Tri-Delts Named Favorites In Powder Bowl Game Today

By Bruce Melton

The Tri-Delts will be trying for a victory in their first annual Powder Bowl game this afternoon at 2 o'clock in Kenan Stadium when they face the Pi Phis.

Leading the Tri-Delt team will be halfback Liz 'Swivel Hips' Cooley and alternating quarterbacks Teensie Matthews and Anne Van Kirk.

Running from the Split-T, Van Kirk will handle the passing chores while the running attack will be handled by Cooley. Matthews will do most of the kicking for the Tri-Delts.

Pi Phi will be running their plays from the single wing most of the afternoon, but might change to the T formation. Liz 'Woo Woo' Currie, halfback, and Mary Tom Battle, quarterback, will lead the attack for the home team.

Tri-Delt is the visiting team. Post-game festivities will include an open house at the Monogram Club, at which time Coach Carl Snavely will present a trophy to the victorious

team. Trophies will also be presented by him to the game's most valuable player.

Carol Cantrell, chairman for the Tri-Delts, has done a remarkable job in helping and cooperating with the first Powder Bowl game, Carmen Nahm, Pi Phi, said yesterday. In fact the whole campus has joined in to help make this game a big success, she added.

Tickets will be on sale at the gate before kick-off time today. Proceeds from the game go to the Polio Foundation.

Movietone newsreel men are scheduled to shoot the game today.

Last night the Tri-Delts and the Pi Phis entertained their respective coaches with supper after which the Pi Phis were pre-game hosts for a dessert party. A parade through campus and town by the sororities and well wishers wound up the pre-game activities.

Head cheerleader 'Nose' Jones is slated to give a play by play account of the game over the PA system.

'State Of The Campus' Meet Slated To Be Held Feb. 29

A two and a half month study of conditions on campus may reap a ripe harvest in a "State of the Campus" conference to be held at Camp New Hope, starting Friday, February 29 at 4 p.m., according to YMCA officials.

Four survey committees were appointed to determine the most common problems facing students last December. Reports have been made on data collected by these committees and six commissions will hold three meetings of about two hours during the conference to discuss these problems. Previous to the Camp New Hope meet which concludes with a final session at 7 p.m. on Saturday,

the commissions have held weekly meetings for planning conference discussions.

Purpose of the conference is to study certain of the more important aspects of University life, such as faculty-student relations, student apathy, educational effectiveness, etc., in order to determine ways in which they might be improved.

Directing the planning of the conference are Ken Barton, John Harris, Donna Hauck, Bill Matlison, Jack Prince, Bob Simmons, and Bill Wolf. About 25 other students have taken part in one or more of the weekly meetings during the past two months.

Solons Pass Bi-Partisan Town Redistricting Bill

With Henry Lowett (SP) acting as peacemaker, the Student Legislature Thursday night passed a watered down bi-partisan committee version of the Kerley town redistricting bill, but only after both parties had accused each other of "bad faith" for submitting amendments.

Newly-appointed UP legislator Ham Horton first broke the peace by attempting to amend the town districting bill to provide also for the creation of four men's dorm districts and two women's dormitory districts. Horton's amendment was ruled out of order in a vote along party lines.

SP floor leader Gene Cook then charged that Horton had acted in "bad faith" in attempting to "tack a partisan amendment to a bi-partisan bill."

The original Kerley town bill was reintroduced. Although the SP held a definite majority Thursday night, with several bill failed again due to the abstention of several Student Party solons.

Lowett then stepped into his familiar role as a mediator. "Possibly both sides haven't assumed their full responsibility," he stated "Tonight's action can only warrant passing this bill as it stands," Lowett charged.

Debate was suspended and the bi-partisan bill passed without dissent. Under the bill, Town District I is now composed of all men living south of Cameron Avenue extended; Town II of men living in the rectangle bounded by West Cameron Ave., Columbia St., West Franklin St., and Mill Road; and Town III of all other town men.

Also passed was the constitutional amendment altering the composition of the student judiciary which limits appeals from the lower courts to the Student Council to questions of constitutionality and redefines the orig-

inal jurisdiction of the Council.

It will be submitted to a student vote in a general campus referendum next Tuesday, February 19.

A bill setting permanent dates for campus elections (SP-Kerley) was also approved.

Horton's dormitory redistricting amendments were later reintroduced as a separate bill to be considered by the original bi-partisan committee.

'Winterset' To Be Premiered By Playmakers On Feb. 27

The Carolina Playmakers will present their fourth major production of the season, Maxwell Anderson's "Winterset," at the Playmakers Theatre, Feb. 27th-March 2nd.

"Winterset" is a modern poetic tragedy which achieved the New York Drama Critics' Circle Award in March, 1936. It is said to be based on the famous Sacco-Vanzetti trial, and the playwright has visualized events that might have occurred after the execution of these men.

Sacco and Vanzetti were Italian immigrants, accused of the slaying of a guard during a payroll robbery in South Braintree, Mass., and were found guilty on July 14th, 1921. Although some of the finest lawyers in the country represented them in subsequent appeals of the decision, they were executed in 1927.

Liberal-minded persons were said to be enraged at what they firmly believed a perversion of justice. Both the immigrants had been avid radicals, at the time of a widely felt Communist scare, and it was thought that they were

condemned for their politics since only circumstantial evidence connected them with the murder.

Anderson's poetic drama begins after the death of these men, and relates the imagined return to the eastern states of the son of one of them. He has come back to find the real murderer of the guard, but finds love and his own tragedy instead.

Samuel Selden, head of the dramatic art department, will personally direct, and settings will be by Gene Graves, a graduate assistant from San Diego, Cal. There are two settings, one showing the interior of a New York tenement shack, and the other an exterior scene which is on the bank of the East River, beneath Brooklyn Bridge.

Season ticket holders are advised to exchange their coupons for reserved seats at the earliest opportunity. The play will be shown only five times, instead of the customary six, and a large attendance is anticipated. Tickets go on sale Tuesday at Swain hall and Ledbetter-Pickards.
