Student Party Deadlocks On Veep

Bulletin

WASHINGTON, Feb. 13—(AP)—Army Secretary Gordon Gray will not accept the chairmanship of the Atomic Energy Commission and has every intention of assuming the presidency of the University of North Carolina not later than Sept. 1, his office said today.

It has been widely reported in Washington that President Truman, anxious to keep the Winston-Salem tobacco heir in the federal service, had offered him the chairmanship of the Atomic Energy Commission.

In a statement authorized by Gray, a spokesman in his office said today that the Army Secretary had not been offered the chairmanship, and that he would not accept it if it should be offered him.

"Secretary Gray considers himself the new president of the University of North Carolina," the spokesman said, "and has no plans except to assume the position not later than Sept. 1."

Holsten, Ben Jones Quit Council Posts

Bipartisan Board Will Select Nominees Thursday; Holsten Has Been Chairman

Chairman Roy Holsten and senior member Ben Jones have resigned their positions on the Council. Holsten will sit as chairman. Any senior is eligible for Jones' seat, any sophomore, junior or senior for the at-large post vacated by Holsten. The Council elects its own chairman. President Mackie will appoint the replacements from names submitted by the board, and they will serve until spring elections, when an entire new Council will be elected.

Holsten, who resigned a Student Council post to take over the Men's Council chairmanship, is quitting in order to devote his time to "graduation and marriage plans." He graduates at the end of the present quarter.

Jones was forced to resign because he is leaving school to attend to personal matters. The bi-partisan board is composed of three representatives from each of the political parties, and two members of the Council. Holsten will sit as chairman.

Holsten, speaking of qualifications for the jobs, said: "Experience is not necessary, although it is a valuable asset." The selection board will meet at 3 o'clock in the Grail Room of Graham Memorial.

Young Demos To Hold Political Action School

Carolina's Young Democrats Club will initiate its first annual political action school Wednesday night in Gerrard Hall, President Graham Jones said yesterday.

Jones said that the purpose of the school, which is to be known as the Charles B. Aycock Political Action School, will be "Why to Support Democracy and How to Elect Democrats."

On behalf of the YDC's executive committee, Jones sent a blanket invitation "to all young Democrats whether they are YDC members or not, to everyone on campus interested in good government, and especially to aspiring campus politicians."

The three-day school, originally conceived last spring by O. Max Gardner Jr., who resigned from the local club when he announced his candidacy for the state Senate.

Sales will last from tomorrow through Friday, and will be open again on Monday through Wednesday of next week. Sales will be open only between the hours of 9 and 1 each day, and all orders must be prepaid.

Invitation sales for the annual commencement exercises will open in the YMCA lobby for a limited time beginning at 9 o'clock tomorrow, Dick Gordon, exchequer of the Grail, the sponsoring organization, announced yesterday.

Sales will last from tomorrow through Friday, and will be open again on Monday through Wednesday of next week. Sales will be open only between the hours of 9 and 1 each day, and all orders must be prepaid.

Students Sentenced
BELGRADE, Feb. 13—(AP)—Fifteen students, workers and peasants were sentenced to terms of 20 to two years today after a trial in which they were accused of seeking to overthrow Marshal Tito's Communist government.

In the five-day trial the defendants were charged by the prosecution to have encouraged by cominform attacks on Yugoslavia to organize a band with the aim of restoring a capitalist regime by arms if necessary.

Bill Prince, Dick Murphy Get 15 Each

Sieber Is Third On First Ballot For Speaker Job

By Chuck Hauser

Five coed votes walked out of the Student Party meeting at 10:50 last night just before the party hit a 15-15 deadlock in its search for a vice-presidential running mate for presidential candidate John Sanders.

The aspirants in the race were SP Chairman Bill Prince and Dick Murphy, two party stalwarts who went into a runoff for the high office by knocking out Herman Sieber, who garnered six votes on the first ballot.

Prince led in the preliminary vote with 16 to Murphy's 13. The total vote came to 35, while the second vote only added up to 30. Coed curfew had come just a minute too soon.

The necessity of a runoff was announced as coed SP members put on their coats and walked out the door. Most of them were called back to cast their ballots but five had already gone beyond yelling distance.

As ballots were feverishly distributed, Sieber rushed into the Graham Memorial lounge and announced that he was supporting Murphy for the office. Two of Sieber's votes went to Murphy, who gained on the runoff, but one of Prince's votes had left, equalizing the candidates at 15 each.

Vice-Chairman Bob Evans, who was conducting the meeting for Prince, announced that another vote would be taken at next week's party meeting, scheduled for 9 o'clock Monday evening in Graham Memorial.

Prince is a member of the Student Legislature and has served as Student Party floor leader in the body he would like to head as speaker. Murphy is now running the Campus Chest as coordinator of the drive, and Sieber is speaker of the Philanthropic Assembly.

