student body voting, Legislature action passed almost two weeks ago will remain in effect. The law hikes the undergraduate fee from \$5 to \$5.50 per quarter and the graduate fee from \$3.85 to \$5 per quarter. The ballot awaiting a voter's yes or no X will read: "Every student financial leader has expressed an opinion per-

taining to the block fee increase has stated that due to an expected drop in enrollment from an average of 7,200 to 6,500 students per quarter an increase of 50 cents per student per quarter for all undergraduate students and an increase of \$1.15 per student per quarter for all graduate students will be necessary to maintain student activities at their present levels.

"Opponents of the fee increase contend that any increase at this time will hurt any efforts that are made to lower student tuition. "Check one:

"I am in favor of the block fee increase as stated above. "I am opposed to the raising

of present block fees."

District polling places will be located at Aycock, Mangum, Alexander, Whitehead and Memorial Hall for men dormitory residents, at Memorial Hall and Victory Village Service Building No. 1 for male residents of town trailer camps and the Village, Alderman Dormitory and Memorial Hall for women dorm residents, and Memorial Hall for all coeds living in town.

Official University ID cards will be necessary to vote.

A bipartisan committee to bring out a large vote tomorrow has been working for the past week. It is composed of President Bill Mackie, former President Jess Dedmond, UP and SP nominees for secretary-treasurer Ben James and Banks Talley, graduate, had served three SP vice-presidential candidate Bill Prince, and legislators Graham Jones, Harry Horton and Sol Kimerling.

> The student block fee budget for 1949-50 is broken down in the following manner:

> Graham Memorial \$21,600, publications \$62,902, executive branch of student government \$925, Student Legislature \$995 judicial branch \$320, Coed Senate \$890. Student Entertainment Committe \$7,300, University Club \$250, class organizations \$2,400, Men's Interdormitory Council \$110, Debate Council Carolina Forum \$640, Activity Fund Office

> If the block fee increase is not revised in today's referendum, the budget for the 1950-51 fiscal year is expected to follow that for 1949-50 rather closely.

Noted Etcher Speaks Here lomorrow

Stanley William Hoyter, noted etcher-engraver who began Atelier 17, a world-known revolutionary art school in Paris 21 years ago, will speak in Person Hall tomorrow night

An exhibition of Hoyter's work will also go on display in the gallery of Person Hall.

Hoyter was born in London in 1901 and came to America in 1940. He has won fame as a leading experimenter in the field of graphic art and has contributed many articles to leading magazines.

He began Atelier 17 with a strong constructive purpose, at a time when engraving everywhere was becoming a sterile, academic craft.

Already a proselytizing theorist when he started the art school, Hoyter attracted such well-known artists as Joan Tanguy to his workshop where artists could experiment without limitations" in new directions, both in etchings and engravings.
