Student Party Names Parker DTH Candidate

Student UWF Plans Initial Meet Tonight

Group To Pick State Delegates For Convention

The student chapter of United World Federalists will hold its initial meeting of the Fall quarter tonight at 7:30 in Roland Parker Lounge No. 1, acting-President John Lineweaver announced yesterday.

An election of officers for the coming year will be the first order of business, Lineweaver said. In addition, delegates will be chosen to represent the chapter at the State convention in Raleigh on Saturday and Sunday.

The annual state convention of United World Federalists of North Carolina, which will be held in the Carolina Hotel, will be welcomed to Raleigh by Governor Kerr Scott at 2 o'clock Saturday.

The convention is expected to issue a strong endorsement of the United Nations' action in Korea and to call for the early establishment of a permanent international police force.

Highlighting the convention will be a debate on the question "Is World Federation a Practical Objective Today?" Dr. Frank Hanft of the University law school and Radio Commentator Alvin Wingfield of Raleigh will participate. Hanft will uphold the affirmative and Wingfield the negative side of the question.

Robert Lee Humber, pioneer federalist from Greenville, and author of the famous "Humber Resolution," will deliver the keynote address following the welcoming by Governor Scott.

A banquet Saturday night will feature speeches by Congressman C. B. Deane of Rockingham, D. Hiden Ramsey, publisher of the Asheville Citizen-Times, and Samuel Levering, vice-chairman of the national executive council of United World Federalists.

Terry Sanford of Fayetteville, retiring president of the Young Democrats of North Carolina, will act as toastmaster for the banquet.

Weaver Speaks At Frosh Meet

Dean of Students Fred Weaver addressed the first Freshman Assembly of the year yesterday morning in Memorial Hall.

Weaver, who was introduced by Bill Friday, assistant Dean of Students, spoke on the individual student's need to keep away from mediocrity.

Dr. Samuel T. Habel gave the invocation. Yesterday's program was the first of a series which will be held each Tuesday and Thursday of the Fall Quarter as a finishing touch to orientation.

Draft News

WASHINGTON, Sept. 26—(UP)—Men 26 to 35 years old will not be drafted in the "for-seeable future" and men over 35 probably will not be called at all, Col. Daniel O. Omer, general counsel of the Selective Service System, said today.

He told a Farm Labor Committee on manpower problems that men in the 19-through-25 age group, including World War II veterans, should be called in the draft before any older or younger men are summoned.

Greater University Requests Total 24 Million, UNC Six

RALEIGH, Sept. 26—An appropriation of \$24,290,151 to operate units of the Greater University during the next biennium was requested of the Advisory Budget Commission today.

This compares with \$16,950,191 the 1949 Legislature appropriated to operate the Greater University during the current biennium. The Greater University includes the University at Chapel Hill, State College, and the Woman's College at Greensboro.

In addition, President Gordon Gray, making his first appearance before the Budget Commission requested a total of \$8,391,255 for permanent improvements at the three institutions. This would be in addition to \$43,078,973 in construction work for the Greater University authorized by the 1947 and 1949 Legislatures.

The Budget Commission has been conducting hearings for the last two weeks on appropriations requests of state institutions for funds with which to operate during the 1951-53 biennium. It will

Requests Are Up By 50 Percent Over 1949-50

use these requests as a basis for its appropriation recommendations to the 1951 legislature which convenes next January.

The biggest increase in operating appropriations requested by Gray for the Greater University would go to the Division of Health Affairs at Chapel Hill. This includes the teaching hospital now being built, the medical school which is being expanded from a two-year to a four-year school, the dental school authorized by the 1949 legislature and now being organized, the nursing school, public health school and school of pharmacy.

The request for the University included \$750,000 to supplement a gift of \$250,000 for an Institute of Government building and \$450,000 to match federal funds for a military sciences building.

For the division of health affairs the University wanted \$460,000 to complete and equip two wings to the medical school building \$498,000 to supplement a previous appropriation of \$1,000,000 to build and equip the dental school, and \$1,135,000 for a new pharmacy building.

