

# Consider the Seal!

Buy Christmas Seals

Help Stamp Out TB

Consider the one-cent Christmas Seal. It is a powerful weapon against death and suffering. It helps to save thousands of lives every year.

You are again offered the privilege of supporting this TB control program by purchasing Christmas Seals.

Carolina students have shown a great spirit of generosity during the forty-three years of TB control. Let's make this an even greater year. Make a contribution that will show our appreciation of the fight against tuberculosis.

For the seals you receive through the mail, try to make a contribution to the Christmas Seal Fund at Christmas Seal Headquarters, Johnson-Strowd-Ward Furniture Co., Chapel Hill.

Use your seals—Make the best contribution possible.
