French Of N.A.M. To Speak Tonight

Discuss 'Management, Labor Policy'

By Charlie Kauffman

Carroll E. French, Director of Industrial Relations for named editor of the Carolina the National Association of Manufacturers, will speak in Hill Quarterly at a meeting yester-Hall tonight at 8:30 on the subject "Management Views the day afternoon. Retiring editor National Labor Policy."

French, whose appearance issponsored by the Carolina Forum, will be introduced by Richard P. Calhoun of UNC, Professor of Personnel Administration. The address is to be preceded by a banquet at 6:30 in the Club Room of the Carolina Inn in honor of the speaker, who, for several years has been one of the nation's leading figures in the field of management-labor relations. Since 1946 French has occupied his present high-ranking position with the N.A.M.

Dorms Will Get Extra Phones

Additional telephones are being installed in the third floors of the men's dormitories this week, it was announced vesterday. Heretofore the men's dorms, with the exception of A. B. and C. have had only the one phone on the first floor and the service for the third and fourth floors has been anything but good. Council by Bill Mackie.

According to J. S. Bennett, Director of Operations, this hardship will be removed by the end of next week when telephones will be installed on the third floor levels of Mangum, Manley, Grimes, Ruffin, Stacy, Everett, Aycock, Graham, Alexander, Whitehead and Lewis.

CAA Seeks Men For Alaska Work

The Civil Aeronautics Administration has openings for a number of qualified single men as aircraft communicators in Alaska, Joe Galloway, director of Placement Service, said yesterday.

Starting salaries are \$3,718 a year, and men selected will be in line for eventual promotion to higher-grade jobs paying up to \$6,540 a year, Galloway added. Additional earnings are possible in all grades through authorized week, and through a 10 per cent picture individually or in small overtime beyond the 40-hour night differential.

Basic qualifications for the job receive International Morse Code Large groups will attend the a minimum speed of 30 words a minute; to touch typewrite at 35 words a minute; and 18 months of aeronautical communications experience or an acceptable equivalent in education and experience.
