Hirsch Script Awarded Prize At Radio Meet

Program Was Used On Local Series

In the American Exhibition of Educational Radio Programs held recently at Ohio State University, Sam Hirsch's radio program on the North Carolina Education Committee received "First Award" in the Cultural Division.

The program a part of the University Hour series, was the only production to win an award in this division. No second or third place was given and only one program was awarded Honorable Mention. This was "Favorite Story" starring Ronald Coleman.

"The significance of the award is not fully appreciated until you realize that students here at the University have written and enacted radio scripts which have been selected as being superior to professional scripts," pointed out Earl Wynn, director of the Communication Center.

The University Hour programs, written and enacted by students of the three branches of the Greater University, have been heard over 33 North Carolina stations this year.

Other programs on the University Hour series have featured the University Glee Club under the direction of Paul Young, the North Carolina Symphony under the direction of Benjamin Swalin and the Chapel Hill Choral Club.

Also in the series have been adaptations of Broadway plays and musicals and radio documentaries of outstanding men and women.

"The University Hour award goes to all the students who worked on the programs," Wynn said. "The Hour is their program and we hope it will continue to be theirs. We see by this award that we need not fear doing that."

The University Hour ran 26 weeks this year and was available to a larger audience in North Carolina each week than any other radio program.

Y Cabinet Picks McLeod for GM

The first meeting of the newly selected YMCA cabinet Monday night saw the cabinet elect Ed McLeod to the Graham Memorial Board of Directors for the coming year, and pass on a motion that coed activities be given two sections in the YMCA freshman handbook.

McLeod was elected to the Board of Directors to replace Sam Magill, new YMCA president.

The two sections of the handbook to be devoted to coeds, will include one on the YWCA and one on other coed activities.

Mass Meet of Seniors Set in Memorial Today

Class to Discuss Plans for Activities To Be Held During Graduation Exercises

There will be a mass meeting of the senior class today at 2 o'clock in Memorial Hall, Ed Davenport, president, has announced. All "49-ers" are urged to be present.

The purpose of the meeting, Davenport said, is to explain to the seniors the plans which have been made for their class activities. Nat Williams will present something of a social calendar for the approval of members of the class. As chairman of the social committee, Williams will announce the plans for the senior dance, picnic, swimming party, and barefoot day.

The class picnic, which will be given the weekend of spring Germans, will feature the Bull City Night Hawks at Hogan's Lake. Seniors may sign up to attend at the end of this week.

J. M. Saunders of the University Alumni association will speak to the seniors about membership in the association.

Davenport has stressed the importance of all 49-ers attending this meeting because this will be their best opportunity to get a complete presentation of the class activity plans and learn how their funds are being used.

CP Meeting Set In GM Today

There will be a meeting of all Campus Party steering committee members, enrolled party members and members of the legislature in Roland Parker No. 3 this afternoon according to an announcement made yesterday by Vestal C. Taylor, chairman of the party.

Members of the steering committee will meet at 4:30, a general party meeting will begin at 5 P.M. and the caucus of C.P. legislators will begin at six o'clock, Taylor said.

Negroes Submit Application To Enter Florida University

TALLAHASSEE, Fla., May 9.—(UP)—Six Negroes have applied for admission to the University of Florida, an all-white school, it was revealed today.

Existence of the applications was disclosed by State Sen. John E. Mathews in the text of a radio address prepared for delivery tonight in Jacksonville, Fla.

William F. Powers, secretary of the Board of Control which supervises state-owned colleges, confirmed that the applications were pending. He said the board probably would act on them next Thursday.

Powers said the Negroes had applied for several courses not offered by the state's only college for Negroes, Florida A. and M.

Mathews pointed out in his

prepared address that the state needs more revenue to supply all necessary courses for Negroes at the Negro college.

The U. S. Supreme Court has ruled in cases involving other states that Negroes must be provided educational facilities equal to those furnished white students. The question, however, has never been a court test in Florida.

Florida has established a limited system of scholarships to enable Negroes to enroll outside the state for courses not offered by Florida A. and M.

The Florida legislature recently endorsed a plan whereby it would join with 13 other Southern states in setting up regional schools for both Negro and white students to provide them courses not available in their own states.