In other action earlier in the evening, the party nominating convention had chosen nine persons to carry the SP banner into legislative races. They were:

Dorm men's District 1—Julian Mason, Gordon Pfefferkord, Tex Watkins; Dorm Men 2—Fred Thompson, Graham Jones, Jim Lamm; Dorm Men 4—Ed Best, Tom Sully; Dorm Women 1—Sandy Riach. All terms were for one year.

Campus' Third Pocket Tarnation Issue Comes Out Today—With Color Cover

Issue three of pocket-size Tarnation will appear on campus today, sporting the latest in college humor magazine covers, Miss Anne Martin in full color.

Featured in the bantam-size humor magazine are what critics would call two of the most controversial subjects on campus today; Billy Carmichael, III, and a Tarnation poll on what the coed thinks of the Carolina Gentleman.

Chuck Hauser has profiled Carmichael, former sports editor of the Daily Tar Heel who has been called the "dean of student publications," and Editor Kerr compiled the facts and wrote his Gallup poll of the Carolina dating situation under the title, "The Kerr Report."

Also contained are 10 of "the ugliest ID cards ever shown to the public." Tarnation conducted a contest recently to determine the holder of the most ugly ID card, and has published the results in this February issue. Accompanying each ID photo is a legitimate picture of each contestant.

Two more issues are scheduled for publication by the Tarnation staff before they close up shop for the summer, Kerr said. The next issue should be the best of all those that have come before, he said.

This issue features the inner

Cover Girl Contest Extended Til Friday

Several Organizations Ask Time Delay; Balloting to Start On Monday, However

The Carolina Collier's Cover Girl contest deadline for applications will be extended until Friday, Clyde Smithson, chairman of the contest committee said yesterday.

"Applications were due this afternoon at 5 o'clock," said Smithson, "but several organizations notified the committee that it had been impossible for them to meet this deadline, therefore the committee decided to extend the time.

"Due to the extension of receiving applications, the contest will start on Monday and all pictures and the balloting bottles will be on display in the Y lobby at that time," said Smithson. "It will be to the advantage of contestants and organizations to get their entries in at the earliest possible date."

Applications are to be turned in to Alpha Phi Omega in Room 202 of the YMCA building. Each application should be accompanied by \$5 to cover the cost of engraving the contestant's picture. Two photographs must also be included.

Arrangements with the contest committee can be made to allow time for having pictures made after the application is turned in.

The change of receipt-of-application deadline made it necessary to change the beginning and end of contest date," said Smithson.

Second Cage Pep Rally Will Be Thursday Night

The second attempt of the University Club to stage a basketball pep rally has been scheduled for 7 o'clock Thursday night in Memorial Hall. A program has been arranged by a special committee of club members who have been working on details for the past two weeks.

The pep rally will follow the same program as that planned for the ill-fated State pep rally three weeks ago.

The main theme of the rally will be "Beat Duke" and it will be held in conjunction with a "Tom Scott Night" program. The program will feature a statement of appreciation by the University Club on behalf of the student body for the work done by Coach Scott in keeping his club near the top of the conference standings all season.

A victory over the Blue Devils in the contest here Friday night will virtually assure Carolina's jinx-riddled five of a berth in the annual Southern Conference tournament in Durham in early March.

Franch Allston, chairman of the special committee, said that it was the University Club's express desire that the student body turn out as never before to give the team the support which failed them when the State pep rally was held and only 28 persons attended.

Colgate Prexy To Speak Here

Dr. George B. Cutten, former president of the Colgate University, will address Alpha Psi Delta at 8 o'clock Thursday night in Archer House.

Cutten, author of many books and articles on the psychology of religion, will talk on "The Adventures of the 20th Century." Alpha Psi Delta is an honorary psychology fraternity.

Scott Names 10-Man Group For Inaugural

Will Make Plans For Oath-Taking Of New President

RALEIGH, Feb. 13—(AP)—Governor Scott today named a 10-member committee to plan inaugural ceremonies for Gordon Gray, chosen recently as the new president of the Greater University of North Carolina.

Gray, now Secretary of the Army, has said he would be ready to assume his new post not later than Sept. 1, and it is expected the inauguration will be set for early fall.

The governor was authorized by the Board of Trustees at its recent meeting to name the committee from the board membership. Three members were chosen from each of the University's three units — Chapel Hill, the Woman's College at Greensboro and N. C. State College at Raleigh.

The 10th member is former Governor R. Gregg Cherry of Gastonia, an alumnus of Duke University.

Former U. S. Senator William B. Umstead of Durham, a trustee of the University, was designated as committee chairman. Other UNC representatives will be Frank Daniels of Raleigh, general manager of The News and Observer, and Victor Bryant of Durham, attorney and chairman of the trustee group which selected Gray for president.

