NUMBER 141

HERE IS Vaughn and his passel of sweet-voiced Moonmaids. Mr. Monroe, who is rumored to be the first earthman ever to actually explore the moon's surface, will bring these gals, plus assorted musicians to the campus week after next, and play for the Spring Germans. Included in his endeavors for the weekend are two dances, a concert and a radio program.

Entrepreneurs First Class

## Moonmaids Tell Of Life With Vaughn Monroe

Since April of 1946, when they made their debut with the Vaughn Monroe band, which will play for Spring Germans April 28 & 29, the Moonmaids have been an important part of the organization. Previously Vaughn had featured the Lee Sisters and the Norton Sisters.

Vaughn didn't christen us the Moonmaids for nothing," says Marie Lee, spokesman for the famous quartette.

"He had a definite reason. Both of the first groups disbanded because one or more of the girls got married, couldn't take the grind of one-nighters, or went out as a soloist. You can't replace a girl in a 'sister group' without changing the name. Now, if anybody leaves, Vaughn can get a replacement and still retain the name."

Traveling with a name band is not always the glamorous life it is generally thought to be by many a stage struck girl. Long, fast periods of travel, with a tight theater and personal appearance schedule to meet, calls for quick thinking and in many cases a talent for making something out of nothing.

For example — one theater on the band's itinerary neglected to supply the girls with dressing room facilities. Undaunted, the girls whipped up dressing tables out of make-up kit mirrors and the cleared-off tops of their trunks.

Sometimes because of transportation delays, the band gets into town on a one-nighter date with just enough time to sprint into the theatre and get onstage. Such split-second timing calls for many last-minute wardrobe checks and repairs.

In such cases stocking runs and dress mending frequently are taken care of up to the last breath before the girls step out onstage, calm, collected and smiling—just as though they had

TGA Prexy

Janet Ellington is the new president of the Town Girls Association, spokesman for the TGA announced yesterday.

Betty Sue Jacobs was elected first vice-president. Jane Webb second vice-president. Jenette Sloan secretary. Jackie Merritt treasurer. Dot Sloan social chairman. Katherine Thompson WAA representative. Mary MacKear representative to the Graham Memorial Board of Directors.

New officers will take office in September.

## Graham Jones Offers Thanks To All Voters

### Wants Criticism From Students On Publication

Graham Jones, editor-elect of The Daily Tar Heel, yesterday released the following "open letter to the student body."

"Thanks for hiring me to edit your newspaper. Right now my head is swimming and my shoulders, which are skinnier than most, are sagging from the work that has piled up already. You must know, that by your vote, you've given me the greatest opportunity and the dirtiest job in your student government.

"Many of the people who worked hardest for Chuck Hauser and Bill Kellam promised me today that they will cooperate to the limit in order to give you the kind of paper you deserve.

"During the campaign we said that the DTH needed both Kellam and Hauser, and I am glad to know that there are no bitter feelings which might have prevented their help.

"Many students, including myself, want the best Managing Editor available. That position pays over \$500 each year, and we will make no snap decisions on the man who will fill it. The staff has been asked for their choice and all interested students are being asked for their suggestions. "I made but one commitment in this campaign: A good Daily Tar Heel that works for its owner—the entire student body.

"I owe 1,700 voters a good paper to justify their expression of confidence in me. I owe several dozen friends, humble and complete gratitude for the efforts they expended in my behalf. Above all else, I owe the 6,800 students as fine service as honest effort can give.

"You will doubtless disagree with many things I do. There will be many miscues. Please let us know what you want and what you do not like about your paper."

### Willis Smith Unable To Appear Last Night

The Young Democrats Club announced last night that due to prior engagements senatorial candidate Willis Smith could not fulfill his speaking engagement scheduled for last night in Memorial Hall.

Instead, candidate Smith, who faces Frank Graham and Bob Reynolds in the State race, was off on a speaking tour into eastern North Carolina counties. Graham spoke here earlier this month.

## Frosh-Sophomore Dance Scheduled For April 22

Allen Tate, chairman of the Sophomore Council, said yesterday afternoon plans are now complete for a freshman-sophomore dance to be held between the hours of 8:30 and 11:30 on Saturday, April 22, in Woollen Gymnasium.

Tate said that a planning committee appointed by freshman class President Jim McLeod and sophomore President Dalton Ruffin decided upon the joint dance and formulated plans for the big affair. Johnny Satterfield and his orchestra will provide the music. Representatives will be appointed to visit the rooms of freshmen and sophomores during the next week to sell tickets to the dance. Any member of either class may put his name on a list at this time for a date with a girl from Woman's College if he cannot get a date otherwise.

A booth serving the same purpose will be set up in the Y lobby next week, Tate said.

## India Wreck Kills Fifty

NEW DELHI, India, April 12—(AP)—Fifty persons were reported killed about 100 miles east of here today in a train wreck, which a railway ministry official said may have been caused by sabotage.

The wreck occurred 45 miles south of Bareilly, in the United Provinces, when a passenger train jumped the track and crashed into a stream.