Thompson Elected Chairman Of SP

Botto Made Vice-Chairman; Jones, Oliver Get Posts; Group Picked

Fred Thompson, a rising junior from Rocky Mount, was elected chairman of the Student Party Monday night by an overwhelming vote over Walter McCraw.

Thompson succeeds Gran Childress, party chairman for the past four months who engineered the election of Student Body President Bill Mackie.

Mackie, in commenting on Thompson's election, described Thompson as "an exceedingly capable person who understands as well as anyone on campus the aim of student government. He has served in the Legislature and on the Student Council with distinction. He will provide the best leadership the SP could possibly have."

Besides holding seats in the Student Council and in the Legislature, Thompson has served as SP publicity chairman and as a member of the YM cabinet and the Westminster Foundation steering committee. He was defeated in the spring elections for reelection to the Council.

This spring, he was initiated in the Order of the Grail, second highest campus honorary organization.

Larry Botto of Bradenton, Fla., was elected Vice-Chairman by acclamation when all other nominees withdrew in his favor. He succeeds Walter McCraw.

Botto is at present in the Student Legislature in which he serves on the Appointment and Archives committees. He served as Party treasurer under Childress.

Ben Jones of Elgin, Ill., was elected treasurer, Sara Oliver was named secretary, Graham Jones of Winston-Salem was elected publicity director and Tom Boney of Wallace was named campaign chairman in other elections Monday night.

Named to the executive committee, which includes all regular officers, were Herman Sieber, Sally Osborne, Charlie Fox, Bob Evans, and Harry Sherrill.

Rings Available In Y Tomorrow

Douglas McMillan, ring committee chairman for the Grail, said yesterday that, because of popular demand, Lee H. Blackwell, Eastern Carolina representative for the L. G. Balfour Co., will be at the Y tomorrow morning from 9 to 12 to take orders for rings for the classes of '49 and '50.

McMillan said that this would be the last time that the rings would be on sale this year. All Juniors and Seniors who have not yet ordered rings and want to do so are urged to be at the Y tomorrow.

A \$5.00 deposit will be required on all orders taken.

Negro Will Talk To Progressives

A Negro student at North Carolina College Law School in Durham will discuss his reasons for applying to the University Law School here, at an open meeting sponsored by the Young Progressives in the Horace Williams Lounge of Graham Memorial at 8 o'clock Friday evening.

Harold T. Epps will discuss his decision and that of two of his fellow students to apply for admission here, and will also talk about conditions at North Carolina College and the reasons for some students there picketing the General Assembly in Raleigh several weeks ago to demand more funds for the school.

The meeting is open to all students, faculty members and other interested persons.

Professor, Red Set for Debate On Communism

Formal Talk to Be In Gerrard Tonight

A self-styled student Communist and a distinguished University professor will face each other in formal debate at 8 o'clock this evening in Gerrard Hall on "Should the Communist Party Be Outlawed?"

Dr. E. J. Woodhouse of the Political Science Department and Hans Freistadt, self-proclaimed Communist and graduate student in the Physics Department, will be the two protagonists in the event, which is being sponsored by the Karl Marx Study Society, recently-formed left-wing group of which Freistadt is chairman.

John Sanders will preside over the debate, which was scheduled when Freistadt issued a challenge to Woodhouse at an earlier debate on the same question. Two students and two faculty members argued the question at that time.

The earlier debate, sponsored by the Carolina Political Union, featured Dr. Woodhouse and student Bill Duncan on the affirmative, and Dr. Paul Guthrie and student Dortch Warriner on the negative.

In tonight's debate, each speaker will have 10 minutes for his first presentation, five minutes for rebuttal, and 10 minutes to question his opponent.

A general discussion and question-and-answer period, with the audience participating, will follow.

Di Will Select Officers Tonight

The Dialectic Senate will elect its officers for the fall quarter tonight at 9 o'clock, Don Shropshire, Di president, said yesterday.

The outgoing officers are Shropshire; Sam Manning, president pro tempore; Bill Harding, critic; Morris Knudsen, clerk; Gus Graham, treasurer; Artie Murphey, sergeant at arms; and Bill Foster, chaplain. Shropshire is the Di representative on the Debate Council and Harry Horton represents the Di on the Carolina Forum.

