County Polio Drive Reaches Halfway Point

The Orange County March of Dimes drive is approximately half-way toward its \$8,500 goal. The annual fund campaign will be climaxed with Tag Day here this Saturday. It will be conducted by the Girl Scouts who will sell the tags in the business district all day.

E. Carrington Smith, chairman of the county wide drive said the goal would probably be reached when the forms from within the county were returned. He asked all persons contacted in the direct mail appeal to mail their contributions in immediately so that the drive can be completed on time.

A total of \$251.48 was turned in to the fund by the Junior Chamber of Commerce. This was netted in a Jaycee sponsored roadblock collection on West Franklin street last Saturday morning. The individual donations ranged from \$10 to a few pennies.
