(Continued from page 3) Davidson, although lacking a player of the calibre of Taylor or Atwater, still placed more men, three in the top eight, than any other school. Bo Roddy was seeded third with Ted Keester sixth and Whit Cobb seventh. Rounding out the top eight players are Tommy Boys of William and Mary, number four, and Harold Lipton of Duke, number eight. Boys was the only winner for W&M this afternoon when he licked Rice, 6-2, 6-3. Taylor drew a bye in the first round of play and will not see action until the quarter-finals on Friday. Rice will meet Charles Dem of Washington and Lee, while Roddy will battle Bob Luxenburg of Carolina.

In all there will be a record field of 57 players when the competition starts tomorrow. The

Another bill to form an investigation committee to probe the Publications Board is still in committee. It also was introduced by Plager in last week's meeting.

Two other bills will be brought up on the floor being reported from the Ways and Means Committee as 'unanimously unfavorable.' They provide for representation of the Town Men's and Women's Associations in the University Club, and TMA membership on the Dance Committee.

A bill introduced in last week's session by Sheldon Plager, Chairman of the Ways and Means Committee, to revise the by-laws is incorporated into the proposed by-laws.
