Indo-China Line Falls; Rebels Get Firm Hold

Langson Fortress

Abandoned To Reds In Frontier Zone

SAIGON, Vietnam, Indo-China, Oct. 21—(P)—French abandonment of the headquarters fortress city of Langson was announced today, signaling the fall of the Indo-China-China frontier zone to firm control of the Communist-led Vietminh Nationalists of Ho Chi Minh.

A French Army communiqué disclosing this development vowed that the French will assume

WASHINGTON, Oct. 21—(UP)—United States arms aid is moving to Red-menaced Indo-China at the "fastest rate and in the largest volume possible," a military spokesman said today.

the offensive after regrouping as mobile units and "no further withdrawal of our troops is foreseen." But the evacuation of Langson, part of a gradual retreat from border positions, ended French chances of a decisive military victory anytime soon in the struggle for domination of this gateway country to southeast Asia.

Five French posts had been yielded previously.

Abandonment of the remaining French positions, at Loakay in the west and Moncay in the east, is regarded here as only a matter of time. The French defense line in north Indo-China is being shifted an average of about 75 miles southward to the northern fringes of the rich Red River delta.

Florida Blow Knocked Out By Cold Air

MIAMI, Fla., Oct. 21—(UP)—A Gulf hurricane that threatened the heavily populated West Florida coast fizzled out today instead equally weather as it swept inland north of Tampa and spread out over South Georgia.

The Miami Weather Bureau said the once powerful storm with 90 mile an hour winds literally had its sails knocked out by a mass of cold dry air that descended from the north. This spared Florida its second big blow of the week.

The mere 50-mile an hour winds were a relief to the 900 residents of Cedar Key north of Tampa who were battered by 125-mile an hour winds for 14 hours last month. That storm left only two houses intact in Cedar Key, killed two persons and caused \$3,000,000 damages on the West Coast.

Maryland Surprised By N.C. State, 16-13

By Ken Barton

COLLEGE PARK, Md., Oct. 21—Maryland's favored Terps outplayed and outrushed a fighting team of football players from N. C. State, only to lose to the Wolfpack, who capitalized on fumbles to win, 16-13, a game that produced a thrilling finish here today before 24,502 homecoming fans.

All the scoring in the first half was done within the first six minutes, as State, through some lucky breaks, was able to grab nine quick points.

On the second play of the game, Bob "Shoo Shoo" Shemonski fumbled a lateral from John Scarbath and defensive halfback Jack Fenwick of State kicked the ball out of the end zone for a safety and two points for State College.

Elmer Costa, State tackle, recovered a fumble in the Maryland backfield on the Maryland 20 after State had put the ball in play again. Ed Mooney drove to the 15 for a first down and then two plays later went off right end on a bootleg play for the touchdown. Ray Barkouskie converted.

After that the game became all Maryland, who despite the fact that they were three times within 10 yard line of State, they were unable to score. With Costa and Jim O'Rourke leading a solid defense, the Terrapins were turned back each time.

Late in the first period, Shemonsni took a kick from his own start to finish.

It was a sizzling duel for Iowa came out swinging with a vengeance. All week the Hawks had been reminded of a remark by

Purdue Coach Stu Holcomb that "I promise you we'll beat Iowa if it is the last thing we do."

That was a version of a statement made by Holcomb in a flush of Purdue's victory over Notre Dame. He made it at a pep session while discussing Purdue's opening conference game.

But Iowa was ready to contradict the Purdue head man and his boys.

The Hawks shot into a 7-0 lead on Glenn Drahm's 33-yard fourth down pass to Don Connack with only four minutes gone.

Purdue roared back on the expert arm of Sophomore Dale Samuels who completed six straight passes in the remainder of the period. One, a nine-yarder to Darrell Brewster, was good for the first Boilermaker score.

Then a six-yard toss to Leo Sauer accomplished another touchdown. Samuels' second conversion made it, 14-7, Purdue.

In making the appeal yesterday, member of the American Legion Hospital Committee asked those interested in giving, to bring the gifts by Andrew-Henninger Furniture Company tomorrow. A box has been placed in the store to accomodate the gifts. The local drive will last only through Tuesday.

The spokesman pointed out that gifts should not be wrapped. Instead, they will be wrapped at the hospitals after selection.

Gifts suitable for men, women, and children are being accepted.

Gifts Asked For Veterans

University students are being asked to contribute gifts to Veterans Hospitals that men there unable to shop might pick out presents to send loved ones for Christmas.

The merchants of Chapel Hill will close up shop at 10:35 a.m. so employees may join in the world-wide tribute to the U. N.

At 10:45, church and University bells will begin ringing to sum-

Rulings Spur Negro Effort In Georgia

ATLANTA, Oct. 21—(UP)—Faced with the uprooting of its 75-year-old doctrine of racial segregation in education, Georgia is mapping its biggest public school expansion program in history.

Threatened Federal Court action and an awakened social consciousness have spurred the state to play for its Negro citizens "separate but equal" educational facilities with the emphasis on the "equal."

Georgia for years let its responsibilities to its Negro school children slide. The emphasis in the past has been on "separate" not "equal" schools.

But recent Supreme Court decisions, two suits filed by Negro citizens in Georgia, and an awakening of the white citizens to their responsibilities, have led to two positive programs to correct the situation.

The most recent court action was brought by a group of Negro parents seeking equal education facilities in the Atlanta public schools. The suit, filed in Federal District Court, also asked an end to segregation.

