistant James Byrd.

McWaters Denies DeForge Received Bribe From Him

WINSTON-SALEM, Oct. 20.—(UP)—Used Car Dealer W. C. McWaters today denied the testimony of a minor league baseball club ex-manager that he was bribed by McWaters to throw a ball game here last spring.

McWaters took the stand today shortly before both sides wound up presentation of evidence in a court airing of the Carolina league's bribery case which caused two men to be banned from organized baseball for life.

The Clover, S. C., used car dealer denied that he ever knew Bernard DeForge, former manager and pitcher of the Reidsville Luckies in the class C Carolina league.

DeForge was ousted from organized baseball permanently last spring.

He is on trial in superior court here with McWaters and Tommy Phillips, another Clover used car dealer, on charges of bribery and conspiracy.

DeForge testified that he met McWaters in Reidsville and agreed to lose the game between Reidsville and Winston-Salem last May 14 to safeguard gambles' bets. He said the late Emanuel Weingarten, former owner of two Carolina league baseball teams, also was at the meeting.

Dozen Students Hurt In Clash Over Fares

HAVANA, Cuba, Oct. 20.—(UP)—More than a dozen students were injured and 15 were arrested today in fresh clashes with the police over a bus fare increase. Several times police fired their pistols to break up student demonstrations that began when fares were raised last week.

University Allocated Money For Atomic Energy Studies

Med School Department Gets \$5,000

Dr. H. D. Bruner, head of the Pharmacology department of the University medical school said yesterday that his department had been allocated \$5,000 of the \$450,000 approved by the U. S. Atomic Energy commission.

The approval for the University project in the use of isotopes in blood flow being conducted by the Pharmacology department was approved last June.

The research will be conducted by Dr. Bruner's department, and will have the cooperation of the Chemistry, Physics and Medical departments. Remodeling of Phillips X is in progress to house the project. The experiments with radio biology will be concerned mainly with the isotopes.

Since the materials to be used must be manufactured, Dr. Arthur Roe, associate professor in chemistry who is now at the Oak Ridge national laboratories is expected back sometime at the end of this month to synthesize the materials. Dr. Bruner said, "He'll make it, and I'll try to use it."

Yack Deadline For Book Space Set by Fussell

"Absolutely no contracts for organizational space will be signed after tomorrow," Ted Fussell, Yack business manager warned yesterday.

"Those organizations who have not been contacted by the Yack, and those who have neglected to come to the Yack office to sign picture space contracts must do so before 5 o'clock tomorrow afternoon," Fussell said.

Fussell declared that many organizations had been notified by mail last week to sign picture space contracts, but that there were a few new organizations that he was sure would desire picture space. The Yack printing deadline must be met, Fussell emphasized, and all tardy organizations must sign for their space today.

Dixiecrat Campaign No Help To Dewey, Thurmond Says

ATHENS, Ga., Oct. 20.—(UP)—Presidential Candidate J. Strom Thurmond tonight denied that his campaign was helping the chances of Republican Thomas E. Dewey in the South.

Slashing at critics who have urged that the South stick to the two-party system by voting a major ticket, Thurmond declared that "Nothing could be further from the truth."

We have received thousands upon thousands of pledges of support from persons who would have supported Dewey if our ticket had not been placed in the field," he said at a University of

Political Rally Slated For Freshmen Today

A rally for all freshmen will be held at 8 o'clock tonight in Gerard hall to nominate candidates for the four class officer positions. The University Party will back this slate of nominees, said Thurman Williams, party chairman.

"Because the University party does not know all the freshmen well enough to choose the men best qualified to serve as their officers, we are asking for help in this matter from the only group on campus really capable of selecting them—the members of the freshman class," Williams explained.

Among the speakers at the rally will be Jess Dedmond, student body president; Len Butt, vice-chairman of the party; Charleen Greer, Herb Mitchell, Bob Kirby, and Ferne Hughes.

The UP spokesman continued, "We, as a party, will endorse,

publicize, and give our support to the men chosen by this group. Therefore, in order to select the best men, we would like to have all freshmen attend the meeting. Membership in the freshman class is the only requirement for participation. Nominations will be made for the following offices: president, vice-president, secretary-treasurer, and social chairman.

"This meeting is not designed to ask any freshman to join any political party," Williams pointed out. "It is merely an open meeting for freshmen to organize their followers on an independent ticket. It is the opinion of the UP members that new students at the University would not like to associate themselves with any political party until they are more familiar with each party's platform and the theories of the different parties."

Solons to Hear Allocation Bill On Loan Return

A meeting of the Student Legislature in D1 hall at 7:30 this evening will consider a bill to appropriate \$1,160 to the Entertainment committee for repayment of a loan received from Graham Memorial.

Other bills on the agenda include the establishment of a National Students association chapter on campus and the provision of a permanent office of attorney general.

A bill which would render the Student Legislature authority to transfer funds from one department on campus to another will also be introduced on the floor.

A resolution to cease extracurricular activities one week before final examinations is also expected to be introduced.

Other bills to be considered tonight include an appropriation of \$300 to the University club and authorization of Student Legislature to approve loans secured by student organizations.