## Derby Day Slated As Biggest Event Since Human Race

By Wuff Newell

Friday will be Derby Day in Chapel Hill, and when the special Derby Day parade forms in front of Chapel Hill High School at 2 o'clock it will herald the beginning of the greatest turf event since the running of the Human Race.

Rain or shine, hot or cold, the first event of the sixth annual Sigma Chi Derby will begin at 3 o'clock on the green grass of Kenan Stadium and mares from seven stables will compete in the Derby which is thought by some to overshadow even the Kentucky event.

Highlight of the pre-race parade will be the first Chapel Hill appearance of the noted, but eccentric, New York playwright Charles Ginsberger. Ginsberger, who is scheduled to wear his authentic Scotch kilts, will ride his own horse, Frothingmouth, in the parade, according to Derby Chairman Len Butt.

Frothingmouth was entered in England's famed 1927 Grand National and won a blue ribbon as the finest mare in the show, Butt said. This was the last time the horse appeared in a public show, he added.

The parade will move down Franklin Street and turn onto Raleigh Street. From there it will turn right and proceed down to South Columbia Street. It will turn east at the Carolina Inn, go past the Y Court and then head for Kenan Stadium, where the big events of the day will take place.

National Claiming will be the first event, and two mares from each competing stable will be entered in it. It is rumored that at least one entry from each should have a fondness for bananas—or else develop a liking for them before Friday.

The second event, which will take eight entries from each stable, will be the Grand National. Havre de Gras will be the third event, and it will be followed by Show Horse and Pimlico Special.

Horses will be entered in the races by seven local stables. They will enter mares in each race and will enter their best show horses in the big Show Horse event.

Stables and the acts the mares will present are Alpha Delta Pi Farms, Casey Coffin Company; Alpha Gamma Delta White Fence Ranch, Sont Bon; CICA Riding Academy, title not known; Chi Omega Stables, Y Court Capers; Delta Delta Blue Grass Farms, Knees in the Breeze; Pi Beta Phi Jump Club, Round Robin, and Stray Greeks Ranch, Stray Greeks.

Judges for the Derby will be Mayor Ed Lanier, Dean of Women Katherine Kennedy Carmichael, Dean of Students Bill Friday, Carl Snively, Art Weiner, Huck Holdash and Ginsberger.

During the Derby 30 door prizes contributed by the Chapel Hill Merchants Association will be presented.

The derby, which is becoming a Carolina spring tradition, is only the start of a weekend of festivities for the fraternity. Dances, parties and the Sweetheart Ball Saturday night are other features of the weekend of fun and frolic being sponsored by Sigma Chi.

## Will T. Tolar Resign Post Is Question

### Genial Colonel Pleads Guilty In Fayetteville

RALEIGH, April 12—(AP)—Is C. R. (Tony) Tolar, head of the State Highway Patrol, going to resign?

The genial colonel pleaded guilty in Fayetteville Recorder's Court today to speeding last Wednesday and paid a \$10 fine and court costs. Last month he was indicted by the Beaufort County Grand Jury on charges of reckless driving and improper use of a siren at a funeral.

Speculation in the state capital's rumor factory has it that the colonel—appointed to his post by Governor Scott—will resign to save the administration from embarrassment. Tolar was appointed by Scott last May.

So far, Tolar has not been reached for comment on the rumors. His superior, Col. Landon C. Rosser, head of the Motor Vehicles Department, said he plans to talk to Governor Scott about his patrol commander.

## Delegation To Be Sent To Virginia University

The University will send a large delegation to the Southern Humanities Conference at the University of Virginia when the Conference holds its annual business meeting in Charlottesville and tomorrow.

The attitude of American business executives and industrial leaders toward study of the humanities will be a major topic of discussion during the two-day sessions. A proposal to invite Southern colleges and universities to become associate members of the Conference is expected to be offered also. At present only Southern learned societies hold membership in the SHC.

Delegates from the University include Dr. Fletcher Green, member-at-large; Dr. Glen Haydon, Southeastern Chapter of the American Musicological Association; Dr. Sturgis E. Leavitt, chairman of the Conference; Dr. Clemens Sommer, Southeastern Conference of the College Art Association; and Dr. Louis R. Wilson, representing the Southeastern Library Association.

Purpose of the Southern Humanities Conference is to promote humanistic scholarship and

## Demo Action Is Demanded On Rights Bill

### Ask Showdown On Legislation Despite South

WASHINGTON, April 12—(AP)—Republican leaders tonight demanded immediate Senate action on the keystone of President Truman's bitterly controversial Civil Rights Program despite the threat of a filibuster by Southern Senators.

The GOP demand for a showdown came at the outset of Mr. Truman's sixth year in the White House. He took office just five years ago today.

Chairman Taft (R-Ohio) of the Senate Republican Policy Committee said GOP leaders will ask the Democrats to take up fair employment practices (FEPC) legislation "at once, as they stated they intended to do."

FEPC is a major phase of Mr. Truman's Civil Rights proposals. It is designed to curb discrimination in hiring and firing on account of race, creed or color.

Taft, speaking for the GOP policy group, said yesterday's decision by the Democratic leadership to postpone action on FEPC "throws doubt on the good faith of the majority (Democrats) in the whole Civil Rights program."

