

Strong Rollins Meets Netters Today

Herb Browne In Infirmary With Measles

by Vardy Buckalew

The Carolina tennis team takes on the team from Rollins College today in a match in which the Tar Heels will be the decided underdog. Rollins is very strong this year in every position and its lineup includes two Mexican Davis Cup players.

Coach John Kenfield will be forced to shift his lineup for the match this afternoon due to the illness of Herb Browne, who is currently playing in the number three position. Browne came down with a case of the measles Sunday and will be out for at least six days. Coach Kenfield is hoping that he will recover in time for the important Southern Conference match with Davidson on Saturday.

Kenfield Pessimistic

About the match today with Rollins Coach Kenfield says, "We haven't got a chance. Even with Browne in the lineup, we would have to play much better than we have at any time this year. Now that he is out, chances of our beating them have all but been eliminated."

Due to Browne's illness, the men from the third on down will move up a notch. That will put Sam Handel in the third position, Bill Izler in the fourth, Ronny Kerdasha in the fifth in Coach Kenfield will insert either John Booker or Dick Sapp in the sixth position.

In the doubles the changes from the regular lineup will be more drastic. In the number one doubles, Del Sylvia and Bob Payne will team up. Payne usually plays in the number two doubles with Browne. The number two doubles will be made up of Bill Izler and Sam Handel. The third doubles combination will probably be Sapp and Booker although Coach Kenfield wasn't positive about that choice late yesterday afternoon.

Millet Undefeated

The two Mexican Davis Cuppers on the Rollins team play in the number one and three positions and team up in a doubles combination which will probably represent Mexico in the Davis Cup competition this year.

In the number one position is Alfredo Millet who was unbeaten in college play last year. He also won the Florida Open this spring. The other Davis Cup player is Alberto Danel, playing in the number three position. He has advanced from the number five position where he played last year.

Playing number two will be Calhoun Dickson who will share the second doubles position with Jim Wesley, who plays the number four position. The number five position will be held down by Eduardo Garcia, the Chilean junior champ in 1948, '49, and '50.

Blue Devils Threaten To Run Away With Big Four, Conference Crowns

Duke's Blue Devils, fresh from Saturday's 13-5 victory over Carolina, are threatening not only to make a walk-away of the Big Four race but also to take the Southern Conference championship without too much trouble.

The Blue Devils lead both the Southern and Northern divisions of the Conference after this past weekend's games with an 11-1 record. Their mark for the season in all games is 16-2.

Richmond tops the northern division of the SC with a 3-0 record, and 6-2 in all games.

Deacons Second

The southern division teams are spread back of Duke pretty evenly. In second place is Wake Forest with a 6-3 mark, just a game and a half ahead of South Carolina's 4-2 record.

N. C. State is fourth with a 4-3 and Carolina's Tar Heels, who

Four, are in fifth position with 3-4. Their victories have come over State, Davidson, and The Citadel.

Duke has scored 126 runs to its opponents' 47 in Southern Conference play and have a 184-72 mark in all games. In contrast North Carolina has 24 runs to its opponents 38 in league play and 75-68 in all games.

Duke Plays Three

The most league games that a northern team has played is six by William and Mary. They have an even split in loop play and are in fourth place behind Richmond, George Washington, and Washington and Lee.

GW has a 2-1 record for a second place tie with W & L. Maryland is tied for the fourth spot with the Indians with an even mark of 2-2.

Duke has three games this week

in the Southern Conference which might pretty well decide the final outcome of the standings. The Blue Devils meet tough Wake Forest this afternoon and on Saturday and sandwich a game in with Davidson on Thursday.

Carolina has a game with State this afternoon and then travels to South Carolina for weekend games with Clemson and Furman.

I am Industry-1952

Ushered into a new world,
I had a bustling, brawling, bruising youth.
I was a potential giant awakening in a world of giants.
People were hurt when I first stirred in life;
Then I grew and learned;
Then I matured and knew that
Though I work with water and metal and chemicals and fire,
I am more than these things.
I am the people's work!
I am the people's dream!
I am the people!

With maturity, I have grown, too, in social responsibility,
To the people,
To America!
And even to those beyond our shores.
My efforts are not in selfish interest;
Rather, all my brain and brawn strives for the good of the many!
I am the American way!

Now, I have sworn that these things shall be:
I shall deliver ever-better products to those who use my fruits!
I shall offer equal opportunity to those who work at my side;
Whatever their race!
Whatever their creed!
Whatever their color!
Whatever their national origin!
I shall forever do my part to keep America great!

And why?
Because only in this way can I remain a healthy force in our free world.
For when I am healthy, America prospers;
And tyrants tremble before my might.

I am America's life-blood!
I am America's strength!
I am the bulwark of the World's freedom!
