## UP Elects Harris To Chairmanship

### New Chairman Has Served in Legislature; Party Delays Election of Other Officers

Fletcher Harris, junior from Sanford, was elected chairman of the University Party by acclamation yesterday afternoon in Graham Memorial.

The steering committee filled only the one post, which was vacated by retiring chairman Joe Leary, who plans to graduate in June. The other offices run through next fall quarter.

Harris is serving his second term in the Student Legislature at the present time. He first took his seat with the law-making body by presidential appointment, filling the seat vacated by Legislator Len Butt.

While in the Legislature, Harris has served on the Ways and Means Committee, the Rules Committee, and was elected sergeant-at-arms during the last session when Ed Washington resigned from the body.

The new UP chairman has been a member of the party steering committee for two years. A member of Sigma Chi fraternity, he has been active in campus politics since his enrollment in the University.

The University Party, under the leadership of Leary in the past year, captured the vice-presidency of the student body with Ted Leonard as its candidate. Nat Williams, elected secretary-treasurer, was a doubly-endorsed UP-CP candidate.

The party also captured a plurality of seats in the Student Legislature, winning 23 posts over the SP's 14 and the CP's 13. The legislative scorecard now says UP 23, SP 15, and CP 12, since one of the CP men took a walk recently.

## Gala Carnival Is Scheduled For Tomorrow

### University Club Sponsors Event

In connection with the annual Blue-White Football Game and general weekend program, the University Club has ornate plans for a rare old carnival in true carnival style to be staged tomorrow night, April 29, on Navy Field just below the gym.

The Carnival will be composed of a main show staged by the University Club itself under the big-top and a glittering, gala array of sideshows and concessions along the midway. The sideshows and concessions will be put on by the various fraternities, sororities, and other organizations that took advantage of the University Club's offer of space on the midway.

Some of the proposed types of shows and concessions will be freak shows, penny arcades, baseball pitching, shooting galleries, and of course the open-air cafe with the Bebop Band. One of the many attractive features about these shows will be the maximum charge of 15 cents for any amusement.

According to Norm Sper, head cheerleader, president of the University Club, and instigator of this whole works, this is the first time any such thing has been attempted in connection with the Blue-White weekend. Last year the Tex Beneke Germans were being held that weekend. Sper expects a large turn-out for the carnival since there will be amusement there for any and all tastes.

The carnival was originally scheduled for Woollen Gym, but was moved in later plans to Navy Field.

## Orchestra's String Quintet To Be Featured in Concert

When the North Carolina Symphony Orchestra presents its concert in Chapel Hill, May 2, the Memorial Hall audience will be treated to some interesting deviations by the symphony's unusual string quintet which includes a harpist and four double bass players.

The double basses are featured this season in a special number on the program the Symphony presents for children. They play Saint-Saens, "The Elephant," with the basses employed to describe the awkward, lumbering movements of the elephant. In the routine of the program, all

## Dr. Polgar Splits Sides Of Memorial Audience

### Branch, Calhoun To Deliver Talks At Forum on Jobs

Miss Twig Branch, personnel director of the Dean of Women's office, and Richard Calhoun of the Commerce School will speak at the first Job Forum, sponsored by the Careers Committee of the YWCA Monday from 7 until 8 o'clock.

The careers committee is sponsoring four forums during the month of May to orient girls, who will be working after graduation or during the summer months into some of the problems and situations they will encounter. Each forum will feature a brief talk by outstanding people in each of the four fields, followed by a question period.

Problems concerned with the first interview for a job will be presented at the forum meeting Monday. Miss Branch will discuss the applicant's point of view and Calhoun, former manager of the Kendall Mills, will present the employer's point of view.

## Dr. Polgar Defeats Team, Not Justice

They say nobody can put the hex on Carolina's Choo Choo.

Even Dr. Franz Polgar, the nationally-famous hypnotist and "mental wizard," met failure when he tried to put triple-threat tailback Charlie Justice "under" yesterday afternoon on Navy Field.

Polgar met with more success on some of the other footballers, however, after he attempted a mass hypnotism test on the entire Blue and White team.

The hypnotist hit his stride again with student Dover Moore, one of his subjects during his show in Memorial Hall Tuesday night. Moore was last seen straining every muscle trying to pick an "80-pound" football off the turf.

## Chi O's, AEPi's Have Best Marks For Winter Term

The Chi Omega sorority and the Alpha Epsilon Pi fraternity led the 28 Greek organizations on campus in scholastic averages for winter quarter. Last quarter there was only a fractional difference between the all men's average and the all fraternity average, the all fraternity average being higher.

The averages were computed by the Dean of Men's office on the basis of rosters of membership as submitted by the fraternities. Both active members and pledges were included.

The averages were computed on the basis of A-1, B-2, C-3, D-4, E-5, F-6, absences not excused-6, and excused absences and incompletes were not computed.

The all fraternity average 2.959 and the all men's average, 2.991 were obtained by sampling the grades of every tenth person in a fraternity as compared with every tenth non-fraternity student.

The Chi Omega sorority led the list with an average of 2.348. Other averages and relative rank of the organizations are as follows:

## Gastonia Editor Warned by Klan

GASTONIA, April 27—(UP)—A cross was burned last night at the home of an outspoken editor who called members of the Ku Klux Klan "ten-dollar suckers."

