

Junior Council Holds First Meeting

Junior Council, YWCA leadership training program, had its first series of four meetings last night in the Morehead Planetarium. Dr. Bernard Boyd spoke to the group.

The Junior Council programs are organized to familiarize women students with the organization and function of the YWCA. Officers will be elected and cabinet and membership positions filled the beginning of spring quarter. Girls holding these positions will be from the Junior Council group. All interested are invited to participate. Plans for the following meetings will be announced later.