When the Georgia Legislature meets in January, it will be asked:

1. To finance a "Minimum Foundation Program for Education," which would ear-mark \$100,000,000 a year for public and university education.

2. To initiate a multi-million dollar school building program to be financed through a state school building authority.

Sooners Top Kansas With 58-0 Victory

NORMAN, Okla., Oct. 21—(UP)—After two weeks of last minute victories, Oklahoma enjoyed an afternoon of relaxation today in whipping Kansas State 58-0 to open defense of its Big Seven football title.

Today's schedule of services: Holy Communion, 8 a.m.; Bible study meeting in the Parish House, 9:30 a.m.; Morning Prayer and sermon, 11 a.m.; Canterbury Club, 6 p.m.; and Evening Prayer 8 p.m.

Part Of World Wide Tribute

Flag-Raising Ceremony To Highlight UN Day Celebration Here Tuesday

United Nations Day, Tuesday, will be celebrated in style here at Carolina.

Highlighting the joint University-town celebration will be a special flag ceremony starting at 10:45 a.m. on the steps of South Building. Two U. N. flags will be presented, one each to the University and the town, by the Orange County Home Demonstration Club. Club members made the flags.

The merchants of Chapel Hill

will close up shop at 10:35 a.m.

so employees may join in the world-wide tribute to the U. N.

bells will begin ringing to sum-

Student Car Parking Rules Relaxed Here

Survey Reveals

Lots Not Used

To Full Capacity

For the first time since the war, University parking rules have been relaxed in favor of student car owners, the Traffic and Safety Committee announced yesterday.

Chairman Larry Botto said that the parking lot behind Peabody Hall, known as the "arboretum lot," has been opened to both red sticker holders as well as blue. Also opened to red sticker-holders was the parking space along the third base line on Emerson Field.

The new moves came after a survey by the Dean of Students office showed that the arboretum lot was being used to only about one third of its capacity. The lot will hold about 100 autos.

Red sticker holders are those living outside the "walking zone." There are about 600 of the stickers. The Traffic Committee has urged those who have the stickers, but who live within a short distance of Chapel Hill refrain from using the newly opened space, since long-distance commuters usually arrive late and cannot find parking space anywhere.

The Traffic and Safety Committee also announced new measures to deal with those who violate the existing parking regulations. From now on, all those who receive three tickets will be subject to "administrative action" by the committee. The control body is empowered to deal with violators after town police action is taken.

University Police Chief P. L. Jurch announced that approximately 400 tickets have been given out to violators since the present regulations went into effect at the beginning of this quarter.

Episcopal Rector Joins Staff Here

The Rev. Levering Bartine Sherman, rector of Saint Andrews Church in Charlotte, will join the staff of the Episcopal Church on a ceremonial occasion—United Nations day.

The President will deliver it, nevertheless, against the background of his Pacific flight and his repeated warnings to Russia against further Red aggression.

Thus the speech will serve to sharpen the dilemma developing in the policies of the Western powers this weekend as the Korean war draws to a close.

For the impression among well informed diplomats in Washington now is that Russia is trying to take advantage of this Korean development to lull the world into a false sense of security.

Mr. Sherman, 29 years old, is a graduate of Princeton University and Virginia Theological Seminary.

Today's schedule of services: Holy Communion, 8 a.m.; Bible study meeting in the Parish House, 9:30 a.m.; Morning Prayer and sermon, 11 a.m.; Canterbury Club, 6 p.m.; and Evening Prayer 8 p.m.

New Lutheran Church To Be Ready By Easter

Chapel Hill's first Lutheran Church, Holy Trinity, will be ready for worship by next Easter, the Rev. E. C. Cooper announced yesterday.

Costing \$96,000 and seating approximately 300 persons, the church is located at the corner of Pickard and Rosemary Lanes, opposite the Lambda Chi Alpha house.

Construction on the church has reached the first floor level.

Freedom Bell Arrives Safely In U.S. Berlin

BERLIN, Oct. 21—(UP)—The Freedom Bell arrived safely in U. S. Berlin today after a secret, overnight dash through 100 miles of Russian territory and Communist agents who reportedly had orders to delay it.

Cautious U. S. Army Engineers gently hoisted the 20,000 pound bell, symbol of the hopes of free men, from a railway boxcar and eased it aboard a flat-top truck for its final journey to the West Berlin City hall.

Change Of Locations Noted For Two Lectures By Kagawa

By Don Maynard

Dr. Toyohiko Kagawa, Japanese evangelist and Presbyterian clergyman, scheduled to deliver his two lectures tomorrow in Memorial Hall, will instead speak in the auditorium of the Baptist Church on S. Columbia Street.

The times of his lectures, 11 a.m. and 7:30 p.m., have not been changed however, the Rev. J. C. Herrin, of the Baptist Church said yesterday.

Dr. Kagawa will speak on "The Problem in Asia" in the morning session. He will present "A Christian Message in an Atomic World" at the evening program.

Following a University ruling that the Memorial Hall gathering could not be unsegregated, the

Ministers' Association of Chapel Hill voted to move the lecture

to the Baptist Church.

The text of the resolution as adopted by the Association:

"Recognizing the responsibility of the University officials in administering the policy of the University on meetings in its buildings, and regretting that the Ministers' Association did not make it sufficiently clear in scheduling Memorial Hall that the invitations to the Kagawa meetings were being extended to the general public without racial discrimination, we move that the public Kagawa meetings be moved from Memorial Hall and held in one of the Churches."

In interpreting the resolution, Mr. Herrin, Acting Chairman of

(See KAGAWA, page 4)

to the Baptist Church.