The five-foot cross was set off about 10 o'clock on the lawn of J. W. Atkins, editor and publisher of the Gastonia Gazette.

No one saw the fiery symbol set up. Made of wood covered with oil-soaked cloth, it was discovered by a neighbor.

Atkins called the Fire Department to put it out.

"It's just a cheap publicity stunt," he said. "It just lowers what I previously thought of the Klan."

Last month Atkins reported in an editorial the formation of a KKK chapter in this industrial city of 30,000 and lambasted the hooded order's new members as "ten-dollar suckers."

Shortly afterward a sticker bearing a Klan motto was pasted on the Gazette office.

## Doubtful Grads To Notify Office

Students who have filed an application for graduation and find that they are not going to clear for the degree to be awarded on June 6 are requested to notify Miss Josephine Pritchard at Central Records Office.

Miss Pritchard, 302 South Building, said she must be notified at once in order that she may stop the diploma from being made. The sheepskin from which the diplomas are made is very hard to get, she pointed out, and it is a great loss if one is made that will not be awarded.

## Nawakwans Will Feature Three Panels

### Talks to Be Led By Jones, McCoy

The Greater University "Y" Freshman Conference, for the three branches of the Greater University, to be held at Camp Nawakwa May 6, 7, and 8, will feature a series of three discussion meetings.

These discussions will be centered around the subjects, "relationship between college men and women," "the relationship of Christian faith to everyday life," and "problems of college students."

In relation to these discussions will be talks by Reverend Charles Jones of the Chapel Hill Presbyterian church, and Reverend Charles McCoy of the N. C. State Wesleyan foundation.

Bob Barrus, associate secretary of the Carolina YMCA, said that the site of the conference has been changed from Camp Sloane to Camp Nawakwa because the attendance will not be as high as had been previously expected. About 50 students are expected to attend. This number, Barrus said, will allow for the maximum informality, and the opportunity for the delegations of the three schools to become well acquainted.

Billy Howell, publicity chairman for the conference, said that there is still room for a number of people. Registration will continue to be open, until the end of this week.

## Summer Vets See VA to Transfer

Any veteran attending school under the G.I. Bill who intends to enter a different institution this summer should apply as soon as possible for a supplemental certificate of eligibility, the Veterans Administration said today.

Such veterans must have supplemental certificates before they can be admitted to new schools or courses, VA said today. Application forms for these certificates may be obtained from the Veteran Advisers office, 315 South Building, or from any VA office.

After a veteran has filled out the application he should send it to the VA regional office in Winston-Salem.

## Literary Sorority Accepting Members

Chi Delta Phi literary sorority's membership drive will continue through Monday, it was announced yesterday by Phyllis Ann Gentry, president of the group.

Manuscripts necessary for membership should be turned in at the information desk in Graham Memorial. Membership is limited to juniors and seniors.

## Childress Names State Capitol For 13th Meeting

The State Student Legislature will begin its 13th year in the North Carolina Capitol building at Raleigh on April 14 Interim Secretary Gran Childress said yesterday.

Childress, elected to the Interim Council post at the last legislative session, said that final plans were being laid for this year's meeting by Interim Council President Charles Cooper of Duke and himself.

The mock General Assembly this year will concern itself with problems pertaining to North Carolina only. Its purpose is to arouse interest and discussion among college and university students on state problems and legislation.

Childress said that final word is expected within the next day or so on whether or not the student assembly will be permitted to use both halls of the Capitol. Last year, the Senate chambers were in use as a meeting hall for a state agency. The secretary-treasurer said he expected, however, that nothing would block the use of both halls this year.

At least 21 schools will participate in the 1949 session, according to Childress, pointing out that as the number which attended last year. He said he expected five or six more to join the assembly this time.

The University will have 18 representatives and three senators at the session of the legislature. Each school is permitted three senators, and one delegate to the House for each 400 students over 1,000, with two representatives for the first 1,000. Each school will have at least two students in the House.

## Georgia Students Suffer Setback In Armored War

ATHENS, Ga., April 27—(UP)—Armored "warfare" took a temporary setback today when two tank-borne University of Georgia students admitted they had been outmaneuvered by foot police.

Furthermore, Lloyd Alexander of Dublin, and Robert Hollomon were booked on charges of stealing and destroying government property. The FBI was to file prosecution charges.

Frantic residents telephoned police yesterday that a light tank was running wild over dirt roads near the city limits.

Police in three unarmored prowl cars set out manfully to intercept the tank spearhead. They blocked all roads and climbed out to surround the tank on foot.

The tank crew tried to escape through a wheat field. But a steep creek bank proved too much for the 20-ton vehicle and it toppled over. Two youths—later identified as Alexander and Hollomon—jumped out just before the tank caught fire.

Police said Alexander and Hollomon admitted taking the tank from the university armory to "practice maneuvers." Alexander officers said, had been drinking.

## Miss Gibbs to Give 'Hats' Talk Tonight

THE NORTH CAROLINA SYMPHONY ORCHESTRA will present a double concert here next Monday. An afternoon concert will feature Miss Josephine Cunningham as solo soprano. The symphony, under the direction of Dr. Benjamin Swalin, is one of the most outstanding state musical organizations in the nation.
