Germany Is Topic Of Di Debate

A "bill to destroy the menace of Germany to the world" will be debated by the Di Senate at its meeting tonight at 8 o'clock on the third floor of New West building.

The bill claims that whereas "the history of Germany is the history of warfare; and World War I and II were fought to cleanse Germany of its materialistic ideals; and it is the aim of the nations of the world to promote 'peace on earth' under democratic ideals," Germany, as a nation, should cease to exist.

It is further proposed that "Germany be divided into five sections and that one of the five be given to France, Holland, Belgium, Switzerland, and Denmark and that these divisions be permanent integral parts of the countries to which they are annexed."

Visitors are invited to attend and participate in the debate.

OPEN EVENINGS

I am Industry-1952

Ushered into a new world,
I had a bustling, brawling, bruising youth.
I was a potential giant awakening in a world of giants.
People were hurt when I first stirred in life;
Then I grew and learned:
Then I matured and knew that
Though I work with water and metal and chemicals and fire,
I am more than these things.
I am the people's work!
I am the people's dream!
I am the people!

With maturity, I have grown, too, in social responsibility.
To the people,
To America!
And even to those beyond our shores.
My efforts are not in selfish interest;
Rather, all my brain and brawn strives for the good of the many.
I am the American way!

Now, I have sworn that these things shall be:
I shall deliver ever-better products to those who use my fruits!
I shall offer equal opportunity to those who work at my side,
Whatever their race!
Whatever their creed!
Whatever their color!
Whatever their national origin!
I shall forever do my part to keep America great!

And why?
Because only in this way can I remain a healthy force in our free world.
For when I am healthy, America prospers,
And tyrants tremble before my might.

I am America's life-blood!
I am America's strength!
I am the bulwark of the World's freedom!