Nine new members who were elected to membership last week will be initiated tonight in a public ceremony. They are Betty Pleasants, Bob Clampitt, Archie Myatt, Edgar Williams, Joe Clark, Ed Hatch, Jack Roland, Bill Roth, and J. C. Rush.

Triple Concert Scheduled Today

In a student recital to be presented this afternoon at 4 o'clock in Hill Hall, the following program will be presented: "Two Part Invention in F Minor," "Two Part Invention in E flat major," "Two Part Invention in G major" (J. S. Bach), Wallace Zimmerman, piano; "Two Part Invention in D minor," "Two Part Invention in B flat major" (J. S. Bach), "Chopin" and "Estrella" (Schumann), Robert Looney, piano; and "Intermezzo in A minor," "Rhapsody in E flat major" (Brahms), Edward Brooks, piano.

The public is cordially invited.

Compromise Pension Measure Is Voted by House Committee

WASHINGTON, May 10.—(UP)—The House Veterans Committee today dropped plans to write a new veterans pension law but tentatively voted to bring more needy, aged ex-servicemen under present pension provisions.

The committee accepted by voice vote a new compromise by Chairman John E. Rankin, (D-Miss.) which would cost an estimated \$12,000,000,000 during the next 50 years.

The action, subject to a final vote tomorrow, ended attempts to put through a new pension statute. It liberalizes existing laws to make more veterans of both wars eligible for \$60 monthly pensions up to the age of 65 and \$72 a month when they reach 65.

It would do this largely by increasing the amount of income single veterans can earn and still get pensions, and by removing the present requirement that 65-

Scott, Graham Speak At Dedication Services

Newest Campus Addition Becomes Part Of University; 320 Guests Are on Hand

Approximately 320 state dignitaries gathered in the Planetarium of the Morehead Building heard John Motley Morehead, donor of the \$3,000,000 structure, present the building to Gov. Kerr Scott in an impressive ceremony yesterday afternoon.

Mr. Morehead, in making his dedication speech, said, "To the Governor of this State, the Chairman of the Board of Trustees, the Chancellor and the Acting President of the University; I say to you that it is all yours."

Gov. Scott accepted the building on behalf of the state. "We gladly accept this from your hands and are justly proud," he said. In reference to Mr. Morehead he added, "It has long been noted that men who make a success, generally come home to repay the state for what it did to them."

Mr. Morehead, "engineer, industrial statesman, minister from the United States to Sweden and interpreter of the Old World to the New," is an alumnus of the University class of 1891.

At 2:30, within the Planetarium, Dr. I. G. Greer gave the invocation, dedicating the service of the Planetarium. He was followed by Sen. Frank P. Graham, who praised the donor as the "devoted son and benefactor of the University of North Carolina."

"In the dedication of the Morehead Building," he said, "it's foundation, Gallery and Planetarium, we dedicate the University of North Carolina to liberty and learning, to truth, goodness and beauty, and to the God who 'made of one blood all the nations of men to dwell on the face of the earth.'"

Gov. Scott mentioned his "go-forward" program as a means of providing further developments similar to the Planetarium. He said he hoped the people of the state would get behind the rural road program, so that visitors to the Planetarium will not be identified from which section they come by "the color of the mud on their fenders."

Of Dr. Roy K. Marshall, director of the Planetarium and Professor of Astronomy, Chancellor Robert B. House said, to the assembly dignitaries, "I now present to you a distinguished man, a great man."

Dr. Marshall climaxed the dedication with a presentation of "Let There Be Light."

The arriving guests were met at the Planetarium entrance and directed to the dining room, where a buffet dinner was being served. From there, they inspected the building until 2:10, when they began assembling in the Planetarium theater for the ceremony.

Among the distinguished present were Lt. Gov. Pat Taylor, Speaker of the House Craig Ramsey, Attorney General Harry McMullen, Gunnar Dryselius, Swedish Consul to the U. S., Col. Harrelson, Chancellor of State College, W. D. Carmichael, Sr., and Controller W. D. Carmichael, Jr., Mr. Morehead's family, Katherine Carmichael, and William R. Kenan, donor of Kenan Stadium.
