**J. Paul Sheedy\* Switched to Wildroot Cream-Oil  
Because He Flunked The Finger-Nail Test**

NONE of the girls were wild about this Wildcat. His hair looked like something the cat dragged in! "I'm feline mighty low," he told his Paw. "Every Tomcat, Dick and Harry on campus has dates but me!" "Yes, Siam aware of that, son. You need Wildroot Cream-Oil hair tonic. All the cats are using it because it's non-alcoholic. Contains soothing Lanolin. Relieves annoying dryness. Removes loose, ugly dandruff. Help you puss—I mean pass the Finger-Nail Test." So Paul got Wildroot Cream-Oil, and now he's the most popular Persian at school, Purr-haps it's what you need! Take some small change out of your kitty and pussy-foot it to the nearest drug or toilet goods counter for a bottle or tube of Wildroot Cream-Oil. And ask fur professional applications at your favorite barber shop. Hurry—meow is the time!