Alumni Groups Hold Meetings Through State

Meetings last night of the Wayne and Halifax county chapters of the University Alumni association highlighted a full week of activity in observance of University day and Homecoming.

Chancellor R. E. House addressed the Wayne county group at a dinner meeting in Goldsboro. Others present from Chapel Hill included Robert A. Fetzer, director of athletics; Dr. O. K. Cornwell and J. M. Saunders, alumni secretary.

Halifax alumni gathered in Weldon to hear Bill Friday, assistant dean of students, discuss student life and problems. Representing Chapel Hill were Bill Shuford, assistant alumni secretary, Henry House, physical education professor, and Mary Ann Daniel, president of the YWCA.

Secretary Saunders explained that meetings of the various chapters are called as close to University day as possible. At these sessions there are talks about the University and usually movies of the football games are shown.

Chapter meetings were held earlier this week in Thomasville and Sanford. Recent Carolina conclaves were called in Asheville, Lumberton, Waynesville, Jackson, Oxford, Greensboro, Dallas, Texas, and Birmingham, Ala.

Cunningham Elected Spanish Club Prexy

Tom Cunningham was elected president of the University Spanish club at a meeting Tuesday evening. Other new officers are Alan Wiley and Charles Fowler, vice-presidents, and Alice Sharp, secretary-treasurer.

The club meets every Tuesday evening at 8 o'clock in Caldwell Y. All students interested in Spanish are invited to attend.

Local Group Shines In Florida

By Leonard Dudley

Reports coming into the campus from the Air ROTC summer camp held at Orlando, Fla., show the University's 27-man aggregation dominating almost every phase of activity.

The camp was made up of air units from 12 colleges and universities throughout the Southeast.

The University unit, with assistance from part of Georgia Tech's group, made up K flight of the 144th squadron, which wound up in second place in the drill competition finals, losing

Twelve Schools Are Represented

only to the Citadel, four-year military college.

Cadet Col. Paul J. English, commander of the unit here and a 1st sergeant of World War II, was in command of the flight in the final review. K flight received a special citation for superior drill in the final review.

Other men from the University who served as commanders at the camp were: Grey L. Adams,

flight sergeant and special service officer for the various social activities carried on for the camp; James H. Spears, Lester P. Martin, and John D. Green, squad sergeants of K flight.

For his outstanding ability and precision of command, Clyde L. Smithson was chosen to command the 144th Squadron in the final review.

John G. Hough played in the 769th Air Force band which provided music for special occasions.

The intersquadron trophy in athletics was presented to Albert (See ROTC, page 4)

16 Schools In County Given Funds

WASHINGTON, Oct. 20.—(UP)—The U. S. Atomic Energy commission today allocated \$450,000 to finance research projects at 16 private laboratories, hospitals and universities.

The funds will support 19 separate studies in the new and relatively unexplored field of atomic biology and medicine.

The Office of Naval Research will administer the funds.

Typical projects include (1) Experiments with the use of radioactive cobalt for the treatment of cancer; (2) Studies of the effects of exposure to radioactive materials on nerve tissue; and (3) The use of radioisotope "tracer-elements" to gain new knowledge about the human body.

The projects selected for support will be conducted at the University of Colorado, Boulder (2); Northwestern university, Evan-

sville, Ill.; Massachusetts Institute of Technology, Cambridge; Arnold arboretum, Harvard university, Boston; College of Physicians and Surgeons, Columbia university, New York; New York Post Graduate hospital, New York; University of North Carolina, Chapel Hill; Ohio State university, Columbus; Western Reserve university, Cleveland (2); University of Oregon, Eugene; Oregon State college, Corvallis (2); University of Oregon medical school, Portland; Baylor university, Waco, Tex.; University of Texas, Austin; University of Washington medical school, Seattle; and University of Wisconsin medical school, Madison.

Gil Discusses Franco Spain, United Nations

Frederica G. Gil of the Political Science department discussed the situation in Franco Spain, and the problem of its admittance to the United Nations at the Tuesday night meeting of the International Relations club.

After backgrounding the Franco political system, Gil raised the pertinent question of Spain's admittance to the UN. He said the only valid argument for permitting Spain to enter the UN is its strategic position in case of a third world war.

Against Spain's admittance, he said, is the fact that a future war will be fought for democratic ideals. Since Spain's present regime is fascist, having her as an ally would be incongruous, he remarked.

At the meeting John Sanders was elected president and Georgia Fox secretary of the club.

Movie Star

Dr. Frank Graham is appearing in the United Nations film being shown this week at the Carolina theater, Roberta Sterling, state director of the College Council for United Nations announced yesterday.

The film, entitled "Highlights of the United Nations," is being shown in conjunction with the observance of United Nations Week, Oct. 17-24. It is appearing through the cooperation of J. Carrington Smith, Carolina theater manager.

For the observance of United Nations week, Miss Sterling said churches in Chapel Hill and in localities of other CCUN chapters were asked to base last Sunday's sermons on the work of the United Nations. She said programs for use in the churches were supplied by the state headquarters for CCUN.
