## Upset Of Year Breaks Knights' 28 Win Streak

### Zastrow Pilots Happy Middies To Stunning Win

PHILADELPHIA, Dec. 2—(AP)—An underdog Navy team which had tasted the football dregs all season rose to majestic heights this grey day to crush Army's glamorous forces, 14 to 2, in one of the greatest upsets ever registered in the 51 meetings between the two service rivals.

A thundering crowd of 103,000 including President Truman, shook Municipal Stadium with its roars as the fired-up Middies, winners of only two previous games this year, took command and throttled every effort by the nation's No. 2 team to get back in the ball game.

The stunning defeat, largely engineered by Navy's 269-pound Quarterback, Bob Zastrow, who scored one touchdown and passed for a second, snapped a streak which had seen the Cadets better their way through 28 straight games without defeat. They were three touchdown favorites at the kickoff today.

The last team to defeat the Black Knights was Notre Dame, in 1947. They were tied by Penn, 7-7, the same year and also deadlocked by another fighting Navy eleven, 21-21, in 1943. This victory today was a tremendous personal triumph for youthful Eddie Edelatz, who took over as Navy's head coach only this season.

## Irish Beaten By Trojans In 9-7 Upset

LOS ANGELES, Dec. 2—(UP)—Halfback Jim Sears' 94-yard kickoff run and a safety on a blocked kick gave Southern California an upset 9 to 7 football victory over Notre Dame today before 70,177 delirious fans in Memorial Coliseum.

This was only the fourth time in Notre Dame history that an Irish football team lost four games in one season. Notre Dame Coach Frank Leahy was back home in South Bend, Ind., ill with influenza when 1950's humiliation was completed after Notre Dame previously lost to Purdue, Michigan State and Indiana. The Irish won four games this year and tied one.

Southern California couldn't gain an inch most of the time against the stubborn Irish line and ran up but one first down in the entire game. But when it counted the Trojans had the ability to dig in and stop the Irish.

## New Red Drive May Cause UN 'Dunkerque'; 500,000 Chinese In Battle, Says MacArthur

### China Calls For Drafting Men 17 To 25

Compiled from Daily Tar Heel Wires  
TOKYO, Dec. 2—General MacArthur declared today that the Chinese Communists have committed 500,000 soldiers to an undeclared war on the United Nations in Korea.

In addition, he said, 100,000 to 150,000 North Korean Red remnants are being rebuilt and reorganized under Chinese auspices.

The statement by the Commanding General of the first United Nations force was issued as a general press release with the notation that it was in answer to questions submitted by various newsmen.

MacArthur said the half-million Chinese were in "two great echelons," more than one half of the total now being engaged in attacking the Allied forces "with the rear echelon rapidly moving up from the Yalu River bases."

With the North Koreans, he said, the total enemy strength is "about 600,000 men."

The general declined to give an estimate of Allied ground forces, but previous unofficial estimates have run about 200,000, approximately half of which are South Koreans.

The United Press reported from Hong Kong: "The Chinese Communists termed the Korean war an all out 'life and death struggle' today and called for nationwide military training of all youths from 17 to 25."

The nationwide call to arms appeared to shatter any hopes that the Communists would withdraw voluntarily from Korea. Peking added that the United Nations forces never would withdraw from Korea until they are soundly defeated.

And from Washington, the Associated Press reported: "Senator McCarthy (R-Wis.) told President Truman today that Congress ought to 'immediately impeach you' unless the Administration sanctions use of Chinese Nationalist troops against the Communists in Korea."

### Raleigh Meet Ends; Solons Pass 5 Bills

Special to The Daily Tar Heel  
RALEIGH, Dec. 2—The N. C. State Student Legislature wound up its three-day annual session here this afternoon by passing its fifth bill today.

Also, it selected two Carolina students, John Schnorrenberg and Joan King, to serve on the Interim Council to plan next year's assembly. Schnorrenberg was Speaker Pro Tem of the House here at the mock collegiate congress.

Dick Murphy, Carolina's genial Attorney-General, who was president of the Interim Council which planned this weekend's meeting, was given a standing ovation in recognition of his work.

The House unanimously passed a bill to abolish segregation on public carriers and it carried the Senate after a long debate.