Taft said if the FEPC measure goes over until May, it would virtually kill any chance of action on Civil Rights before Congress adjourns.

Democratic Leader Lucas of Illinois said after a conference with Mr. Truman yesterday that the President felt it was more important to give right-of-way at this time to foreign aid legislation.

## Y Chooses McLeod President; Milledge Gets Veep Position

Ed McLeod, senior from Maxton, was elected next year's YMCA president in elections held last week, and Allan Milledge, sophomore from Miami, Fla., was named vice-president, the YM said yesterday.

## Chi Phi Man Is Elected IFC President

### Morrison Picked; Watkins Is Veep

Dale Morrison was elected new president of the Inter-Fraternity Council, it was announced yesterday. Morrison is a member of IFC court, Chairman of Andrew Bershak Scholarship Fund, and vice-president of Chi Phi.

Alex Watkins, chairman of the IFC Intramurals Committee, was chosen vice-president. Robert Holmes is secretary and John Robertson treasurer.

Elected to the Interfraternity Council court were Rufus Bynum as chairman, James Cowan, Claude Wilson, George Grover, William Rhoades, Robert Hamer, William Saunders.

## Plans Ended To Evacuate

WASHINGTON, April 12—(AP)—Costly U. S. efforts to evacuate 2,000 Americans and other foreigners from Shanghai by sea collapsed today after three months of haggling with the Chinese Communists.

Secretary of State Acheson announcing cancellation of the plans said the last straw was a notice from the Nationalists that for "military reasons" they were sealing off the last open Yangtze River channel to the sea with mines.

## Senator Tydings Blocks Appointment Of Ayer

WASHINGTON, April 12—(AP)—Chairman Tydings (D-Md.) today blocked the appointment of a Republican aide to the Senate subcommittee investigating charges of Communism in the State Department.

Tydings told newsmen he was holding up the appointment of Frederick Ayer, Jr., because Ayer is a candidate for political office and "every effort should be made to keep politics out" of the Senate inquiry.

The Maryland senator said he had learned that Ayers is seeking the Republican nomination for attorney general in Massachusetts.

Tydings acted within a few

hours after Senator Taft (R-Ohio) cut loose with a blast accusing the Democratic majority on the five-man Tydings committee of making "no real effort to find out the truth in connection with Senator McCarthy's charges that Reds have infested the government."

Demanding that President Truman rid his administration of "any suspicion of treason—if he can," Taft declared:

"The pro-Communist influence in the State Department has been reflected in a strongly pro-Communist policy in China which succeeded finally in delivering China and perhaps the entire East to Communism."

Jim McIntyre and Bill Hogshead were elected secretary and treasurer, respectively, and two new Advisory Board members, William Poteat and Donald Hayman, were chosen for three-year terms.

The new officers and Cabinet members will be installed at a banquet in the Carolina Inn on April 25.

McLeod is an education major and was chairman of the Y Membership Committee during the past year. He has represented the university in numerous YMCA conferences throughout the South and has been chairman of the State YM-YW-SCA Conference. He is a member of the Graham Memorial Board of Directors.

Milledge has been chairman of the Y's House Discussions program and chairman of the Presbyterian Student Association. He was a member of the Freshman Friendship Council, is a soccer letterman and a member of Chi Phi fraternity. A pre-law student, he was recently elected to the Men's Honor Council.

McIntyre, elected to the secretaryship, has been acting secretary of the Y during the past year and has been active on the Cabinet. He is a member of Delta Psi fraternity.

Hogshead, a PiKA, is a Cabinet member and has been in Y work since last fall.

Poteat, named to one of two vacancies on the Advisory Board, is a past General Secretary of the Y. He is a member of the Department of Philosophy. Hayman, of the Institute of Government, has been a member of the Board of the Wesley Foundation of the Methodist Church in Chapel Hill.

## B-29 Crashes At Bomb Site

ALBUQUERQUE, N. M., April 12—(AP)—A B-29 Supertortress plowed straight into a mountain instead of turning and killed 13 airmen near here last night.

The ship cracked up in a highly secret area of Sandia Base, which is engaged in atomic and other special weapons work. Result: a tight security cloak on most details of the tragedy.

All aboard the four-engined bomber died in the fiery explosion which followed almost instantly. The bodies were burned beyond recognition.

Plane and men were from the Strategic Air Command's 509th Bomb Wing, stationed at Walker Base outside Roswell, N.M. They had landed at Kirtland Base here and refueled on what was officially labeled a navigation training flight. Authorities declined to amplify that description of the mission.

The Superfoot took off eastward toward the Manzano Mountains from a runway more than 10,000 feet long. Kirtland authorities said they were unable to explain why it did not execute a 90-degree bank to avoid the rocky crest, as is prescribed for all craft operating from the field. Such a course prevents take-offs over congested Albuquerque districts.

Class Rings

Class rings may be ordered in the lobby of the Y this afternoon from 1 to 5 o'clock.

All rings ordered this afternoon will be delivered before the end of spring quarter but any ordered after today will not arrive until summer.

Orders may be placed by members of the class of 1950 and 1951. The Order of the Grail sponsors the ring sales.
