# Varsity, Frosh Basketballers Take Double Win Over Duke

## Season Ends On Top Note; Nemo High

By Lew Chapman DUKE INDOOR STADIUM. Feb. 24-The Duke partisans winced but the Carolina fans went wild with joy here tonight as the final gun sounded to give the Tar Heel cagers a successful season ending and a convincing victory over the Blue Devils by the score of 64-46.

A large and boisterous crowd saw a smooth-working Carolina quintet thump the home five for the third straight time this year and the Tar Heel win also marked the first time this year the Blue Devils have fallen to an opponent on their home floor.

#### Combined for 33

In a fitting climax to end their days in the Chapel Hill basketball scene, Nemo Nearman and Red Bennett collaborated to scorch the nets for 33 points of the Carolina total.

Nearman was red hot from the four line as he dunked 10 out of 10 charity tosses plus four field goals to pace the Tar Heels with 18 points. Bennett experwhile racking up a sensational .700 shooting average by connecting on seven-tries out of ten from the floor.

The Carolina squad broke the scoring ice soon after the opening tap when a healthy Huge Kappler hit on a long one-hander to give the Tar Heels a lead they never relinguished.

Dam Breaks

As if the dam was then broken, Carolina points came pouring through the nets as Nearman started his foul scoring spree and Bennett thrilled the crowd with three long jump shots. The