A bill sponsored by UNC condemning the McCarran Act passed both houses, while it caused quite a furor in the Senate.

Others bills passed would: Redistrict Congressional districts in North Carolina. Establish sex education in secondary schools. Give Federal aid to education.

### 100 Tickets For Tragedy Still On Sale

Nearly 100 tickets still remain for the hold-over performance tomorrow night of the Playmaker's "Romeo and Juliet."

It was announced yesterday that tickets may be purchased tomorrow at the Playmaker offices in Swain Hall or in Ledbetter-Pickard's. If any are left they will be available at the box office tomorrow night.

The extra performance was decided upon following a heavy demand for blocks of tickets for junior colleges and universities in this area.

CHARLES A. WELLS

## C. Wells, Cartoonist, Will Lecture Today

Charles A. Wells, well known writer and cartoonist, will give the first of a series of seven public lectures this morning when he speaks at the 11 o'clock service at the Baptist Church.

He will speak again tonight at 7:30 at the church and on through Friday. All of the talks will begin at 7:30.

He also will address the Kiwanians, Rotarians, and Jaycees at their regular meetings.

Wells' appearances here are being sponsored by the Baptist Church, and all lectures in the church will be open to the public.

General theme of the lectures will be "Christ and the World Need."

There will be question and answer periods after each lecture.

Wells is not an evangelist, but he has drawn large audiences at educational institutions and church communities and "greatly renewed religious interest has followed his visits." He is described as a "gifted entertainer as well as a thought-provoking writer and speaker, who makes his audiences laugh and think."

He has traveled extensively in Europe, Asia, Latin America, and Russia. His lectures will be based on his observations and adventures in those countries.

While emphatically denouncing Communism, Wells believes that the Western democracies have greatly under-estimated the power of Christian forces behind the Iron Curtain.

"There are many more Christians in Russia than members of the Communist party," he says. "The Communists have the guns and the Christians have frequently been persecuted, but the Church has always proved stronger than its oppressors."

### Maryland Smears Va. Tech, 63-7

COLLEGE PARK, Md., Dec. 2—(UP)—Halfback Shoo-Shoo Shemonski was a blasting butcher today as he bounded to five touchdowns and a conversion to take the Southern Conference scoring championship in Maryland's 63-7 football slaughter of VPI.

The game, played before some 12,000 fast-counting fans, turned into a rout in the first period as the fleet Shemonski racked up four of his touchdowns on runs ranging from three to 82 yards.

### Sooners Get 31st Straight In 41-14 Win

STILLWATER, Okla., Dec. 2—(UP)—The top-ranking Oklahoma Sooners, prepping for the Sugar Bowl, relied on the four-touchdown passing of Quarterback Claude Arnold today to defeat Oklahoma A&M 41-14 for their 31st straight victory.

End Jack Lockett was on the receiving end of three of them in a dazzling second quarter exhibition.

A crowd of 33,000 saw the 45th renewal of the intra-state rivalry.

One of the spectators was Kentucky Coach Paul "Bear" Bryant, whose team goes up against the Sooners in the Sugar Bowl Jan. 1. Bryant said he suspected Oklahoma Coach Bud Wilkinson was keeping some of his power and secrets in reserve in winding up his second straight undefeated, until regular season against the outclassed Aggies.

Whether or not Wilkinson was intentionally holding back, the Aggies made it a close ball game during most of three quarters. But the sudden-death Sooner attack needed only one period to uproot any Aggie notions of an upset.

Oklahoma scored first when Arnold shot a 21-yard pass to End John Reddell with 10 minutes of the first period gone.

### State's Quota In Feb. Draft Set At 1,600

RALEIGH, Dec. 2—(UP)—North Carolina's share of the February draft will be 1,600 men, the State Selective Service estimated today.

O. S. Slaunwhite, manpower chief for the State Draft Headquarters, made the announcement following the announcement in Washington that 50,000 men would be drafted in February.

He added that the state is running 15 per cent below quota to date, mainly because of deferred college students.

## Excessive Bids Stymie New Med School Wing

The University has withdrawn plans for a \$200,000 wing addition to the Medical School because bids exceed the appropriation.

Collier Cobb, Jr., Chairman of the University's Building Committee, in making the announcement yesterday said "there's no use in awarding bids when you can't pay them."