Requests submitted today for each year of the 1951-53 biennium follow (figures in parentheses represent appropriations for the current fiscal year):

Greater University of North Carolina, administration, \$51,736 and \$52,072 (\$37,944); University at Chapel Hill, \$3,052,791 and \$3,211,403 (\$2,724,068); permanent improvements, \$1,972,000; Division of Health Affairs, \$1,723,168 and \$1,914,330. Permanent improvements, \$2,093,000; State College, \$2,464,277 and \$2,544,277 (\$2,064,481); permanent improvements, \$2,102,000; Woman's College, \$1,324,902 and \$1,325,592 (\$931,922); permanent improvements \$1,806,255.

Eure Speaks At Inaugural For Phi Men

18-Year Voting Given Support By N. C. Official

Secretary of State Thad Eure in an address here tonight declared that 18-year-olds who are required to fight to defend their country should be given the right to vote. Eure also praised highly the American "way of life" and condemned Communism.

The Secretary was addressing the Phi Assembly, one of Carolina's two debating societies, inaugurating its 150th year on the University campus. He was introduced by George Rodman of Washington, speaker-elect of the Assembly.

"Communism," Eure stated, "is a godless monster which strives to destroy democratic institutions and governments through falsehood, fraud, malice, slander and ultimate force, motivated by selfish leadership of a handful of self-appointed leaders of the unthinking masses who follow the course of least resistance."

Eure went "all out" for giving 18-year-olds the right to vote, especially those required to serve in the armed forces. "When men are required by the government to fight for our way of life, our government and our country, they should be given the privilege of casting ballots in favor of candidates who will be elected and have the power to write terms of the peace for which they fought and will live under," he said.

The speaker suggested that steps be taken to amend the Constitution so that this group of citizens may vote. "If it has to be restrictive," he added, "it should at least include those who are compelled to serve in the armed forces."

Rodman headed a list of new officers assuming office, Ham Horton of Winston-Salem, Speaker Pro Tempore, was not present for induction. Dave Sharpe of Chapel Hill was installed as Treasurer; Albert House of Scotland Neck, Clerk; Herman Sieber of Hendersonville, Critic and Debate Council representative; Otis McCullum of Winston-Salem, Parliamentarian; Douglas Carter of Winston-Salem, Sergeant-at-Arms; and Edward Clinard of Winston-Salem, Carolina Forum representative.

Southern, Beachhead Forces Link, Closing Trap On Reds

TOKYO, Wednesday, Sept. 27—(UP)—American Cavalrymen driving north from southeast Korea linked up Tuesday with U. S. 7th Division forces near Suwon, closing a trap on an estimated six Communist divisions south of burning Seoul.

In Seoul itself American forces hammered fanatical Communist defenders into a box in the north-

east section of the city, but in the process were forced to set huge battle fires which shrouded the blazing city in a column of smoke 10,000 feet high.

The historic linkup south of Seoul was made by two tanks of the U. S. 1st Cavalry Division's Task Force Lynch, which battled 115 air miles from Waegwan in seven days.

The two tanks met 7th Division patrols in the area four miles south of Suwon, where 7th Division troops had been patrolling the main Seoul-Taegu highway to intercept Communist forces fleeing north.

The last dash of the 1st Cavalry flying column covered the 50 miles from Chochiwon in less than 24 hours. An announcement by the U. S. 10th Corps said the linkup was made at 11 P.M. Tuesday (9 A.M. EST Tuesday).

Task Force Lynch is commanded by Lt. Col. James Lynch, 34, of Washington, D. C. It was able to break out of the Communist lines before Taegu when Waegwan, on the Naktong River, was captured Sept. 18.

The flying column took to the back roads for the first part of its drive but turned into the main Seoul-Taegu highway at Chochiwon, 65 miles south of Seoul.

Driving up another section of the main highway was another tank-led task force of the U. S. 24th Division which captured Yongdong Tuesday and smashed on for Taejon, 22 miles northwest. This force liberated three American soldiers in Yongdong,

the first U. S. prisoners of war to be freed in the northward advance.

The Marines flattened against the barrier and shoved their rifles over the sandbags. There was no way to tell whether this was an enemy group coming in to surrender or whether the Reds hoped the Marines would allow them to get close enough to launch a suicidal charge.

Negro's Truthfulness Wins Freedom In Court

By Don Maynard

For telling the story just as it happened, Harvey W. Baldwin, 59-year old Negro truck driver from Carboro was acquitted of a charge of reckless driving and property damage in the Chapel Hill Recorder's Court yesterday.