From among alumnae of the Woman's College, Governor Scott chose Mrs. Frances Newsome Miller of Raleigh, Mrs. Virginia Lathrop of Asheville and Mrs. Charles Stanford of Chapel Hill, to serve on the committee. Mrs. Stanford was a member of Bryant's nominating group.

Eddy To Talk Today At 4

Mrs. Sherwood Eddy, former national secretary of the YWCA of Canada, and wife of the world-traveler, author, and lecturer, will speak to the coeds, townswomen, and faculty and administration wives at 4 o'clock this afternoon in Gerrard Hall.

Mrs. Eddy, who recently returned from a tour of the Far East where she and Dr. Eddy made a study of Russian Communism in Asiatic countries, will speak on "The Place of Women in the International Scene."

Having served with the YWCA in the United States and many South American countries,

NSA Data On Travel Is Available

A helpful amount of information concerning the NSA summer travel programs has arrived at the local office. Application forms and copies of the NSA publication, "Work, Study, Travel Abroad 1950," are also available.

March 8 has been set as the deadline for all applications at the national NSA headquarters at Madison, Wisconsin, Herman Sieber, NSA chairman, said. Although the applications may be sent directly to the main office, special arrangements make it advisable that the local committee send an accompanying letter of recommendation.

A member of the NSA committee will be at the Student Government office in Graham Memorial each day from 3 to 4 o'clock to give interested students the available information. All students who have already been placed on the application list are urged to come by the office to determine their status.

Numerous difficulties have arisen during the past several months making it impossible to give out any of the details of the summer travel schedules, Sieber said.

'Complete Surprise'

History Prof Chosen As New Yale President

NEW HAVEN, Conn., Feb. 13—(AP)—Alfred Whitney Griswold, 43-year-old history professor, was elected today as president of historic Yale University.

His appointment was announced by President Charles Seymour, who, like Professor Griswold, taught history at Yale before he was elevated to the top university post 13 years ago.

Dr. Seymour, who has reached the mandatory retirement age of 65 years, will relinquish his post to Professor Griswold on July 1. Professor Griswold, tall, slender and with thinning sandy hair, was elected Saturday to the presidency of one of the nation's oldest universities. Announcement of his election by the Yale Corporation, however, was delayed until today because he was out of the city when the corporation reached its decision.

Professor Griswold, a Yale faculty member since 1933 and member of an old colonial Connecticut family, was formally presented to a hastily-called press conference by President Seymour.

IVA KITCHELL

Iva Kitchell Concert Slated For Tonight

Dancing Comedienne's Show Begins at 8; Dozen Burlesque Acts Will Be Presented

Iva Kitchell, the dancing comedienne who has won wide acclaim by kidding the tights off the ballet and the dance moderne, will appear here this evening at 8 o'clock in Memorial Hall as the fourth attraction on the Student Entertainment Committee's 1949-50 series.

Non-students, faculty, student wives, and townspeople, will be admitted at 7:40 for \$1 including tax. Charlie Gibson, SEC head, said yesterday, "Not quite so many students realize that impish Iva Kitchell will be just as entertaining as Burl Ives, Polgar, and the Don Cossacks."

"So, perhaps there will be more seats available for non-students twenty minutes before curtain time. We hope not to have to turn anyone away from Memorial Hall this time, but you can never really judge student turnouts beforehand—even for a treat such as this one tonight."

Miss Kitchell, now on a cross-country tour that had its kick-off as a Carnegie Hall concert in December, has already given 450 recitals during the past few years throughout the United States and Canada. She has also appeared recently on both CBS and NBC television programs.

She has studied with some of the world's greatest dancers, including Dolin, Caton, Nimura, Celli, and Staats of the Paris Opera. But it is her own original dancing technique that has earned her the title of "America's foremost dance satirist."

On the full two-hour program tonight will be a dozen of the Kitchell dance burlesques. Her comedy is evident in the very titles of such numbers as "Lament for a Wilted Lily," "Carmen Kitchell from Kansas," "Chanteuse-Danseuse," "The Vert Bros. (Intro and Extro)," "Soul in Search," and "Ze Ballet."

Accompanying Miss Kitchell this evening will be Harvey Brown, her composer-pianist. Members of the Alpha Phi Omega service fraternity will cooperate with the SEC as ushers for this program.

Other members of the Student Entertainment Committee, in addition to Gibson, are Olin T. Mouson, William S. Newman, and Samuel Seiden, faculty representatives.

Whistle Stop

MOUND CITY, Mo., Feb. 13—(AP)—The fire whistle froze here early today and a half block of the main business district was destroyed before firefighters could be rallied.

The fire was discovered at 3:15 this morning. When the fire siren failed to function because it was frozen, a telephone operator called each member of the volunteer fire department personally. It took 30 minutes.