The bids were scheduled to be awarded Dec. 21 in Raleigh.

He explained his committee probably will ask the new Legislature in January to pass an enabling act to allow use of funds

### Allies Face Pyongyang Mortar Fire

TOKYO, Sunday, Dec. 3—(UP)—Communists fired heavy mortars into the outskirts of Pyongyang today as an enemy drive down the center of Korea threatened to trap the split United Nations forces against the east and west coasts.

The most immediate threat was in the eastern sector, where the Communists swerved toward the big port of Wonsan in an attempt to block the last overland escape route for 50,000 retreating Allies fighting to the north and force them into a vast "Dunkerque" evacuation.

The Reds in central Korea captured the junction town of Yangdok and sent their hordes wheeling eastward to within 25 miles of Wonsan.

In the west, some Allied units began evacuating Pyongyang as reports indicated the battle for that city had begun. Communist forces threatened to flank the Allied defense line northeast of the city and swing south of it to encircle the former enemy capital.

An encirclement and drive to the west coast by the Reds could cut off the battered 100,000-man UN force on the northwest front.

Communist guerrillas took advantage of a snowfall curtain to lob mortar shells for a half hour into Pyongyang's northern outskirts. At the same time a Communist plane—"Bed Check Charlie"—that has been bombing Pyongyang at intervals during the past week dropped a number of bombs several miles from the airfield. There was no report of damage.

Allied fighters and bombers swarmed over the North Korean fighting fronts at dawn today to attack the massive Chinese armies fighting UN troops in what Gen. Douglas MacArthur called an undeclared war.

### Tulane Lacks Doughty Soul To Hold Cat

NEW ORLEANS, Dec. 2—(UP)—Tulane University students kidnapped Louisiana State's snarling 450-pound tiger mascot, Mike, today but after sober consideration returned him without carrying out a threat to paint the beast Tulane green.

Mike, fully caged, was turned over to a committee of Louisiana students at the Sugar Bowl Stadium just before the annual Bayou State football classic between the arch college rivals.

The Tulane raiders evidently had heard a police warning put out on all stations that anybody who tried to handle Mike would get hurt.

"Nobody except the LSU trainer should try to feed that tiger," a police official said. "The door of his cage must be opened to feed Mike. And, if that door is opened, there will be hell to pay."

## First Va. Win Over Tar Heels In Five Years

### Papit Runs Wild On Opening Play For First Score

By Frank Allston, Jr.  
SCOTT STADIUM, CHARLOTTESVILLE, Va., Dec. 2—A burning desire for victory over Carolina, fanned by a five-year failure to accomplish that goal, brought the University of Virginia a smashing 44-13 win over the invading Tar Heels here today as a record 28,000 wildly partisan fans looked on.

From the very beginning there was no doubt as to who would emerge victorious. Ace Cavalier Fullback Johnny Papit took the ball on a quick opener on the game's first offensive play and dashed through right tackle, 68 yards for the score.

A hard-charging Cavalier line held Carolina's running attack to a minus 20 yards while the big Virginia backs pounded out 195

on the ground. The Cavaliers, on the strength of the long and accurate tosses of Quarterback Rufus Barkley, gained 217 via the air lanes to 93 for Carolina.

Both of the Carolina scores were accounted for by passes to End Benny Walsler in the final period. The first was a 32-yard heave from Sophomore Tailback Ernie Liberati, and the second a seven-yard toss from Alternate Captain Dick Bunting.

Papit, End Gene Schroeder and Halfback Bobby Pate each scored twice for the Cavaliers. Barkley heaved three scoring passes, two to Schroeder and the third to Pate. Pate also accounted for a touchdown aerial, flipping one to End Ed Bessell.

After Papit had scored the game's first touchdown with 22 seconds of play elapsed, Wallace fumbled the ensuing kickoff as he carried it back to the Carolina 17.

The Cavaliers drove down to the goal line where the Tar Heel line held. On the second play Wallace fumbled and Virginia recovered at the Carolina one. Halfback Bobby Pate plunged into the end zone on the first play, and Virginia took a 12-0 lead.

Virginia's third touchdown of the game came just before the end of the first period when Barkley flipped a 43-yard pass to Schroeder. The speedy end hauled in the ball at the Carolina (See TAR HEELS, page 3)