Following the testimony of Alec Elliot, driver of a school bus carrying 18 children which police said Baldwin struck as he drove down a long hill on Route 54, Baldwin corroborated the stories of both a highway patrolman and the bus driver. His only addition was that his steering gear had gone out of commission.

Judge John Manning declared him not guilty on the grounds that "after all, it is not the defendant's fault if

his steering gear goes out of commission when there had been no noticeable defect until that time."

Six University students appeared before Judge Manning yesterday on various charges.

The docket: William R. Watts, 19 (student), passing on hill, \$15 and costs.

Bernard P. Goodman, 22 (student), speeding, costs.

Owen O. Morgan, 21 (student), public drunkenness, \$5 and costs.

Ralph S. Pittman, 25 (student), no brakes, \$5 and costs.

M. M. Williamson, 21 (student), public drunkenness, \$5 and costs.

Earl Johnson, Jr., 21 (student), interfering with an officer, \$5 and costs.

Kerr, Vaden Are Selected To Seek Senior PB Seats

By Rolfe Neill

Roy Parker, Jr., acting editor of The Daily Tar Heel, yesterday was nominated by the Student Party to run to succeed himself in a special election to be held Oct. 10.

Simultaneously, long-time publications man Tom Kerr withdrew as an independent candidate because he felt "the danger is passed."

Parker, a junior from Ahsokie, has served as Managing Editor,

News Editor, and reporter. He has worked for several summers on professional newspapers as well as editing the summer Tar Heel. He has been on the DTH since enrolling here.

The University Party will meet at 2 o'clock this afternoon to nominate its candidate for the DTH as well as persons for the Publications Board and Student Legislature seats.

Taylor 'Buddy' Vaden and Kerr were chosen by the SP to run for the senior seats on the Publications Board.

Vaden, appointed when former managing editor Chuck Hauser retired last spring, will be running to succeed himself. Kerr is after the seat vacated by C. B. Mendenhall who graduated during the summer.

In the hour and 15 minute meeting, the SP chose seven persons to run in the election for vacant Legislature seats. They were Bill Burkholder, Dorm I; Bill Prince and Lee Edwards, Dorm II; Cam Stubbs, Dorm III; Jim Lamm and Ralph Waddell, Dorm IV, and Charlie Fox for Town II.

Burkholder is on the Men's Council and Prince is floor leader in the Legislature. Both Lamm and Edwards have been members of the law making body. Fox also is on the Men's Council.

Kerr, who had been mentioned in connection with both the UP and SP nominations, made this statement immediately after Parker's nomination:

"With the entrance several days ago of Acting Editor Roy Parker into the DTH race I have seriously felt that what I consider a danger to the paper is passed. And now with Roy's nomination by the SP I feel that the first big step has been taken toward correcting the present unsettled situation in publications."

"I do not foresee the necessity of my opposing Roy in this election as an independent candidate. Rather I offer him my sincere support and cooperation."

Frank Allston, Publications Board member and Hauser, have been frequently spoken of as candidates for the editorship race. Neither had any statement to make last night.

Bob Evans, SP chairman, yesterday called another meeting of the party for next Monday night at 9 o'clock.

No Cutback States Gray

RALEIGH, Sept. 26—(AP)—Gordon Gray, former Secretary of the Army, said today there is little prospect for an early cutback in national defense spending.

Gray, now president of the University of North Carolina, gave his views on defense spending in an appearance today before the State Advisory Budget Commission. He laid the University's budget for the next biennium before the commission.

United Press

With the installation yesterday of full United Press leased wire service, The Daily Tar Heel now has the most complete coverage of world and national events of any college newspaper in the country.

The UP and Associated Press will bring to readers the latest reports on draft regulations, reserve calls, activities of such persons as Gordon Gray and Sen. Frank Graham in Washington, and news of University appropriations in the General Assembly.

In addition, the wires will be utilized to bring Daily Tar Heel readers news from the Korean war front and brief resumes of the other headlines of the day.

STUDENT PARTY CANDIDATE for the editorship of The Daily Tar Heel, Roy Parker, Jr., (left), and Tom Kerr, who withdrew from the race yesterday, are shown above. Parker, a junior from Ahsokie, was nominated by the SP in a meeting yesterday afternoon to run in the special campus-wide election on October 10. Kerr withdrew as an independent because he felt "the danger is passed."
